A can full of real dollars

We have in our safe, in a sealed and witnessed envelope, the last line of the "Limerick" which appears below. The line has six words and ends in one rhyming with "ale." We will give a half-pound Ghirardelli's Cocoa can full of silver dollars (93) to the person who correctly supplies the missing line.

One person may send as many solutions as they wish, there is no limit. The correct answer may be sent in any form, but we prefer that it be written upon the back of a label taken from any size can of Ghirardelli's Cocoa. Answers must be mailed on or before March 15, plainly addressed to GHIRARDELLI'S CONTEST DEPARTMENT, 20 MONTGOMERY STREET, SAN FRANCISCO. Here's the "Limerick"

A sickly young student at Yale
Tried to strengthen himself upon ale,
But a wise "College Widow,"
Said, "Cut it out, Kiddo,

Ghirardelli's Cocoa

(Less Than a Cent a Cup)

Is made with scrupulous, conscientious care and old fashioned attention to cleanliness, purity, goodness and quality. No Cocoa at any price can be better or more delicious. Your grocer sells and recommends it.

PERHAPS ICE PLANT FOR SPRINGFIELD

J. T. TUFFS MAY RETURN THERE AND BUILD FACTORY—OTHER NEWS NOTES

B. A. Washburn informed a News reporter when interviewed regarding his candidacy for re-election to the legislature that he had fully decided not to be a candidate for re-election. Gus has many friends here who will be sorry to learn that he will not be a candidate.

The News has been informed that our former townsman, J. T. Tuffs, who was at one time superintendent of the Booth-Kelly mill at this place, will return to Springfield in the near future and erect a large ice plant and cold storage building. Mr. Tuffs has been talking of this venture for some time, but owing to his interests at Grants Pass has been unable to carry out his plans in this city.

The cement sidewalk builders have certainly had a siege of hard luck the past week. Last week considerably over one hundred feet of walk was laid and it had not thoroughly dried before the freeze came. The heavy frosts and two days of freezing weather completely ruined all the work done within the past week. The contractors are now busy digging up the cement work and rebuilding.—News.
