Preparations All Made.
The meeting of the general committee last night brought out the fact that preparations are practically completed. Places of entertainment have been secured for over 200 people, and amusements have been provided.

Chairman Scullen, of the entertainment committee, has received notice from 65 intending delegates, which, from previous experience, means that fully 200 delegates will be in attendance.

Badges have been provided for delegates, and for all Eugene Endeavorers who register. "White Caps" will meet all incoming trains, and show delegates to their places of entertainment.

WOOD SAWING

Investors will double their money in two years if they buy lots or acre tracts in the Blair street addition. The city must build in that direction.

Humor and Philosophy

By DUNCAN M. SMITH

SEASONABLE.

Oh, for a whiff of winter!
Oh, for a breath of spring
Or the passing sigh
Of a warm July

That would scorch a blizzard's wing
The charms of the teeming season
I have often read about.
But on closer view
They are mighty few
And ones I could do without.

With a taste of zero weather
And a north pole tempered chill
Or an febrile puff
It is quite enough.
And if more than fills the bill,
I could stand a lot of winter
And discuss it with a smile
If I owned a cot
On the corner lot
Of a balmly south sea isle.

For the children under sixty,
With their brand new Christmas
skates
And a painted sled
That is bright and red,
There is fun done up in crates,
But for those who are used
And out of the infant class
There is no delight
In a snowball fight
As they watch the winter pass.

Showing Them How.
When a large fat man who hasn't had on skates for twenty years puts on a pair of bright new runners to show the boys how, the air in those parts is filled with an incredible number of legs and arms in the next few minutes, while the clear, innocent ice wonders what it has done to deserve such a thumping.

Skating looks easy to one standing on the bank watching the process and it is if one knows how, but having the art down to an exhibiting point and having known the way years ago are two different matters.

A man may never forget how he earned his first dollar or the form of his first love, but he does forget how to skate. For a pathetic one act drama that never responds to an encore the skating gyrations of a man who once was champion are well worth going to see, but a surgeon should always be among those present.

Net Collectible.
"That man owes me an apology."
"Don't you know he is bankrupt?"
"Maybe I'll get a 10 per cent apology, then."

Puppy Teeth.
Some dogs delight to bark and bite,
And some delight to chew;
Not on a rag their jaws they wag,
But on your brand new shoe.

Inconsiderate Relation.
"Poor man! What brought you to this?"
"I'm ashamed to own it, but drink is the cause of my lowly estate."
"You couldn't resist temptation?"
"Oh, yes, I could. It was my rich uncle who should have left me a fortune, but he very carelessly drank it up before it got to me."

Quite Impartial.
"Who goes there, friend or foe?" asked the man as he saw a figure prowling around in the dead of night.
"Neither, you blithering idiot. It is your wife."

Reflected Glory.
"Simpkins is exceedingly brilliant today."
"Yes; he was at the vaudeville show last night."

PERT PARAGRAPHS.
Out of sight out of pocket.
Strength of mind is rarely evinced by strength of language.
The man who doesn't mix in the affairs of others doesn't have a sore head to commemorate the event.

Change is the universal order of the universe and of the twenty dollar gold piece.

A friend is a good comforter, but don't try to turn your comforter into a shield or you may sleep cold some night.

Being happy is easy when it is the only thing you have to do.

It is usually quite too expensive to answer a fool according to his folly.

Our idea of the millennium is to have a pay day every time a bill falls due.

The confidence man prays for success, and afterward the success prays for success.

There is nothing to tempt the hothead, but of the outgo except augmenting the income.

An inherited prejudice should be dispensed as expeditiously as possible.

What Are You doing With Your Spare Cash?

Putting it away in a sock?
Putting it away in a bank?
Or are you just "blowing it in?" Take our advice and

Put it in Lots in Blair Street Addition

THE SOCK SAVING PLAN IS ALL RIGHT, IF SOMEONE DOESN'T STEAL THE SOCK. THE BANKS ARE ALL RIGHT, TOO, AND THEY WILL PAY YOU 4 TO 5 PER CENT INTEREST, WHICH IS VERY GOOD; BUT AN INVESTMENT IN BLAIR STREET ADDITION WITH ITS NATURAL BEAUTY AND SUPERIOR LOCATION, WILL ACTUALLY MAKE YOU FROM 50 TO 100 PER CENT IN A YEAR OR TWO. YOU CAN BUY LOTS AND TRACTS THERE BY MAKING A SMALL CASH PAYMENT, AND, IF YOU LIKE, TAKE CARE OF THE BALANCE IN EASY MONTHLY PAYMENTS.
