

PERUNA EDITORIAL NO. I.

The Hartman is now offering Peruna to the public as a regular pharmaceutical product. It is just as ethical as any compound put up for the medical profession. No straining of medical ethics can find any fault with it. THE ESSENTIAL ACTIVE INGREDIENTS are prominently incorporated in the formula on the bottle, that the people may know that the claims made for Peruna are a true justification.

The only departure we shall make from medical ethics in the conduct of our affairs in the future, is the fact that we shall continue to advertise and sell our product TO THE PEOPLE.

If we would agree to sell to doctors only, to advertise for doctors only, and to let the medical fraternity would be obliged to recognize Peruna as being a medicine within their approval.

DO NOT WE SHALL NOT DO THIS.

We shall continue to offer Peruna to the people. We shall continue to supply the people with free literature, teaching them how to use medicine, teaching them how to avoid disease, teaching them many things that will be of benefit to the home. We shall continue to do this, whether the medical profession like it or not.

We are proposing from this time on to take the public into our confidence, and we are proposing that some imitators and substitutes will be attempting to do something which they consider just as good as Peruna, we are going to raise the veil of secrecy and allow any one who chooses to know exactly what PERUNA IS COMPOSED.

This ought to disarm all honest criticism. We expect, however, that critics will continue. On some pretext or other those who are envious of the success of Peruna will continue to find fault. But we are determined to give such people no just complaint. PERUNA IS A GREAT MEDICINE. It has become a household word in millions of homes. Our faith in the remedy is stronger than ever. Every year we expect to establish new plants all over the world are supplied with this valuable household remedy.

WE CLAIM PERUNA TO BE A CATARRH REMEDY. Buy a bottle and try it. If it helps you, be honest and acknowledge that it has helped you. If you want us to we will publish your statement exactly as you furnish it. We will add no words, take away no words. If you wish us to we will place your portrait in connection with it. We will not do this without your request, without your entire consent.

Peruna has cured thousands of people of chronic catarrh, in many places. At least, that is what the people say to us, through unsolicited testimonials. Peruna will cure many thousand more, in spite of fabricated statements to the contrary.

WE GUARANTEE EVERY BOTTLE OF PERUNA TO CONTAIN THE INGREDIENTS PRINTED ON THE LABEL.

We guarantee that every testimonial we use is absolutely true—in the language of the testifier.

We guarantee that every photograph published is the photograph of the person whose name it bears, that every word of every testimonial was authorized by the hand that signed it.

We are determined to beat our opponents by being fairer than they are, being squarer than they dare to. We are determined to meet falsehood with truth, duplicity with candor, insincerity with sincerity.

We know that the users of Peruna will appreciate our stand. We believe the dealers in Peruna will applaud our course. We expect even our opponents will be obliged to acknowledge finally that Peruna is not only an effective and useful remedy, but one of the GREATEST HOUSEHOLD MEDICINES ON THE CONTINENT.

UNITY BALL A SPLENDID SUCCESS

The charity ball given in the arena last night was a success from every point of view. The attendance was large, the music was splendid and the floor in its usual excellent condition. At exactly 9 o'clock the ball was started, led by Judge and Mrs. J. R. Foster, who started and after that through the various evolutions of the march the formation was brought about the dancers began the two-step. After this number the regular program was begun, and it was continued all the hour of 12. There were many elaborate costumes worn and they presented a pretty picture with the sombre black dress

suits of the gentlemen as a background. Light punch was served in one corner of the ample pavilion. The decorations, while not elaborate, were beautiful and exhibited the taste of the decorating committee.

IS CLAIMED GOOD FOR IMPURE BLOOD

Good Home Made Mixture Said to Make kidneys filter out Impurities and is Easily Mixed.

All medical authorities are agreed that the blood is the great source of disease or health in the human system. If the blood is pure the individual is strong and healthy. If the blood is impure or diseased, then there is sickness or decay in the whole system.

Rheumatism is strictly a blood disease. It is caused by excessive uric acid. Sores, pimples, etc., mean bad blood. Catarrhal affections must be treated through the blood to get permanent results. To get well, to feel strong, hearty and vigorous one must have good clean blood and lots of it. You can't clean the blood thoroughly unless the kidneys are made active. Bad blood means clogged, inactive kidneys and liver which causes, too, such symptoms as headache, nervousness, bladder and urinary difficulties and other sympathetic troubles.

Here is a simple home remedy and the recipe for making it up as follows:

Fluid Extract Dandelion, one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime. The ingredients can be obtained at any good prescription pharmacy at small cost.

Here the readers of this paper have a simple, yet powerful and effective remedy for all forms of blood kidney and bladder diseases which should relieve rheumatism and catarrhal affections and replace that weak, worn-out indifferent feeling with strength, vigor and health.

IT DOES THE BUSINESS

Mr. E. E. Chamberlain, of Clinton, Me., says of Bucklen's Arnica Salve: "It does the business; I have used it for piles and cured them. Used it for chapped hands and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25 cents at W. A. Eyrkendale's drug store.

S. W. B. Haynes, the barber, will move his shop Monday from the Hodes building to his old location in the McFarland building on West 8th street, next door to Finnegan's blacksmith shop. Patrons will please take notice.

The long indoor life of winter makes the blood weak, and the system easily catches cold and disease. Hollister's Rocky Mountain Tea is the greatest winter remedy; prevents colds and disease, keeps you well all winter. 35c. Tea or Tablets.
