

# THE OLDEST MAN IN AMERICA

## Escaped the Terrors of Many Winters .By Using Pe-ru-na.

"I Attribute my Extreme Old Age to the Use of Pe-ru-na."

In speaking of his good health and extreme old age, Mr. Brock says: "After a man has lived in the world as long as I have, he ought to have found out a great many things by experience. I think I have done so.

"One of the things I have found out to my entire satisfaction is the proper thing for ailments that are due directly to the effects of the climate. For 119 years I have withstood the changeable climate of the United States.

"I have always been a very healthy man, but, of course, subject to the affections which are due to sudden changes in the climate and temperature.

"As for Dr. Hartman's remedy, Pe-ru-na, I have found it to be the best, if not the only reliable remedy for these affections. It has been my standby for many years, and I attribute my good health and extreme old age to this remedy.

"It exactly meets all my requirements. It protects me from the evil effects of sudden changes; it gives me strength; it keeps my blood in good circulation. I have come to rely upon it almost entirely for the many little things for which I need medicine.

"When epidemics of the grippe first began to make their appearance in this country I was a sufferer from this disease.

"I had several long sieges with the grip. At first I did not know that Pe-ru-na was a remedy for this disease. When I heard that la grippe was epidemic catarrh I tried Pe-ru-na for la grippe and found it to be just the thing."

In a later letter, Mr. Brock writes: "I am well and feeling as well as I have for years. I would not be without Peruna."

Yours truly,  
Isaac Brock.

Born before the United States were formed.  
Saw 22 presidents elected.  
Pe-ru-na has protected him from all sudden changes.  
Veteran of four wars.  
Shod a horse when 99 years old.  
Always conquered the grip with Pe-ru-na.  
Witness in a land suit at the age of 110 years.  
Believes Pe-ru-na the greatest remedy of the age for catarrhal troubles.

Isaac Brock, 119 Years Old Last Birthday.

Isaac Brock, a citizen of McLennan Texas, has lived for 119 years. He was born in the town of Boque, ten miles west of Waco, but with his son-in-law at Valley Springs, Ark.

### SERMON ON EVIL SPEAKING

HEARD AT CHRISTIAN CHURCH LAST NIGHT

hearers truths which will long be remembered by them. He left this thought as the principal factor of his discourse, that evil speaking is admissible only when the speaker is doing so in order to correct an evil doer and protect the one toward whom the evil is intended.

The principal causes for evil speaking on the part of the evil doer were carefully considered. He mentioned, in part, unkind disposition, clamminess, envy and inferiority to others.

In a very able manner he showed his power to discuss this delicate subject in such a way as to be entertaining and at the same time helpful. His humorous illustrations were many and well received.

In conclusion he brought this fact

home to his audience—that "out of the abundance of the heart the mouth speaketh," and that a pure heart can come only by implanting the "Word of God" therein and allowing it to manifest itself by word and action.

He announced his subject for tonight to be "Whiners," and advised all to come themselves instead of bringing their neighbors. Song service will begin as usual at 7:30 p. m. sharp.

The subjects for Sunday are as follows: Morning service, 10:45 a. m., "The Christian and His Diseases"; at 3 p. m., a popular lecture will be delivered to men only on the subject, "Manhood and the Home"; at the 7:30 p. m. service the subject will be, "Prepare to Meet Thy God."

Evening subject, "Saving Faith." A cordial welcome to every one.

### WONDERFUL MEETING AT M. E. CHURCH

NO SERVICES SATURDAY EXCEPT REHEARSAL—THREE SERVICES SUNDAY

A large crowd greeted Haudenschield last night. He spoke on "The Condition of Entering Heaven." With irrefutable logic he argued that not confirmation, nor baptism, nor good works are the condition, but the new birth as Christ proclaimed it in the third chapter of John's gospel. The great audience sat motionless throughout the masterful argument, and at the close fourteen persons came forward to the chancel seeking for and experiencing what the new birth is. One second of experience did more to enlighten their hearts and minds as to what the new birth really is than all the thinking, reading and experiences they had heard related had ever done.

The evangelist is preaching the forceful, direct, plain gospel—the standard he sets is high, nothing of feminine about it, consequently many men are yielding to the clarion call. There will be no service this evening, only choir rehearsal and orchestra practice at 7:30 p. m. The great chorus choir of 50 voices and good orchestra will furnish a treat to all music lovers on Sunday.

Sunday will crown all the days that are past and will be through history one of the church's "red letter" days. Plan not to miss a service.

Three great services, 10:30 a. m., "True Courage," an address especially appreciated by men; all men are cordially invited and will be given the preference in seating. But every one is welcome. 3 p. m., "The Presence of Christ." 7:30 p. m., "The Red Light." Hear Haudenschield the short time that he remains in the city.
