COMMERCIAL CLUB BOARD DISCUSSES MANY MATTERS

THREE HUNDRED DOLLARS APPROPRIATED FOR ADVERTISING EUGENE IN EASTERN NEWSPAPERS - DECORATIONS FOR COMING CHRISTIAN ENDEAVOR CONVENTION

The board of governors of the Commercial Club met last evening, all being present except Mr. Friendly, who was in Portland.

The matter of participating in the Rose Festival at Portland was further discussed and correspondence on the subject was read and considered.

It was decided to select the evening of February 17 for the proposed visit of the Cottage Grove Commercial Club to Eugene.

Attention was called to the fact that of the \$137.50 expended since the promotion work started all but \$29.75 was spent here, thereby really turning the money subscribed right back into the community that gives it.

Plans for advertising in Eastern city newspapers and in Eastern trade papers were submitted, and the sum of \$300 appropriated for that purpose, final details to be submitted at the next meeting of the board. This advertising will be done now, while the East is wrapped in snow and ice and before the tourist rate takes effect.

An invitation from the Salem board of trade to send delegates to a love feast and commercial reunion on February 18 was acted on favorably and the manager instructed to attend, while at the general meeting of the club five more delegates will be selected.

The coming Christian Endeavor state convention was discussed, and also the need of proper decorations of our main streets; this matter was ordered taken up with the Merchants' Protective Association, as coming directly in their line.

time one or more blooded chickens being taken.

On Friday of last week a member of one of the sororities at the University inserted a classified advertisement in The Guard for the recovery of her watch, which she lost the evening before. Springfield News: In the Eugene Guard's big prize voting contest for chaperone Mrs. John Spores, of R. F. D. No. 1, Springfield, heads the list with 35,824. To every one who has a vote in this contest, especially those from Springfield, should cast it for Mrs. Spores for two reasons: First, because she is one of us; second, because it is the opinion of the News that she would make the best and most desirable chaperone among the various candidates. Mrs. Spores is well known and is one of Lane county's most popular and highly respected ladies—one whom any mother could feel perfectly at ease, knowing that she is capable of chaperoning her daughter in Los Angeles or any other city. A great responsibility rests upon the one who chaperones these young ladies and it should be given to some elderly lady who thoroughly understands her position.

REVIVAL CONTINUES WITH TELLING EFFECT

Last night found a large crowd at the Christian church to hear Dr. Martin's sermon on "Safe and How to Know It." The good old gospel, with all its certainty. When a person relies upon the Scripture teaching and complies with its requirements for salvation, then such a one can with full assurance draw nigh unto God, knowing on whom he has believed, "for God cannot lie."

A "question box" is at the top. Each service you have the opportunity of asking questions for information and putting same in box and Dr. Martin will answer.

Subject for this evening, "Personal Magnetism, Its Use and Abuse."

NO NEW DEPOT FOR SOME TIME YET

Superintendent L. R. Fields and Master Mechanic T. W. Younger, of the Southern Pacific Company, were in Eugene this forenoon in Mr. Fields' private car. Mr. Fields stated to a Guard reporter at the depot just before he left on the 11:45 train that the company is not expending any money right now on improvements, and the matter of building a new depot for Eugene will not be taken up for some time yet, although, he said, it will surely come some time this spring or summer.
