

S.S.S. FORTY YEARS SUCCESSFUL SERVICE

When a medicine has stood the test for a period of more than two generations and is then more popular than ever, there can be no doubt of its merit. This is the record of S. S. S. Its period of existence is marked by a long line of cures of blood and skin diseases of every character, and its value in the treatment of such troubles has become so well known that it is today the most extensively used blood medicine on the market. For Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases and all other troubles, S. S. S. is an impure or poisoned condition of the blood, S. S. S. has no equal. It counteracts and drives out the poisons, humors and germs, cleanses the system of all unhealthy matter, cures the disease permanently and restores robust health. Where the blood is weak or anaemic, and unable to furnish the body with the nourishment and strength it needs, S. S. S. supplies the body with the healthful properties and acts splendidly in toning up and purifying the system. It goes down to the very bottom of all blood troubles, and in this way reaches inherited taints on which the ordinary medicines have no effect. Not only is S. S. S. certain in its results, but it is at the same time an absolutely safe remedy. It is made entirely of pure herbs and barks of known healing and curative value. It does not contain the slightest trace of mineral in any form to damage the delicate system, and may be used by children with the same good results as perfect safety as by older people. It is not an experiment to use S. S. S.; it is a remedy with a record and one that has proven its worth by its forty years of successful service. If you are in need of a blood purifier for any reason, begin the use of S. S. S., write our physicians and they will send you a book concerning your trouble, and will give without charge any special medical advice that is required.

BANKER SPENCER KNOCKED DOWN BY GEORGE PARK

Last night S. S. Spencer, president of the Merchants' bank, was assaulted and knocked down in the street by George Park. Spencer was walking along the sidewalk near the Hoffman House with L. H. Potter, vice president of the bank, when they were joined by Park, who walked a few feet with them. Park was intoxicated and began to tell about another banker beating him out of \$3000. Spencer made no reply and Park, seeming to become enraged, struck him a stinging blow on the side of the head, knocking him off the sidewalk and into the street. Officer White placed Park under arrest, and the latter appeared in police court this forenoon at 10 o'clock. He was charged with assault and battery, to which he pleaded guilty, stating that he was very drunk and did not know anything of the affair until he was told of it by some of his friends this morning. Judge Dorris imposed the maximum fine of \$100 and the money was paid. As Park left the courtroom he grasped Spencer by the hand and with emotion begged his pardon. George is a peaceable citizen when sober, but when liquor gets the best of him he is sometimes a "terror," as expressed by Judge Dorris.

Grant Chesterfield, the noted thought reader and clairvoyant, arrived in Eugene yesterday and has secured parlors at 642 Willamette street, where he states he will give private readings in palmistry.

Among the many noted personages whose palms Chesterfield has read are to be mentioned Baron Carl Du Prell of Munich, Bavaria; Ionodis,

GRANT CHESTERFIELD

the great Greek; Wm. E. Gladstone, Senator Teller, Wm. J. Bryan, Admiral Schley, Alice Nollson, T. G. Geer of Oregon, and in brief, a list without end. In eastern cities he is looked upon as a prophet, by others a man of superhuman powers. It is said that in his clairvoyant readings he actually tells you your name, age and date of birth. During Chesterfield's stay at Sacramento fully 3000 people passed through his parlors to have their palms read. Seen yesterday at his parlors he announced he would remain in Eugene but a few days.

ROSEBURG DEFEATS ASHLAND ATHLETICS

Roseburg high school defeated Ashland Athletic Club at basket ball in this city last evening by the score of 59 to 15. The first half was closely contested, Roseburg getting 16 points and the visitors 14. In the second half, however, the locals played all around Ashland, rolling up 14 points, while a single tally was the best Ashland could do.—Roseburg Review.

ANNUAL MEETING OF FIRST NATIONAL BANK DIRECTORS

The annual meeting of the directors of the First National bank of Eugene was held last night. The old board of directors and officers were re-elected and various other matters discussed, among them being that of additional room for the bank. It will be remembered that the bank some time ago purchased the one-story brick building adjoining the bank building and at the time it was announced that a second story would be added, the entire first floor of the two buildings to be occupied by the bank. No architect has yet been employed to make the changes but this matter will be attended to some time this summer.

The past year has been the most prosperous in the history of the bank.

SENTENCE SUSPENDED IN GOODMAN CASE

Frank E. Goodman, who was arrested yesterday afternoon under the nuisance ordinance, for allowing liquor to be sold in his building, appeared before Judge Dorris this forenoon and pleaded guilty. He was fined \$100, but sentence was suspended. The defendant had a part of his building rented to another party who, it seems, was selling liquor.
