LINCOLN DAY PROGRAM RENDERED LAST NIGHT

The Lincoln Day celebration held at the court house last night under the auspices of the G. A. R. was quite largely attended and the exercises were very interesting. The program as published in last night's Guard was carried out, the addresses, which were delivered by Colonel Mercer, Colonel J. M. Williams and Hon. A. C. Woodcock, being excellent.

Several selections were rendered by Inman's quartet to the delight of the audience. The celebration was a success, and will be repeated by the old soldiers here every year.

LONDON SPRINGS HEALTH RESORT

(Continued from Page 4.)

to try London Mineral Water, and to my surprise I began to improve as soon as I commenced to use the water and in less than a month I was entirely relieved. I am now strong and hearty. I am 69 years old. I earnestly believe these waters will cure almost any stomach disorders, and in fact I believe it to be a great remedy for nearly all chronic troubles, as I have known many who have been relieved by their use. So I take great pleasure in recommending these waters to all who are suffering from chronic diseases and especially stomach troubles.

Jacob Warner.

Wildwood, Ore., Sept. 9, '04.
Oregon Mineral Springs Association:

Sirs: My wife was at Oregon Mineral Springs for five weeks this summer. Up to the day she came there she was unable to sit up over half an hour at a time for over a month. She was unable to walk for nearly two months. She was suffering from heart and lung trouble and was given up by two physicians. She began to improve as soon as she came to the springs and her improvement was continuous while she remained at the springs. She gained 18 or 20 pounds while there and her improvement has been substantial. When she left she could walk a mile. I can heartily recommend these springs to parties suffering from the above causes.

T. M. Hunt.

Cottrell, Ore., 24 miles east of Portland, Sept. 27, '04.
Oregon Mineral Springs Association:

Sirs: I came to London Mineral Springs on July 1, 1904 before which time I had been compelled to go continually on crutches for 22 years on account of rheumatism. I have doctored with physicians in Grand Rapids and Detroit and have been to the other mineral springs for relief and have been continually treating with physicians. I was able to walk to the bath house, to take my 4th bath at London and have not used crutches since. I have felt but one rheumatic pain since I came here and that lasted but one night. I have grown more supple and active all the time and feel that the waters of these springs are excellent for rheumatic troubles. My wife has been troubled since grown, with very severe sick headaches and has been greatly relieved by the use of these waters. I was at St. Clemens Springs in Michigan four different times and stayed over six months the last time. I was also at St. Louis Mineral Springs in Michigan twice. I have spent $2,500 to secure relief from rheumatism but have found no place or remedy which equals these waters. I would recommend any sufferer from these troubles to try this resort. It is comfortably equipped both with hotel and bath and camp grounds. This is the first recommendation I have ever given because it is the first relief I have had that it substantial.

T. H. Kennedy.

To those who are afflicted with chronic diseases I take pleasure in making the following statement: I and my wife had been in very poor health for several years, and in fact my wife has been a sufferer for the past 25 years and a great deal of this time she was under the care of the doctors. I had spent thousands of dollars with the hope that she might be restored to health, but all seemed a failure. She had got so poorly that it was with great effort that she could walk at all. She could scarcely keep anything at all on her stomach and she was almost a total wreck. We commenced using the London mineral water about nine months ago and its effects were grand. We are now both well and strong. We think these waters a great remedy for all kinds of chronic troubles and take great pleasure in recommending them to all. They are also a great hair tonic and restorer as I was almost bald headed and what little hair I had was almost white, and my wife's hair was very thin and white. We both have a good head of hair and it is restored almost to its natural color and vigor. Hoping these statements may fall into the hands of others who may receive the same results. I am now 76 years old and my wife is 72 years old.

Yours Truly,
Elder K. Bailes.

London Mineral Springs.

For years the medicinal virtues of this spring have been known to man and for years many have visited the now famous springs in its natural state.

It is said that even the Indians who frequented the great hunting grounds of the Coast Fork River, knew of its wonderful curative properties, and each year found them in close proximity, that they might be benefitted by nature's greatest remedy.

These waters will cure 20 per cent of all Stomach, Kidney and Bladder Troubles; Rheumatism, Skin and Blood Diseases.

Portland, Ore., Sept 20, '05.
Mr. Levi Geer
Cottage Grove, Ore.

Dear Sir.—A careful analysis of London Mineral Water shows the presence of Sodium Chloride and Silicate, Iron, Magnesium and Calcium in such proportions as would indicate that it is an ideal mineral water, especially useful, we should judge, in the treatment of rheumatic troubles and disorders of the blood.

Very Sincerely Yours,
Woodard Clark & Co.
Wholesale Druggists.
