SHERIFF FISK WILL NOT SEEK RENOMINATION

Sheriff Fred Fisk has announced that he will not seek renomination this year. Several months ago he determined not to run for office again, and when questioned by a Guard reporter in regard to the matter he stated that he had not changed his mind.

Fisk would no doubt be re-elected if he desired, if his majorities at the last two elections are any criterion. In 1904, when J. S. Stiles was his Republican opponent, his majority was 890, and in 1906, when W. J. Warnock ran against him, he was ahead 1789 when all votes were counted.

Sheriff Fisk is serving his third term, having been appointed sheriff in 1903, when Sheriff W. W. Withers was shot and killed by Elliott Lyons. He served as Withers' deputy from 1898 until his appointment by the county court upon the latter's death.

Grant Chesterfield, the noted thought reader and clairvoyant, arrived in Eugene yesterday and has secured parlors at 642 Willamette street, where he states he will give private readings in palmistry.

Among the many noted personages whose palms Chesterfield has read are to be mentioned Baron Carl Du Prell of Munich, Bavaria; Ionodies,

GRANT CHESTERFIED

the great Greek; Wm. E. Gladstone, Senator Teller, Wm. J. Bryan, Admiral Schley, Alice Neilson, T. T. Geer, of Oregon, and in brief, a list without end. In eastern cities he is looked upon as a prophet, by others a man of superhuman powers. It is said that in his clairvoyant readings he actually tells you your name, age and date of birth. During Chesterfield's stay at Sacramento fully 3000 people passed through his parlors to have their palms read. Seen yesterday at his parlors he announced he would remain in Eugene but a few days.

SCHOOL CHILDREN WILL SEND CARDS TO FRIENDS EAST

COMMERCIAL CLUB WILL OFFER PRIZE FOR THE BEST WRITTEN CARD

LETTERS RECEIVED FROM RAILROAD OFFICIALS ACKNOWLEDGING RECEIPT OF RESOLUTIONS IN REGARD TO ADVERTISING OREGON

A meeting of the board of governors of the Commercial Club was held last night and many matters of importance were discussed. Among the most important was the suggestion to have each pupil in the public schools write a postal card to some friend East, the text to be furnished by the Commercial Club. This was approved and at A. C. Dixon's suggestion prizes will be offered for the best written card.

The front page for the proposed monthly magazine to be published here was submitted to the board, but though several titles were suggested none was adopted for the the present.

The matter of a new city directory was brought up and on D.E . Yoran's suggestion it was decided to wait till next fall before going in for this.

W. M. Green suggested the holding of a county fair.

Several letters were submitted from inquirers, among them one who wants to start a sanitarium and several who want to go into manufacturing of one kind or another.

A definite proposition in full detail was submitted to the board in regard to getting up the handsomest album or booklet of views gotten out by any community, also about getting out large framed photographs of the University, the latter to be placed in the prominent hotels of Portland, South and East.

Letters were read from various railroad officials confirming receipt of the board's resolution in regard to Oregon getting no share of the Eastern newspaper advertising. The letters showed that the suggestion made by the board has not fallen on deaf ears.

EUGENE PROPERTY WILL GROW VALUABLE

Blair street addition property is sure to double in value within the next two years. Two electric railways are coming up the valley from Portland and both of them must enter the city from the west, and the line that will tap the Siuslaw country can not go out in any other direction. As sure as water runs down hill, Eugene must build down the valley—because the business is there.

There are both acreage tracts and large lots in this addition, only a mile from the business center and three blocks from the Geary public school.

Prices are very reasonable and you may make your own terms, a small payment down and monthly installments if you desire.

See the Oregon Land Co. at 412 Willamette street, or write them for particulars and prices. tf

A CURE FOR MISERY

This great tonic medicine and blood purifier gives quick relief in all stomach, liver and kidney complaints, and the misery of lame back. Sold under guarantee at W. A. Kuykendall's drug store.
