University of Oregon News

The fight against the referendum of the University appropriation has begun in earnest...

In Portland, the Alumni, who are very numerous, have taken a hold of the work, and are pushing the University side of the fight very strongly.

In Eugene, as well as in the faculty and students are taking hold of the campaign, backed loyally by the people of the community.

While the general opinion seems to prevail that the University will win out, the supporters of the institution will not let any recourse pass, partly because of the interest in the college itself, and partly on account of the name that the referendum gives the state in the Middle West and neighboring commonwealths.

Mumps Epidemic. For the last few months an epidemic of mumps has compelled a number of students to interrupt their college work.

Registration at the University has reached 417 in the undergraduate departments. The musical students are also numerous and bring up the total students in attendance in Eugene somewhere near 500.

Just who they are the registration authorities have not given out, but they will be known in a few days by their absence from class room and campus.

Next Saturday afternoon the interclass relay will be run on Kincaid field, the winning team of five men to get five gold medals, one to each individual.

Football Schedule. Manager McEwen has partially arranged the football schedule for 1908 as follows: University of Idaho at Moscow, October 31; University of Washington at Eugene, November 14; Oregon Agricultural College at Portland, November 21; Multnomah Club at Portland, Thanksgiving day, November 26.

On account of the new rules a freshman team will be organized and will have a game with O. A. C. freshman October 24 or November 1. Other games for the freshman and second teams will be arranged for dates when the varsity team is away.

Robert W. Forbes, who will coach this year, is considered a find among the students. By his reputation he should be the best man the University ever had.

"Ole" Arnsperger will not play next fall. The four year rule recently enacted bars him. O. A. C. is the only college which will not lose men by the rule.

Examinations for Clerks. Examinations will be held on March 4 in Astoria, Baker City, Portland and Eugene for clerks in the forest service. Examinations will also be held in other states, the number of vacancies being in the neighborhood of twenty. The salary ranges from \$900 to \$1200.

The subjects which will be tested are spelling, penmanship, arithmetic, ability to copy from rough draft, and the time it takes to complete the examination will count fifteen per cent. Typewriting and stenography also will be included in the examination where the candidate desires to qualify for those branches.

Some Changes. A number of changes have been made during the examination week. Mechanical hall has been replanned, and new electrical apparatus installed.

which helps wonderfully the work of the botany department. Professor Sweetser also believes he has found a location for a biological station on Coos Bay.

Basketball Trip. The University basketball team returned from its tour of the Inland Empire last Sunday, and while they won only two games on the trip, they came so close to winning three of the others that the showing is very creditable.

The team was slightly weakened by the absence of "Dick" Hathaway, captain and star guard, but nevertheless they played star ball. Under the tutelage of Coach Murphy the team has so far won eight out of sixteen games.

The men who went on the expedition were: Van Scoy, Moore, Watson, Lovely, Stephenson, Charman, Farrington, Stronk, Coach Murphy, and Manager Nelson. The scores made on the trip were as follows: Chemawa, 9; Oregon, 22. Idaho, 13; Oregon, 16. Pullman, 15; Oregon, 13. Whitman, 23; Oregon, 21. Pendleton High School, 21; Oregon, 20.

Oratory Tonight. The interstate oratorical tryout will be held tonight in Villard hall. Those who will try out for Oregon will be: Bert W. Prescott, R. Dell McCarty, Jesse H. Bond, Clarence L. Wheaton, Cecil K. Evans, A. C. Marsters.

Will Applegate, of Klamath Falls, and a former E. H. S. student, has entered the varsity. William Higgins has returned to college after a half year's absence, Miss Elsie Dow, who attended the University of Washington last semester, has re-entered Oregon.

It has been officially announced that the glee club will give another concert this evening in order to make up the deficit which was created on the Eastern Oregon trip.

Professor Terrill and some of the mining engineers spent two days last week making communications last week at the coal mine near Spencer's Butte.

The High School Debating League district championships will soon be decided. The inter-district debates will then be held, and the two winning teams will have their final contest at the University.

The Central Oregon championship is between Lebanon and Brownsville in the Columbia river district the last debate is to be between Clatskanie and Astoria at Astoria on March 7 in Eastern Oregon Baker City, Union Enterprise and The Dalles yet remain unbeat.

A new event in University athletics this year will be a college championship track meet. Formerly it has been the custom to have a meet between the two lower classes, while the upper classmen looked on, but this year the meet will be enlarged in scope and all four classes will fight for the championship of the University.

The Philologist Society has challenged the Laureans to an inter-society freshman debate to be held in the spring. It is needless to add that the Laureans will probably cheerfully accept the defi.

Professor E. E. DeCou is in receipt of a letter from Professor Joseph Schafer, department of history, who is in England doing research work. Professor Schafer notes especially the spirit of leisure which seems to pervade the whole of England.

Miss Ruth Dunniway severely sprained her ankle last week and will be unable to be on the campus for two weeks.

The gym has been re-erected and the apparatus re-arranged. For the rest of the season the basketball team will have to get along without a coach, owing to the fact that the expense was too great.

EIGHTH GRADE EXAMINATIONS. The eighth grade final examinations for the public schools will be held May 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, June 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14,
