Editor J. M. Bosh is ill and it is feared he is threatened with appendicitis.

The city council has caused the old sidewalk in front of the hall to be torn up and are having it replaced with a ten-foot cement walk.

John Kestley is giving his hotel building a thorough overhauling, and we are led to believe that he is going back into business with "John" as landlord.

Died—Saturday, January 11, June, the little seven-months-old daughter of Mr. and Mrs. George Perkins. The distressed parents have the sympathy of the entire community.

In the Eugene Guard contest Miss Effie Withrow is making a splendid run. Miss Withrow is the obliging manager of the central telephone office and is deserving of assistance from every one who desires to subscribe for The Guard.

J. L. Clark has branched out in the poultry, hay and feed business, having leased the corner store formerly occupied by the Elk restaurant. As there is no business of the kind represented here Jim should do well.

Harry M. Stewart will move his stock of goods from his present quarters to the new J. O. O. F. building about the middle of next week, as the plate glass front will be put in by that time and everything will be in readiness for its occupancy.

Frank Whiteman, of the Springfield Provision Company, left last Saturday for a long trip to Beckelwade, England, accompanied by his brother Charles, who has been ill for the past year. The duration of Mr. Whiteman's trip will probably extend over three months.

The Springfield hotel is closed for the time being, or at least is not serving meals. Mr. Kestley is making some improvements to the interior of the building, and when they are finished the house will be again open to the public under first-class management.

Ed Bullock and family took their departure Tuesday morning via Forest Grove for Caldwell, Idaho, where they will locate permanently. Mr. Bullock has been engaged at the Booth-Kelly mill for the past year, but when the mill closed down he was one of the unfortunate ones to be let out and as he had a good position offered him in Caldwell he decided to accept it.—News.

THE VALUE OF PERSONAL KNOWLEDGE. Personal knowledge is the winning factor in the culminating contests of this competitive age and when of ample character it places its fortunate possessor in the front ranks of The Well Informed of the World. A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort. A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonnable claims are made. This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.
