

PROMINENT HOSPITALS SAY

PE-RU-NA IS EFFICIENT IN RELIEVING ALL CATARRHAL DISEASES.

SISTERS OF THE GOOD SHEPHERD, MONTREAL.

DETAILS ALL OVER THE CONTINENT FIND PE-RU-NA VALUABLE IN TREATING ALL CATARRHAL DISEASES

Montreal, Nov. 7, 1903.
 We found Peruna a relief in several cases. We can say it is a good tonic and we are very thankful.
 Sisters of the Good Shepherd.

When catarrh once fastens itself upon the system it becomes an obstinate disease to eradicate.

A systemic remedy—one that reaches every internal organ of the body—is an absolute necessity.

Peruna is just such a remedy. It searches out the cause of the disease, healing and strengthening the mucous membranes, and thus giving Nature an opportunity to perform her part of the restorative process.

One of the many hospitals which have found Peruna of value in treating old and obstinate cases of catarrh is the Hospital St. John, who write, as follows:

"We are happy to tell you that your Peruna has given us satisfaction. Three patients have tried it, one 68 years old, Renou Dupuis, afflicted with catarrh, is much relieved, more than he has been for a number of years.

"A young girl, 15 years old, had an obstinate cough, which half a bottle of Peruna caused to disappear.

"As to myself, two bottles have convinced me that Peruna is magnificent as a tonic.

"Before the treatment I could not walk for a quarter of an hour without experiencing much fatigue. Now I can walk a mile easily.

"Through these three cases we desire to make known to the public the efficiency of your remedy."

Hospital St. John, of St. Johns, Province of Quebec.

A later letter received from the same institution reads as follows:

"Three weeks ago I wrote to tell you how satisfactorily we found Peruna. We recommend it highly for colds, coughs, catarrh and neuritis.

"I have used it myself as a tonic with the best results, taken as directed, half a teaspoonful every half hour."

Mrs. Etta Booker, Dundurn, Sask., N. W. T., Canada, writes:

"I suffered with pelvic catarrh until I wrote to Dr. Hartman, and after taking treatment as he advised, I can say I am now cured of this most trying affliction, for which I am truly thankful. I think Peruna the best medicine for catarrh. I never felt better in my life than I do at present."

Peruna not only promptly relieves coughs and colds in their first stages, but is equally prompt and efficient for catarrhal diseases in the chronic stage.

Of course, it is only reasonable to suppose that a great deal less medicine will be necessary to cure a slight attack of catarrh than would be required to relieve the ailment after it had been allowed to become chronic.

EUGENE HIGH STILL PURSUED BY HOOODOO

The Eugene high school basketball players are pursued by a hoooodoo that they cannot shake off. They were beaten again last night by the crack team of the Portland high school, the score being 23 to 21. The game was hard fought all the way through. At the end of the first half Portland was in the lead by two points, but in the second half Eugene led their opponents until the last moment, when Portland made a spurt and when time was called the score was a tie. Then came the struggle for the winning points. Eight minutes elapsed before a single point was made, when finally Captain Word, of the Portland team, made a beautiful basket with one hand and the game was won.

After the game the visitors were given a dance by the local high school students.
