Arshlps should place their subscriptions now.

Many of the candidates have created good reserve forces, which is a very good idea, but it is also a good thing to poll enough votes to keep your name near the top of your district as it encourages your friends and proves to them that your chances of carrying the honors of your district are as good as the next one.

From now until Saturday, February 8th, in which are exactly twenty working days, every one in the race should put forth their best efforts and secure as many subscriptions as possible as from now on you will experience keen competition and it will be a case of the "early bird," etc. So keep in close touch with your friends and keep them posted as to your standing so they can figure your

**New Chaperone Candidates Enter Contest.**

Mrs. H. L. Gibbs and Mrs. Gue, two new chaperone candidates, entered the race yesterday and from all indications entered determined to win the free trip to Los Angeles that will be awarded the candidate who secures the largest number of votes before the night of February 8. Both ladies are very well known in Eugene, where they have a host of warm personal friends who will not hesitate to support these ladies if they make their wants known. Up to the present time no one chaperone candidate has a decided advantage over her competitor, but a great many changes can be looked for before the end of this week, as the best special offer of votes will cut a big figure in the standings.

**The Way Prizes Will Be Awarded**

Capital prize—Grand upright piano, valued at \$350, will be given to the young lady who secures the most votes of any candidate in the contest, irrespective of the district she may represent.

First prize to each district—To the four young ladies who finish with the largest number of votes to their credit in each of the four districts, after the capital prize has been awarded, will be given a first-class free trip to Los Angeles and return, including the very best hotel accommodations for one week while in the city of Los Angeles, under the escort of a chaperone, who will be a resident of Lane county.

Second prize in each district—Then to the four young ladies who finish with the second largest number of votes in each of the four districts, after the capital and first prizes have been awarded, will receive a six-months' full course scholarship at the Eugene Business College, one of the best educational institutions in the state of Oregon.

Lane county will be divided into four districts, to which each will be awarded at least two of the prizes and one of the four districts will receive three of the prizes, including the grand upright piano.

District No. 1.—Includes all of the city of Eugene.

### FRANKLIN ITEMS

(Special Correspondence.) Franklin, Jan. 16.—A fine winter we are having, being the middle of January, and no snow.

All of Smithfield and the adjoining neighbors were out to the charvari Monday night.

Henry Herbert, who was out hunting Monday near Franklin, and was supposed to have been lost or shot, was found late in the evening.

The dance at L. L. Smeal's was fine. Tell Fred that the floor won't be so slick the next time.

The neighbors spent a pleasant evening at Chas. Lemley's Monday night, there being enough present to dance. Those in attendance were as follows: Mr. and Mrs. Charles Lemley, Mr. and Mrs. J. A. Herbert and mother, Mr. and Mrs. Ben Bamford, John Bamford, W. P. Bryan, Martin Grimsley, Miss Melvina Herbert, Miss Emma Richardson, Jesse, Henry and Roy Herbert.

Most every one you see and some you don't see nowadays complain of a bad cold.

### A SIMPLE QUESTION

Eugene People Are Requested to Honestly Answer This.

Is not the word of a representative citizen of Eugene more convincing than the doubtful utterance of people living everywhere else in the West? Read this:

Charles Beadle, of 333 West 8th street, Eugene, Or., says: "I am fully as ready to recommend Doan's Kidney Pills as I was in 1905. In 1905 just after using the remedy, as I said in my testimony then, I had suffered from kidney complaint nearly always since the war. I never knew when to expect an attack. A cold would bring it on or any over exertion. On several occasions I was helpless. The last severe attack I had was about six months ago, when something like lumbago set in and brought on heavy bearing down pain, as if there was a weight over each kidney. I was bent over and could not straighten up to save me. There was such a weakness in the action of the kidneys that I could not control the secretions and it caused me much annoyance. Having used several remedies with little if any benefit, I finally began taking Doan's Kidney Pills. The action of the kidneys and bladder was soon corrected and then the pains and aches disappeared. I was benefited in every way and what I told in my former testimony about the relief I obtained is true in every respect. Three years have now elapsed since I testified in favor of Doan's Kidney Pills and I have been continually free from kidney complaint. I consider them a wonderful remedy and have recommended Doan's Kidney Pills again and again."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
