This woman says that sick women should not fail to try Lydia E. Pinkham's Vegetable Compound as she did.

Mrs. A. Gregory, of 2355 Lawrence St., Denver, Col., writes to Mrs. Pinkham:

"I was practically an invalid for six years, on account of female troubles. I underwent an operation by the doctor's advice, but in a few months I was worse than before. A friend advised Lydia E. Pinkham's Vegetable Compound and it restored me to perfect health, such as I have not enjoyed in many years. Any woman suffering as I did with backache, bearing-down pains, and periodic pains, should not fail to use Lydia E. Pinkham's Vegetable Compound."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

PORTLAND MARKET REPORT

Portland, Or., Jan. 23.—Trade in poultry continues dull and there is sumpelon, while receipts are not so liberal acmording to the trade. Along the street today the best stock is selling at 9 and 9½ cents a pound.

Dressed hogs are in rather liberal supply at this time, and the market is rather slow and dragging, but not thoroughly weak. The top today seems to be 7 cents a pound.

Brief Notes of the Trade.

Wheat market is holding steady at unchanged figures, despite the recently cut figures abroad. There is nothing doing in export flour at the moment. Local trade fair.

Potatoes are not very active, although a sale or two is reported for the Southwest. General purchases at country points range around 60 cents per 100 pounds. Takes something select to bring higher figure.

Onions remain firm, with dealers paying from $1.90 to $2.10 per 100 pounds. Price on the street is $2.50 for the best.

Hop movement continues heavy at low figures. Sales at this time range between 5 and 6 cents a pound. Demand just now mostly in medium to prime quality.

Portland Livestock Market.

Excepting for hogs the local livestock marke tis still strong. Hogs are slightly less firm tha nfor some time past. Quotations, unchanged, are:

Cattle—Best steers, $3.75@$4.25; medium, $3,25@$3.75; fair to medium cows, $2.50@$2.75; bulls, $1.50@$2.25; calves, $3.75@$4.25.

Sheep—Good sheared, $4.25@$4.75; full wool, $4.50@$5.00; lambs, $4.50@$5.25.

SCENE IN ACT I FROM "DORA THORNE," AT THEATRE JAN. 24TH

small prospect for any improvement before the end of the week. Receipts yesterday and today were light but at the same time the demand generally was far from strong, indicating that at the time of the recent slump retailers stocked up in a large way. For hens and chickens the prices are the same as yesterday. Dressed turkeys are weaker, quoted at 16 to 17 cents, while livestock is hardly wanted at all. Ducks move in a slow way, and there is practically no demand for geese. Eggs are weak and lower, quotations for ranch stock being 25 to 27 cents.

Hops Damaged by Mildew

Local hop dealers have within the past few days received man, reports of damage done to hops by mould in the various districts of the valley, and the holders of stocks that are in danger through improper storing are urged to investigate the condition of their hops without delay. Otherwise it is feared that large holdings in some quarters may in time become so affected that they will not be salable. The mold is said to be largely due to the mild, moist weather that has prevailed thus far this winter.

Low-Grade Apples Scarce

A feature of the local apple market is the comparatively small size of stocks of inferior fruit now offered. Up to very recently a large part of the fruit in the market ranged from inferior to commo nstuff, with the better grades of apples in rather light supply. The situation is now reversed, the inferior stuff having been largely worked off. Prices are of course higher and the market is steadily stiffening. Among the leading sorts offered today are Arkansas Blacks, Newton Pippins, Black Twigs, Rome beauties, Jonathans, Spitzenbergs and Winesaps. Prices for good quality fruit run generally from $1.50 to $2.50 a box.

Celery Plentiful but Firm.

Levy & Soleel and McEwen and Keakey are in receipt of a carload of Southern California celery today, the entire shipment being of first quality. Prices quoted are $3.50 to $4 a crate. Stocks of celery in the Front street market generally are of fair size, and prices are well maintained. Other vegetables are in moderate supply and prices for the most part the same as for several days past. Two cars of oranges and one of sweet potatoes came in today. Sweets are firm at $3.25 to $3.50 per pendred.

Dressed Veal Is Very Firm.

A very firm tone is ruling in the dressed veal market along Front street. With the weather cooler there is an increase in demand and con-

THE REVIVAL AT THE CHRISTIAN CHURCH

At the Christian church last evening there was assembled a vast audience to hear Dr. S. M. Martin. The sermon was indeed a power and an inspiration. The Old Jerusalem Gospel is by no means a thing of the past, and any fair minded person who heard Dr. Martin can readily realize he was hearing a consecrated minister of the Word of Life preach the blessed Evangel in its simplicity and love.

So intense was the interest manifested by the audience that during long intervals every mind was held in suspense to the message so impressively delivered.

This evangelist is one among few who have the courage to meet the world fair and square with heaven's truth. He can do this only because he places the Bible between himself and the world. Thereby he intrenches behind the mighty breastwork of God which quenches all the fiery darts of the wicked, and from which breastwork is sent the mighty sword of conquest.

When the world awakes to a realization of the fact that its own efforts to destroy the Bible truths are unavailing, it will then be in a condition to know that the real place of safety and power lies before it, and hence its only hope is in its unconditional surrender. Then the world can, in peace, march into that refuge—not around the rampart or over it—by way of the door which is Christ. Then after such submission the once former world of sin will not be such but instead will be the fruitage of "peace on earth, good will toward men."

Listen! If possible let nothing keep you from attending the services this evening. You are promised one of the greatest sermons you are privileged to enjoy. The subject is "Love's Triumph."

Excellent singing under the leadership of Professor Davis, beginning at 7:30.

DISTRIBUTING TIES FOR ELECTRIC ROAD

Albany Herald: A. Welch, of the Willamette Valley Company, was in town last night, but left this morning for Portland. Mr. Welch says the electric road from Salem to Albany is now under way and the work will be rushed as fast as possible. Mr. Welch says:

"We are now distributing ties between this city and Salem, and expect to do much work this summer. The connecting line between Albany and Salem will be taken up as soon as we can get to it."

THOUSANDS CURED.

Wonderful Success of Hyomei in Curing Catarrh, Even in Chronic Stages.

Hyomei is the most unusual remedy ever known for the cure of catarrh.

It follows Nature in her method of treating diseases of the respiratory organs, as its healing balsams are taken in with the air you breathe, thus reaching the most remote air cells in the nose, throat and lungs, killing all catarrhal germs and preventing their growth.

Use Hyomei at the first symptoms of catarrh. Do not allow the disease to extend along the delicate mucous membrane, gradually going from the nose to the throat, thence into the bronchial tubes, and then onward and downward until the lungs are reached. Hyomei will cure all curable forms and stages of catarrh. Hull Drug Co. take the whole risk, and offer to refund the money for a dollar outfit if it fails to cure.
