Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

OUR FIRST GRAND OPERA

"Sousa's Hand Would Write It." So Says Professor Grant Chesterfield.

"America's first grand opera will be written by this hand." The "March King" was having his hand read by Grant Chesterfield. It was a bold statement to make, but it has been proven many times over and over again that Professor Chesterfield knows what he is talking about.

"Before your fifty-sixth year will have come and gone America's first grand opera shall have been written, staged and recognized." "I have had something similar to this predicted me before," said Mr. Sousa. The

great composer and director was deeply interested. "As a usual thing the lines in the left palm are more deeply accentuated than are those in the right, but in your instance the reverse is true."

"And what does this signify?"

"It is an erratic and inexplicable course nature delights in taking at times with her favorite few. The marvelous is in this line of head, and these music bulbs literally cover the palm and finger tips to bracelets." Many other things were said and pointed out, and finally an imprint of the palms was taken and from these imprints the story was typewritten and mailed Mr. Sousa.

Professor Chesterfield's parlors are at 642 Willamette street. They remain open until 9 p. m. It certainly is a mystery how Chesterfield gets his stuff from the palms, and it is said that in his clarvoyant readings he tells your name, age and date of birth. The fee asked is 50c for verbal reading.

FRUIT MEN'S EXCURSION TO HOOD RIVER

The directors of the newly organized Lane County Fruit and Vegetable Growers' Association met at the Eugene Commercial Club Saturday afternoon. About $4000 of the $5000 stock has been taken up, and today the rest was offered to growers not in the organization. There are now about 50 stockholders, and it probable that all the larger growers will join the organization.

A car of spray has been ordered for the stockholders, upon which they save from $2 to $4 a barrel. The members agree to turn over their entire crop to the association, which will charge only the expenses involved in handling it.

The Commercial Club proposed an excursion of fruit men to Hood River, where they might study the methods employed by the fruit raisers there, and the matter will be taken up at the meeting of the association. There is little doubt that a good excursion will be made up, as the directors strongly favor it and a number from the Commercial Club wish to go.

SUNDAY A GREAT DAY AT CHRISTIAN CHURCH

Yesterday was a glorious day at the Christian church. At the Bible school there were 420 present. The morning sermon was well received.

Long will be remembered the lecture to that great number of men and women at 3 p. m. There were 286 men present and their offering amounted to $16.77; there were 470 women present, and their offering was $19.16. The latter seem determined to keep the lead.

In the evening there assembled beyond a doubt the greatest audience that was ever gathered in a church in Eugene. The number was right around 800. Many stood up and there were nearly 100 others turned away because of lack of room to accommodate them.

Evidently the grandest sermon of the series thus far was delivered last evening by Dr. S. M. Martin on that exalted subject, "The Divinity of Christ." No one who missed the sermon can realize with what vividness the majesty and holiness connected with Christ was portrayed to those present. No ground whatever can be maintained other than that Christ is the divine Son of God.

At the close of the sermon the pastor, Rev. J. S. McCallum, baptized 12 persons "the same hour of the night," in harmony with Acts 16:33.

During the day 24 persons responded to the gospel invitation, thereby making the grand total about 120.

Tonight promises to bring to the people of Eugene the privilege of hearing one of the greatest sermons ever delivered. If you have never heard Dr. Martin since he has been in the city don't fail to hear him tonight on "The Second Coming of Christ and the End of the World." If you have heard him you will want to come again tonight.

The usual time of beginning is 7:30 p. m., but come much earlier and by so doing be sure of a seat. Good singing at each service. Welcome.

IMPORTANT CHANGES IN STATE MILITIA

Returning from Washington yesterday, General W. E. Finzer, of the Oregon National Guard, announces many important changes which will affect the state militia, says the Portland Telegram. At the national capital he attended the conference of Pacific coast adjutant-generals with war department officials, which adjourned recently.

Among the important changes reported by General Finzer is the receipt of new rifles by the Oregon militia. Springfield rifles will be used this spring, and 100 out of a consignment of 1500 procured by General Finzer are expected to arrive in a few days for the use of marksmen who will compete in the national tournament this year. The old Krag rifles will be returned to the government.

Under authority granted him by the conference within 60 days General Finzer will begin to recruit three full companies of 85 men each, who will be detailed to serve as guardsmen of the fortifications at the mouth of the Columbia river. Washington and California will recruit seven or eight companies for the same purpose. Under an act now before congress the national guard is no longer considered as a state organization, and the armed body may be detailed on any service.

This year's encampment will be held at American Lake, near Tacoma, Wash., for nine days next August. This was decided definitely in the conference of adjutant generals from Oregon, Washington, Idaho and Montana regiments. It is probable the regular army and troops from Colorado and Utah will also participate.

General Finzer conferred with the navy department to establish a rifle range in Portland for man-of'warsmen, but no decision was reached, no site having as yet been obtained.

DIED.

At Springfield this morning at 4 o'clock from consumption, W. C. Renwick, aged about 45 years. He was formerly engaged in the livery business there with John Winzenried, and was a well-known citizen of Lane county. The funeral will be held Wednesday.
