

BLOOD POISON

HUMILIATING-VILE-DESTRUCTIVE

The first symptom of Contagious Blood Poison is usually a little sore or ulcer, which is quickly followed by a red rash on the skin, swollen glands in the groin, falling hair, ulcerated mouth and throat, and often copper colored spots on different parts of the body. As the blood becomes more fully contaminated with the poison, pustular eruptions and sores break out on the face, and in extreme cases the nerves and bones are attacked and the finger nails drop off. Then the sufferers find themselves diseased from head to foot with this humiliating, vile and destructive poison. No other disease is so highly contagious; many an innocent person has been inoculated by handling the clothing or using the toilet articles of an infected person. There is but one certain, reliable cure for Contagious Blood Poison, and that is S. S. S. It attacks the disease in the right way by going down into the circulation, and neutralizing and forcing out every particle of the poison. It makes the blood pure and rich, tones up the system, and completely and permanently cures this disease. S. S. S. has cured thousands of cases of Contagious Blood Poison. If you are suffering with this debasing and destructive disease begin the use of S. S. S. and get the

poison out of your blood before it permanently wrecks your health. We have a home treatment book on the disease which we will send free to all who wish it, and in addition our physicians will give without charge any medical advice needed. THE SWIFT SPECIFIC CO., ATLANTA, GA.

MADE HIS BOY DIG FOR GOLD

GALETON, WHO MADE APPLICATION TO HAVE SON TURNED OVER TO JUVENILE COURT, IS A SPIRITUALIST.

In speaking of the application of S. G. Galeton, of Florence, to have his small son turned over to the juvenile court, the Florence West of last week says:
Saul G. Galeton came here early last fall from Colorado, we believe, and a few weeks later his son arrived and went to work with his father at the sawmill here. When the mill shut down they were out of work, and as the story goes here, the father, who is a spiritualist, set the boy digging at a certain place for gold, which he believed had been buried there by some one. The boy's faith was evidently weak, and after a time he refused to dig and ran away. Hence the above.

AMUSEMENTS

"The cleanest, cut, cleverest, and by all means the most entrancing of all musical comedies," is the way in which some authoritative critics speak of "The Gingerbread Man," the new and successful musical comedy fantasia, by Ranken and Sloane, which comes to the Eugene theatre on Thursday, January 30. The cast is an all star one, with such names as Evelyn Frances Kellogg, Ross Snow, Mabel Day, Garrick Major, Nellie Nice, Fred Nice, Annie Dressler, Jas. McElhern, Fannie Hartine, Lulu Vroman, Percy Matson, Bert Lovey and Frank Mansfield as a part of the complement. The scenic environment is on an unusually massive scale, while the costumes and chorus has already become famous. The chief characters in "The Gingerbread Man" are old friends of theatre-goers, and amongst these friends are Simple Simon, Peter Piper, Margery Daw and Kris Kringle. The original Liberty theatre, New York city production, where it enjoyed a long and successful run, will be presented.

EUGENE PROPERTY WILL GROW VALUABLE

Blair street addition property is sure to double in value within the next two years. Two electric railroads are coming up the valley from Portland and both of them must enter the city from the west, and the line that will tap the Siuslaw country can not go out in any other direction. As sure as water runs down hill Eugene must build down the valley—because the business is there.

There are both acreage tracts and large lots in this addition, only a mile from the business center, and three blocks from the Geary public school.

Prices are very reasonable and you may make your own terms, a small payment down and monthly installments if you desire.

See the Oregon Land Co. at 412 Willamette street, or write them for particulars and prices.

NORMAL SCHOOL OFFERS SPECIAL OPPORTUNITIES

The Southern Oregon State Normal school at Ashland offers special opportunities for teachers to review for the teachers' examinations in February and August, and to take work in pedagogy and special methods in teaching the various grades of the training school. Since the public schools of Oregon are calling for teachers who can teach manual training, many are taking advantage of the industrial work lately installed in the school. Expenses of board and lodging and tuition nominal.

SUIT BROUGHT AGAINST GREAT RAILROAD KING

(Continued from Page One.)

is in direct violation of the Sherman act.

"The department regards the suit as of the first importance as it is sought by means thereof to break up the substantial monopoly of the transportation business of the country between the Missouri river on the east and the entire Pacific coast, south of Portland, on the west. Aside from the railway companies above mentioned, the other defendant in the suit is the Farmers' Loan & Trust company of New York, which is the depository of all the stock of the San Pedro road under a contract by which it is required to give proxies to such persons as may be named by Mr. Harriman and Mr. Clark for a period of years.

There are also individual defendants who are alleged to have conceived and carried out the conspiracy complained of, to-wit: E. H. Harriman, Jacob H. Schiff, Otto H. Kahn, James Stillman, Henry C. Frick, Henry S. Frik, Henry H. Rogers, and William A. Clark."

While naming the individual defendants, the statement makes no mention of any intentions to prosecute any of these officials personally in any criminal proceedings.

CHRISMAN AND KEENEY FILE PETITIONS

County Judge Gabriel R. Chrisman and County Assessor Benjamin F. Keenev both filed their petitions for renomination on the Republican ticket Saturday afternoon. There is a blank in the petition for a brief platform of the candidate, but neither Mr. Chrisman or Mr. Keenev filled in the blank.

E. E. Brodie, a former Albany printer, has bought the Oregon City Enterprise.

Investors will double their money in two years if they buy lots or acre tracts in the Blair street addition. The city must build in that direction.
