MISS MAY DOUGLAS, Winner of Los Angeles Trip

The Guard's Popular Ladies' Voting Contest that has been in progress for the past eight weeks closed last Saturday night at 10 o'clock. High spirited rivalry for first honors in all districts marked the closing hours and hundreds of thousands of votes that were held in reserve were polled during the last moment.

At the hour of 10 o'clock the ballot box was closed and the final count started yesterday morning by Judges Frank E. Dunn, George Fisher and A. E. Wood. After the final count of votes was made the following ladies were announced winners of the prizes:
Winner of Grand Upright Piano MISS MAUDE LEWIS.
Chaperone MRS. H. L. GIBBS, Los Angeles Trip. MRS. W. W. BRANSTETTER, White Sewing Machine.
Winners of Los Angeles Trips MISS MAY DOUGLAS, MISS ZELMA CRUZAN, MISS HATTIE COOK, MISS EFFIE WITHROW.

MRS. H. L. GIBBS, Winner of Chaperone Trip to Los Angeles

Winners of Eugene Business College Scholarships MISS GRACE WOOD, MISS ALTA WILLIAMS, MISS ULA CUSHMAN, MISS GEORGIA NEFF. Winners of Newport Trips MISS IDAH HENDERSHOTT, MISS MARGUERITE WOODS. The final count published today gives the exact figures of each candidate's total, and it will be noticed that all candidates who did active work figure in the prizes. Miss Maude Lewis, of Marcola, winner of the capital prize, polled nearly 800,000 votes, which were secured by obtaining paid-in-advance subscriptions to the Daily and Weekly Guard. Miss Lewis is a consistent worker and considers her reward am-

ple for the efforts put forth throughout the contest. Miss Hattie Cook, of Junction City, who polled the next largest number of votes (568,470), winner of one of the Los Angeles vacation trips, was one of the most active workers throughout the contest. Miss Cook is well deserving of the prize she will be awarded. Miss Mae Douglas, of District No. 1, who polled the third largest number of votes (253,292), will be awarded a vacation trip to Los Angeles. Miss Douglas is extremely popular and has a large following of friends in Eugene, which is proved beyond a doubt, judging from the number of subscription votes that were issued in her favor. Miss Effie Withrow, of Springfield, and Miss Zelma Cruzan, of Dexter, winners of Los Angeles vacation trips, also made splendid showings, and it now remains with the chaperone and candidates to arrange for a time when the party will start to the land of "sunshine, fruit and flowers" for the most enjoyable excursion imaginable. The winners of the scholarship prizes, Miss Grace Wood, Miss Alta Williams, Miss Ula Cushman and Miss Georgia Neff, made excellent campaigns among their friends and these candidates will be well rewarded for their efforts. A tuition at the Eugene Business College is a prize that will benefit the winners in days to come, and when a pupil of this in-

SENATOR BOOTH HELPS UNIVERSITY STUDENTS' FUND

Hon. R. A. Booth, of Eugene, has just given to the student loan fund of the University of Oregon a check for \$500 to be used as an irreducible educational loan fund for students. The fund will be known as the "Booth Loan Fund" and will be kept separate from the general loan fund which at present is distributed in loans ranging in amount from \$15 to \$50 among ten students of the University. Since the establishment of the general fund five years ago more than thirty students have been enabled to complete their college course who could not otherwise have done so. The University hopes to establish during the present year a loan fund of at least \$5000, to be loaned under the direction of President Campbell or some one designated by him, to boys and girls all over Oregon who wish to complete their education, but who cannot do so without assistance. It is believed that a loan of approximately \$100 a year at a low rate of interest to be repaid in two years after graduation is much more preferable than an outright gift in the form of a scholarship. The fund will be guaranteed by ten men against loss. Two signatures will be required on each note and a small amount of life insurance will be taken out to insure against loss by death. The present loan fund amounts to approximately \$1400.

GOES AFTER GERMS

How Hyomei Does Its Work in Curing Catarrh. The natural way of curing disease is always the scientific way, and the scientific way of curing catarrh is the simple way, with Hyomei. Catarrh is a germ disease and can be cured only by using Hyomei, the treatment that reaches and destroys all catarrhal germs. Breathed through the neat pocket inhaler that comes with every outfit, the Hyomei medicine reaches the most remote air cells of the nose, throat and lungs, going after the catarrh germs, wherever present, destroying them and preventing their growth, thus curing the disease. Hull's drug store sells Hyomei, under a guarantee to refund the money if it does not give satisfaction. Begin its use at once. The cost of a complete outfit is only \$1.
