On last Saturday afternoon Mrs. I. M. Glen charmingly received a number of her friends in honor of her mother, Mrs. Vezie. The hostess was assisted in receiving by Mrs. John Straub, while in the dining room Mrs. F. G. G. Schmidt poured tea and the Mesdames E. E. DeCou, F. G. Young, and O. F. Stafford served light refreshments. Among those present were: the Mesdames R. S. Bryson, Lawrence Harris, Charlotte Zolner, A. Church, Richard Dearborn, James F. In the center of the table there was a bowl of these same beautiful flowers. The guests of the evening were: Dr. and Mrs. George DeBar, Prof. and Mrs. F. G. Young, Rev. and Mrs. O. C. Wright.

Mrs. John Buoy, Mrs. I. H. Birmingham and Mrs. Laura Bartle were joint hostesses on Wednesday afternoon at a Silver Tea, held at the home of Mrs. Buoy. On last Monday evening the members of the Beta Epsilon Sorority enjoyed their annual Christmas tree party. This party is never given until after vacation, owing to the rush and hurry preceding the holidays. The tree followed a dinner party at which there were covers for twenty-two. There were no invited guests. This sorority entertained

again on Friday evening in honor of their visiting guests, with an informal reception. Conversation and music, followed by refreshments, made up the evening's program.

The Thursday Afternoon Club held a business meeting yesterday afternoon at the residence of Mrs. Hoffman, to complete their plans for the Charity Ball. The ladies have decided to decorate the hall quite extensively, yet will go to very little expense in so doing. The tickets are selling well and in every way the ball gives promise of being a big success. The date of the party is January the thirty-first and the place is the Armory.

Mrs. F. W. Osburn entertained a large company of ladies on Friday afternoon in compliment to Mrs. Vezie. The hours passed pleasantly with conversation and needlework, followed by the serving of light refreshments in which the hostess was assisted by Mrs. H. C. Mahon and Miss Pauline Potter. Mrs. E. O. The Y. P. S. C. E. of the Presbyterian church met at the home of Miss Jennie Wetherbee last evening for its regular monthly business and social meeting. The business transacted was mainly in regard to the coming state C. E. convention to be held here in February. This convention is planned to be the best and most successful ever held in Oregon and no

efforts will be left undone to make it so. There will be about two hundred delegates which will have to be entertained. It was decided that the entertainment committee begin work at once as the convention is less than five weeks ahead. Business being adjourned, the evening was enjoyed with games and songs. Delicious refreshments were served.

TRY THIS MIXTURE FOR RHEUMATISM

A SIMPLE MIXTURE ANYONE CAN PREPARE—MAKES THE KIDNEYS FILTER OUT ACIDS.

Recent hospital reports show that the dread disease, rheumatism, is steadily increasing throughout the country. All known means of relief are being suggested to save the great amount of suffering this winter, especially among those who are not in a position to pack up and visit the noted health resorts to be treated. Recent tests prove rheumatism not exactly a test in itself, but a severe symptom of kidney trouble, a condition caused by clogged up pores of the eliminative tissues in the kidneys which fail to filter the poisonous waste matter and uric acid from the blood, permitting these substances to remain in the veins and decompose, usually settling about the joints and muscles, causing the intense pain, swelling and stiffness of rheumatism.

A well-known specialist who has probably treated more cases of rheumatism than anyone else, and who is also the most successful, gives the following simple treatment, which is harmless and inexpensive, and so simple that anybody can mix it at home. The ingredients are Fluid Extract of Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Go to any good prescription pharmacy and get these three vegetable ingredients and mix them by shaking in a bottle, taking as a dose a teaspoonful after each meal and again at bedtime.

There is nothing better in the world for backache, kidney and bladder trouble, too. Such symptoms as frequent and painful urination, soreness, weakness, general and nervous debility are caused by certain acids and poisonous waste matter, decayed tissue, etc., in the blood, which the kidneys will clear and purify after a few doses of this prescription.

A HIGHER HEALTH LEVEL "I have reached a higher health level since I began using Dr. King's New Life Pills," writes Jacob Springer, of West Franklin, Maine. "They keep my stomach, liver and bowels working just right." If these pills disappoint you on trial money will be refunded at W. A. Kuykendall's drug store, 25c.

TOMORROW IS HAUDENSCHILD'S LAST DAY HERE

The visit to this city of Evangelist Haudenschield is one that will long be remembered by scores of our citizens. He has been a valiant servant of God in proclaiming the truth as revealed in the Bible, and the teachings of that book of books are not in the form of sugar-coated pills. Many plain things have been said during the past three weeks—based upon the plain declarations found in the Word of God, and it has been some of these sharp-cutting statements that have caused many persons of middle life and older to stop and think, and turn from the sinful lives they were leading.

The evangelist has been severely criticised for some of his utterances from the pulpit, but while he is human he has been, and is being used by the Almighty in leading thousands to forsake their sinful lives and take a firm stand for God. His power over his audience is attributed to his undoubted sincerity, his deep convictions and wonderful zeal. His bold, fearless manner of presenting God's danger signals to the people and the earnestness with which he pleads for the unsaved has received divine approval, as evidenced by the results.

At the services last night the sermon, based upon the story of the prodigal son, presented a great truth in a new light and sent conviction home to many persons in the vast audience. Near the close of the service a post-corn testimony meeting was held for a few minutes, and it was impressive to listen to the utterances of scores who during the last three weeks have done the manly thing, accepted Christ as their Savior and placed themselves on the side of righteousness. Their influence will tell for good during the coming days.

There will be services tonight which no one can afford to miss. The theme will be "The Cry of the Broken Hearted," and if you want to attend the greatest service of the week, be there tonight.

Sunday will be the best day of all—the last day of the meetings. Program for the day: 9:30 a. m., old-fashioned class meeting and love feast, a jubilee service; 10:30 a. m., sermon on "The Heart Cry"; 3 p. m., sermon, "The Presence of God"; 7:30 p. m., "The Last Opportunity." Music led by great chorus and orchestra all day. Don't miss a single service Sunday, or you will be sorry. You'll need to come early to get a seat.

Investors will double their money in two years if they buy lots or acre tracts in the Blair street addition. The city must build in that direction.
