### AUDIENCE WAS HIGHLY PLEASSED

It was a very well pleased audience that went away from the First Baptist church last night.

Yosemite and Shasta and Hood are grand and impressive, but after all the things that are dearest to the real heart of humanity are the so-called common, everyday experiences of those things that cling to the life of fields and farms and folks.

While the voices are all good perhaps the best one is Mr. Howard Kinsey's. It has the unusual combination of power and sweetness, careful training and back of it a very careful, painstaking interpretation of the song.

Mr. Robley must be heard to be appreciated. He has always prominent work in the quartet, but simply delights his audiences with his impersonations. A fine stage presence, a pleasing manner, a well-trained, well-modulated voice, the ability to literally transform himself into the character he enacts, makes him an exceedingly pleasing entertainer.

All the world from grandchild to the patriarch loves a story well told and tonight at the Baptist church Sobieski will tell the wonderful story of his wonderful life, the second in the series arranged by the Baran Male Quartet.

Sobieski's father was captured and imprisoned and kept in a dungeon for nine months, his family being permitted to see him the day before his execution. The mother chose liberty rather than join the Russian church and become a citizen of that country.

With her five-year-old boy, was driven out by Maximilian; went to London, where she died when her son was twelve years old. His case is American, enlisted in the United States army and served in the Civil War. Later he was a volunteer in the Mexican army. He rose to the rank of colonel, and when Maximilian surrendered he said to him: "You have driven me out of Italy; I drive you out of Mexico."

### We Hear of More Cures

Of troubles originating in impure blood, scrofula, loss of appetite, catarrh, rheumatism, by Hood's Sarsaparilla than by all other so-called remedies combined.

Scrofula Sore—"My wife had a scrofulous sore on her leg for years. Many different medicines gave but little benefit. She turned to Hood's Sarsaparilla and the sore quickly healed. It is a good blood medicine." J. N. Darr, Crosby, Texas.

Afflicted 16 Years—"Hood's Sarsaparilla has cured me of scrofula, with which I have been troubled 16 years, and caused by vaccination. My little daughter had a scrofula swelling on her neck and Hood's Sarsaparilla also cured her." Mrs. Nona Brouner, Hughey, Tennessee.

Hood's Sarsaparilla is sold everywhere. In the usual liquid, or in tablet form called Sarsatabs, 100 Doses One Dollar. Prepared only by C. I. Hood Co., Lowell, Mass.

## ..It Is Prudent to Insure..

your life or your property.

Why is it not as important to insure against adversity in the future by keeping your funds in a bank account? Allow it to accumulate until a time comes when you need it badly—that is when you will appreciate its true worth. Just as the value of your life insurance increases as you grow older, so will your bank account grow as you add to it weekly or monthly. In fact, the possibilities of your bank account are limited only by your earning and saving capacity. An account with this bank is good insurance.
