AMUSEMENTS

"Parsifal," that beautiful and impressive masterpiece of one of the world's greatest men, of soulful, forceful, magnificent conception, Richard Wagner, will be produced for the first time in Eugene at the Eugene theatre Saturday, February 15th.

A feature of the performance of Parsifal which patrons should bear in mind is the unusual hour of commencement. The curtain will rise promptly at 7:45, and auditors should be in their seats at this time, as the darkened auditorium will prevent seating any one during the action of the play, and late comers will be required to stand until the conclusion of the first act, which requires 45 minutes for each interpretation.

IF WOMEN ONLY KNEW.

What a Heap of Happiness It Would Bring to Their Homes.

Hard to do housework with an aching back. Bring you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains come from sick kidneys.

"Would save much needless woe. Doan's Kidney Pills cure sick kidneys.

Eugene people endorse this: Mrs. S. Y. Abbott of 484 Pearl St., Eugene, Ore., says: "Last winter I was taken down with a bad spell of sickness and kidney complaint. There was hardly ever a time when I could not attend to housework but this time I was completely laid up. My back was so weak I could scarcely move without pain. I started doctoring and took several prescriptions but without much benefit as far as I could see. Doan's Kidney Pills were recommended to me and I got a box. I continued taking the remedy and the pains and weakness left me. My kidneys seemed to gain strength until I was entirely well again. I can now do my work without the least annoyance."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

DEADWOOD ITEMS

(Special Correspondence.)

Deadwood, Feb. 7.—It is reported that the Hazelwood creamery representatives will be at Alpha the 4th to see if they can get enough cream to justify them to run a wagon. No doubt they will make it all right. It is hoped by the neighborhood that they will at any rate.

Born, at the home of O. Wilcutt, of Greenleaf, to the wife of C. Wilcutt, February 1, a nine-pound girl. All doing well.

On Jan 28th a dance was given at the salmon hatchery in honor of Chas. Gettes, of Bohemia mines. All report a very pleasant time.

Allen Jay, of Blachley, is quite sick with small pox at the home of William Blachley, of that place. It would be a good thing not to let people go to and from the residence, so as to keep the disease from spreading if possible.

Mrs. Workman and daughter, from down on the river, visited at the home of Mr. and Mrs. Joe Stemmmons, also attending the dance given at the hatchery the 27th.

C. Barnett, of Deadwood, was saying "hello" to his Greenleaf friends on the 4th.

Andrew Almast, who was badly hurt at Marcola a short time ago, and who was taken to the Portland hospital, came home a few days ago and is improving nicely, which his friends are very glad to hear.

It seems queer that the Lake Creek precinct has not got enough voters to pick their judges and clerks from without going into another precinct.

It is reported that Jas. A. Burnett, who resided at this place for years, is back in Connecticut, supposed to be on a wedding trip.

THE DOCTOR OF OSTEOPATHY

What His Title Means—How He Gets It and the Peculiar Abilities Acquired in His Long Course of Training

The graduate of a recognized college of osteopathy, after a long and exhaustive study of the highest authorities in anatomy, physiology, pathology, diagnosis, therapeutics and all kindred branches, is awarded a diploma that gives him a legal right to the title of Doctor of Osteopathy.

That is the only title that he wishes, for he makes no pretense of practicing medicine, the word medicine being generally accepted as meaning drugs.

The abbreviation of the title of Doctor of Osteopathy is D. O., and the province of the D. O. is to help nature, in the human body, to right herself. He believes that drugs are not only unnecessary, but distinctly damaging, and that the body is a very perfect machine that will run along smoothly if supplied with the proper fuel (food), and if none of its parts get out of position.

Repairing the Structure. But, while the most perfect of machines, it is also the most delicate, and derangement of its parts can be brought about in scores of ways. Falls, jars, strains, undue exertions, and local contractions or relaxations due to changes in temperature, are only a few of the things that may cause trouble in this delicate mechanism. Sometimes the effects are immediately apparent, sometimes long delayed.

It is for the especial work of finding the derangement and rectifying it that the osteopathic physician is trained. He is a master mechanic, and when anything is wrong with the machine it is the master mechanic whose services should be called in. If some little part has slipped out of place, the resulting trouble may be at a distant part of the mechanism, and but the trained expert would be likely to attempt repairs in the wrong place and work further damage. But the skilled workman does nothing until he has made thorough examination and found that little part that has slipped out of place. Then his training enables him to replace it. That is the work of the osteopathic physician.

If you want an opinion as to the value of osteopathic treatment do not make the mistake of consulting any one whose whole training has been along other lines. Ask some one who has had experience with the system and knows; or, better yet, go to a good osteopath and give him the opportunity to demonstrate the thing to you.

Dr. H. L. Studley, osteopath, office over Chambers Hardware store. Phone Black 1326. Residence, 774 Ferry street. Phone Red 3197.

TWO HOMES ON MOSBY

CREEK BURN DOWN

RESIDENCES OF J. H. WHITEMAN AND GEORGE LANG DESTROYED DURING WEEK

The early part of the week two homes on Mosby creek were destroyed by fire with nearly all of their contents. The first was the home of Mr. and Mrs. J. H. Whiteman, located up the mountain about a half a mile above Taylor's mill, which was destroyed Sunday with all of its contents, including a year's provisions and much canned fruit. The origin of the fire is unknown and there was no insurance.

The following day, Monday, while Mrs. Geo. Lang was preparing dinner her home, known as the Dave Mosby, Jr., house, situated near the Mosby creek bridge, caught fire, and while her husband was plowing nearby, before he could get to the premises the fire had made such rapid progress that only a rocking chair, sewing machine and a box containing their deers were saved. Among the valuables lost was \$30 in paper currency. The loss falls heavily on both families.

Another New Brick Building. The contract for the new Stuart & Hinds two-story brick to be erected on the corner of Main and Second streets was awarded to H. J. Clark, who is building the big brick adjoining the Oregon hotel. The new brick will be 53x29 feet, will have two modern store rooms on the ground floor, while the second floor will be fitted up with lodging rooms and suites of rooms for the accommodation of the guests of the Hotel Thompson adjoining. The building will be of modern design and finish throughout, and will be a credit to our growing city. Work on the foundation has already commenced and the brickwork will follow the completion of the foundation work.—Cottage Grove Leader.

It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. WALTERVILLE ITEMS

(Special Correspondence.)

Walterville, Feb. 10.—Last Thursday Dr. Johnson was called from Walterville to attend a son of Mr. Slaven, of Leaburg, a boy of fourteen years. The doctor pronounced it appendicitis, but tried to pull him through without an operation. As the boy grew worse an operation was decided upon and Dr. Bartle and Scatte, of Eugene, were called to assist Dr. Johnson. The operation took place Wednesday, February 5, in the morning, and the boy is getting along very nicely.

Mrs. Robert Hayes is here visiting her mother, Mrs. Brownson.

Mrs. Hayes has received sad news from her brother-in-law, Joe Hayes, of Connel, Washington. Joe Hayes formerly lived at Thurston and left his home at Connel to buy. Since he has been down his house, a hotel, and all its furnishings burned, and his wife and four children are homeless. Telephone messages were flying in all directions to find Mr. Hayes today. He was offered a good price for his hotel a short time ago. They have the sympathy of all their friends here.
