BAD BREATH

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath having a bad odor. Two weeks ago a friend recommended Cascarets and after using them I can willingly and cheerfully say that they have entirely cured me. I therefore let you know that I shall recommend them to any one suffering from such troubles." Chas. H. Halpern, 114 E. 7th St., New York, N. Y.

TIMBER LANDS WILL ADVANCE IN PRICE

BRITISH COLUMBIA PARLIAMENT HAS WITHDRAWN ALL OF ITS LANDS FROM ENTRY.

AND EXTENDED LEASES FROM 21 TO 42 YEARS—WISCONSIN DEALERS WORKING IN OREGON—MANY TRACTS HAVE CHANGED HANDS RECENTLY.

More Wisconsin timber dealers have been coming to Portland during the last few months than ever before. As a result thousands of acres of Oregon timber lands have recently passed into the hands of Wisconsin corporations.

While it is claimed that there is plenty of timber left in the state famous for its beer, its Waukesha mineral water and its LaFollette, the lands are mostly owned by larger corporations which are not cutting the wood, but holding it for the big increase in lumber prices which is expected within the next three or four years.

Under these circumstances many of the lumber companies have been sending representatives to Oregon and the Pacific coast in general recently, to investigate conditions and buy as much timber lans as possible. Canada has also been invaded but a new law which has recently gone into effect will make this impossible in the future.

Fred M. Norton of Medford, Wisconsin, is at the Hotel Perkins and expects to buy as much timber land as is possible while he is in Oregon. Mr. Norton represents Brittingham & Young of Madison, and is also buying timber for himself.

Increase in Prices.

Mr. Norton has just come from British Columbia where he bought 200,000,000 feet of timber. This his company expects to hold five or six years, or until the big increase in lumber prices comes. He will buy timber land in Oregon for the same purpose.

"Wisconsin has a great deal of timber left," Mr. Norton said this morning, but much of it is being held by the large corporations. Timber men expect lumbed prices to increase in the next few years. Consequently most of them are buying up as much ground as is possible at the present time. In Canada, one can only buy the timber, the government retains the land."

Mr. Norton will remain in Portland and vicinity for some time.—Portland Journal.

B. C. Lands Withdrawn.

In this connection it will be of interest to Guard readers to state that the British Columbia Parliament has extended the leases on all timber lands held by private individuals there from 21 to 42 years and all timber not taken up has been withdrawn and placed in the forest reserve. This will probably mean an advance in price of all timber lands in British Columbia as well as in Oregon. Eugene people who have large holdings there are L. M. Travis, J. W. Shumate, I. H. Bingham, E. L. Campbell, Jos. Fellman and Henry Tromp.

IVISON NOTES, LOCAL AND PERSONAL

(Special Correspondence.)

Ivison, Jan. 10.—Oh, how a storm-tossed, blizzard-beaten, snow-bound Easterner would enjoy this delightful Oregon climate, with warm showers, beautiful sunshine, green hills and blooming flowers, where one may go fishing and pick good apples from the trees in mid-winter. Come to Oregon, you smooth-shaven sons of toil, where the lightning does not prevent your beard from growing full length, where the tall pines grow on the hillsides and where the golden grain waves in every valley, where the fruit trees and vines are annually laden with luscious fruits, where land is cheap, taxes low and doctors go out of business. Come to a country where blizzards and cyclones and crop failures are unknown. Come to the garden spot of the Pacific Northwest—Come to the Willamette valley in Western Oregon.

Charles Cornelius has returned home after a two-weeks' visit with his parents and friends at Goshen.

Delton Dickinson, of Elmira, spent the holidays with the Worden brothers, of this place.

Mrs. A. Worden drew the $10 prize at P. P. Colgaard's store at Elmira. No. 158 was the lucky number.

Charles H. Lacy, of Mapleton, passed through Ivison this week en route home from Eugene.

Mrs. C. A. Stephens and two children, of Crow, were visiting her parents, I. S. Day and wife, this week.

Mrs. O. J. Kayser and little daughter, of Saginaw, are visiting her parents, Mr. and Mrs. B. J. Owen, of this place.

The trapping fraternity around Ivison seems to be very quiet this year. Clarence Worden is the only active member, and he reports plenty of civit cats, mice, etc.

Stock is wintering well in this part of the country. Stock cattle are still on the range.

L. D. Bliven bought a lot of hay from the Vaughn boys and is wintering six head of horses here this winter. He is living on the Alex Morrison place.

The timber business is very quiet here now, not much cruising being done and no sales being made, but the good timber is here just the same.

BANK CASHIER IN TOILS OF THE LAW

Harry N. Pratt, charged with embezzlement from the Glendale State Bank, of which he was formerly cashier, waived preliminary examination when arraigned before Justice Long Friday afternoon and was bound over to the circuit court for trial. He was admitted to bail in the sum of $3000, which he furnished. In the evening he departed for his return to Glendale in company with A. L. Shipman, superintendent of the Victory mine, near that place, with whom he has been staying for the past ten days and who came with him to Roseburg after his arrest. Pratt has retained the local law firm of Cardwell & Watson to defend him.

The arrest of Pratt was made upon a warrant sworn out by E. E. Redfield, a stockholder and director of the Glendale bank. It was occasioned by the discovery of a shortage of $3570 in the accounts of the bank, which have just been experted by an accountant secured from Portland.—Roseburg Review.
