

# FACTS FOR SICK WOMEN

**LYDIA E. PINKHAM**

No other medicine has been so successful in relieving the suffering of women or received so many genuine testimonials as has Lydia E. Pinkham's Vegetable Compound. In every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound. Almost every one you meet has either been benefited by it, or has friends who have.

In the Pinkham Laboratory at Lynn, Mass., any woman any day may see the files containing over one million one hundred thousand letters from women seeking health, and here are the letters in which they openly state over their own signatures that they were cured by Lydia E. Pinkham's Vegetable Compound. Lydia E. Pinkham's Vegetable Compound has saved many women from surgical operations.

Lydia E. Pinkham's Vegetable Compound is made from roots and herbs, without drugs, and is wholesome and harmless.

The reason why Lydia E. Pinkham's Vegetable Compound is so successful is because it contains ingredients which act directly upon the feminine organism, restoring it to a healthy normal condition.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

The Guard's popular ladies' voting contest which has been in progress for the past seven weeks has so far surpassed our expectations that it was decided to award additional prizes to chaperone and candidates who finish with the largest number of votes after the piano, trip and scholarship prizes have been awarded. To the chaperone candidate who after the Los Angeles prize trip has been awarded finishes with the largest number of votes to her credit will receive a White sewing machine, rotary movement, valued at \$70. This machine is strictly first class in every respect and is reputed to be one of the best manufactured. This will go as a CONSOLATION PRIZE to the chaperone candidate who finishes in second place after the last count of votes.

To the two candidates who finish with the largest number of votes, irrespective of districts, after the grand upright Kimball piano, the vacation trips to Los Angeles and the scholarship prizes have been awarded we will give two free trips to Newport, Oregon, both ways, at any time during the summer months, and first class hotel accommodations for one week while there. Newport is one of the most popular summer resorts in the state and candidates who wish to be announced as a winner of either the ten original prizes of these CONSOLATION PRIZES should not lose hope but do their utmost this coming week, with the thought in mind that if you are not fortunate enough to win one of the original prizes that you will receive some compensation for the efforts put forth during the contest.

Chaperone candidates as well as others should start next week with fresh hope and determination, for it is almost certain that the ones who do will receive a reward in the form of a rotary White Improved sewing machine, valued at \$70, or a vacation trip to Oregon's famous summer resort.

Don't Overlook Vote Coupon Published Below.

The coupons published below when filled in and sent or mailed to the contest department are good for SIX VOTES.

These coupons must be mailed before Next Friday, February 7th, date of expiration, or they will be void. Single coupons which have appeared daily will be eliminated from now on, in order to facilitate the count of votes on the last night of the contest.

The results of next week's work will determine the winners of the grand upright Kimball piano, the five vacation trips to Los Angeles and return and the six months' full course scholarships. How are your chances to win? Have you created a reserve force large enough to tide you over next Saturday night?

These questions are of vital importance and should be weighed carefully if you wish your name announced with the lucky ten on the last night of the contest.

Quite a number of contestants have reserve forces, but none large enough to warrant them retaining a candidate apparently out of the race may pull just enough to win the prize you have worked so industriously for.

Don't let this be the case. Make up your mind this moment to make every day count toward the final achievement, for it may be that the votes secured by active work this coming week will place your name beyond the reach of your competitor's on the last night. It can be done. People who subscribed in your favor are more or less interested as to your chances to win, and if seen next week would not hesitate to make an additional payment if asked to do so.

Candidates: If you do not know where to go after orders, take your receipt book and copy a list of names and addresses of your friends who subscribed for you, and call on them, and you will be surprised at the results you will obtain.

Your friends at this particular time (the last week of the contest) if they are seen or notified as to your chance to win one of the prizes will not only but will interest their friends in your behalf, who will be on hand the last night of the contest to see that you finish with "colors flying".

All the contestants and their friends

are cordially invited to attend the closing of the voting contest next Saturday night at 10 p. m. If for some reason any candidate in the race cannot be present she should have a representative on hand to look after her interests during the closing hours. Next week will tell who the winners of the piano, the five free trips to Los Angeles and return and the scholarships will be.

The nine candidates and chaperone who on Saturday next after 10 p. m. have the largest number of votes to their credit will be the recipients of the valuable prizes.

Candidates who are desirous of accompanying the vacation party should "get busy" during the next few days. Don't think because you are a few thousand behind that you stand no chance, and don't think because you are a few thousand ahead that you have the race won.

Good active work on your part and that of your friends between now and the close of the contest is the only thing that will put your name where you wish it to be—FIRST on the list after the final count of votes.

You may hear rumors that Miss So-and-so has so many thousand votes in reserve, or that this one or that one's friends are going to do this and that. Pay no attention whatever to these, as they are usually circulated to discourage others, and have no foundation.

No one candidate in the race has a "walk away," and it's the contestants who make the best showing between one and next Saturday night that will be announced as the winners in The Guard Monday evening, February 10th.

The majority of the young ladies and chaperones in the race have done very good work since the start of the contest, in the form of securing prepaid subscriptions, and it does not seem right, now that the race has

is a few days to run, to lose heart. DO IT NOW—Sit down and think up a list of your friends, who have not subscribed in your favor, and ones who have subscribed for you. Go to them—you want their support now, they will be only too glad to give you an order or resubscribe, to give you the benefit of the votes. Think to yourself—they are getting value received for every cent invested, and making a saving of one dollar per year over the regular monthly rate.

If you do this and work conscientiously for the next few days it is a safe prediction your name will be listed with the winners.

**EUGENE PROPERTY WILL GROW VALUABLE**

Blair street addition property is sure to double in value within the next two years. Two electric railroads are coming up the valley from Portland and both of them must enter the city from the west, and the line that will tap the Sluslaw country can not go out in any other direction. As sure as water runs down hill, Eugene must build down the valley—because the business is there.

There are both acreage tracts and large lots in this addition, only a mile from the business center and three blocks from the Geary public school.

Prices are very reasonable and you may make your own terms, a small payment down and monthly installments if you desire.

See the Oregon Land Co. at 412 Williamette street, or write them for particulars and prices.

**TO WHOM IT MAY CONCERN**

The question has often been asked, can there be good water secured in the Gross addition? We say, yes. G. W. Taylor, the well driller, has just informed the company that he has completed two wells of excellent water in said addition at a depth of 65 feet.
