WOMAN'S BACKACHE

The back is the mainspring of woman's organism. It quickly calls attention to trouble by aching. It tells, with other symptoms, such as nervousness, headache, pains in the loins, weight in the lower part of the body, that a woman's feminine organism needs immediate attention.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Mrs. Will Young, of 6 Columbia Ave., Rockland, Me., says: "I was troubled for a long time with dreadful backaches and a pain in my side, and was miserable in every way. I doctored until I was discouraged and thought I would never get well. I read what Lydia E. Pinkham's Vegetable Compound had done for others and decided to try it; after taking three bottles I can truly say that I never felt so well in my life."

Mrs. Augustus Lyon, of East Earl, Pa., writes to Mrs. Pinkham: "I had very severe backaches, and pressing-down pains. I could not sleep, and had no appetite. Lydia E. Pinkham's Vegetable Compound cured me and made me feel like a new woman."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

STIRRING SERMON

BY DR. MARTIN

One of the grandest sermons since the revival began was delivered last night at the Christian church.

Never will it be erased from memory's pages—those unanswerable arguments, those thrilling statements, those vivid scenes which Dr. Martin set forth. Often every one was held in eager suspense and after his departure at what seemed the unavoidable, yet at the same time looking for a way of escape. At such a time the doctor would come to the rescue and with the hands of love and sympathy lead his hearers along the way of perfect reason back to the indestructible fortress of truth.

The subject for tonight will be "The Unpardonable Sin." Come and hear the sermon, for it will do you good.

Nearly every seat was taken last night before 7:30. Beyond a doubt it will be so tonight. So come before that time and secure a good seat. Splendid singing, led by Professor Davis, beginning at the usual time, 7:30.

KICK AGAINST LANE COUNTY COYOTE HUNTERS

Monroe, Or., Jan. 20.—There are several sore spots in this vicinity on account of the way the coyote hunters of Lane county are operating.

The hunters are started in that county, chased across Housh mountains into Benton county, and frequently the trail is lost on this side of the hill, so that the sheep killer is left to ply his trade among the bands owned here. Since there are no dogs to chase these animals, it works a hardship on the Benton ranchers. Hence steps are being taken for a donation of a fund sufficient to secure the destruction of coyotes in this part of the county.

DEMOCRATS ARE ALL FOR BRYAN FOR PRESIDENT

Portland, Or., Jan. 20.—Central committees from all the counties of the state except Columbia, Coos, Crook, Grant, Klamath, Lake, Lincoln, Tillamook, Union and Wallowa, gathered at the Imperial yesterday at 2 o'clock in answer to the call issued by State Chairman Sweek some time ago. The deliberations of the organization were short, but things were doing while the session was on.

Perhaps the most important action taken was the endorsement of Bryan as the choice of the Oregon Democrats for the next presidential candidate. Senator Milt Miller was the one who brought up the question, and in a short speech brimming with enthusiasm he asked that the committee give its indorsement to the famous Nebraskaan. Senator Miller intended that the fortunes of the Democratic party were on the flood tide and he predicted a presidential victory for the party in November.

The state convention will be held in Portland June 16 and will be composed of some 215 delegates. The basis of representation was fixed by the committee at one regular delegate from each county and one delegate at large for each 250 votes cast for Chamberlain at the last election.

The manner of electing delegates to the state convention was left to the different party county organizations. The ratio of representation will give the different counties throughout the state representation in the convention approximately as follows:

Baker county, 16 delegates; Benton, 5; Clackamas, 9; Clatsop, 6; Columbia, 4; Coos, 5; Crook, 4; Curry, 2; Douglas, 5; Gilliam, 3; Grant, 4; Harney, 3; Jackson, 7; Josephine, 4; Klamath, 3; Lake, 3; Lane, 11; Lincoln, 3; Linn, 10; Malheur, 4; Marion, 13; Morrow, 3; Multnomah, 38; Polk, 6; Sherman, 3; Tillamook, 3; Umatilla, 8; Union, 7; Wallowa, 4; Wasco, 7; Washington, 7; Wheeler, 3; Yamhill, 7.

Republican Plans

It is not probable that the Republicans will follow the example of the Democrats who have decided to hold a state convention for the purpose of selecting delegates to their national convention held in New York. It is arranged for nominating presidential electors. Chairman Westgate, of the Republican organization, reports that the sentiment among the committee-men, so far as he has been advised, favors holding a state convention after the general primary election in April. The method of securing delegates to the national convention and naming presidential electors remains to be determined by the committee-men when they have assembled.

AMUSEMENTS

An opportunity will be given local playgoers to witness the best popular priced organization in the West, Oliver J. Eckhardt's Eastern company, "Eckhardt's Ideals," the only repertoire company with an established reputation from the Mississippi river to the Pacific coast. This company

SCENE FROM THE VILLAGE SCHOOLMASTER, AT EUGENE THEATRE WEDNESDAY, JAN. 22

is very popular on the coast, this being their fifth annual tour. Mr. Eckhardt has the exclusive Western rights to a number of new productions to the West this season, and judging from reports received a stronger company and better line of plays than ever. Something new in the way of vaudeville specialties is also promised our local playgoers.

The "Ideals" are booked at the Eugene theatre for four nights, commencing Wednesday, January 22, opening with the pastoral comedy drama, "The Village Schoolmaster." Reserved seats are now on sale.

When Frederick Ranken and A. Baldwin Sloane created the new fanciful farce, "The Gingerbread Man," they also created a new character in the mythical child world, Mrs. Santa Claus. In the play this character is portrayed in a spirit of delicious burlesque by Ross Snow, who has been seen as the fairy queen, dowager and feminine absurdities for a number of years. He is an awkward, stumbling, good-humored, comical Mrs. Santa, backed by a chorus of pretty girls dressed as good fairies, Marshmallow and Doughnut, the two sons of the Santa Claus family, cause these motherly considerations trouble and furnish most of the genuine fun. Jack Horner, The Man From Our Town, Sallie Lunn, Margery Daw, Simple Simon and other friends of our childhood help to round out an enjoyable entertainment. "The Gingerbread Man" will be an early attraction here.
