PEOPLE WHO REALLY KNOW WHAT PE-RU-NA IS.

Mrs. Emma F. Mumford, No. 1 Olsen's Court, Salt Lake City, Utah, writes:

"Four months ago I became chilled through and through by getting my feet wet.

"The next morning I was stiff and sore with a severe cold which had settled all over my body. The blood seemed to rush to my head, causing dizziness and blinding headaches.

"As soon as Peruna was recommended to me I decided to give it a trial and am pleased to say that it cured me after I had used it only two months.

"I think you have a splendid medicine and gladly endorse it."

People preferring solid medicines should call for Peruna tablets. Each tablet is equivalent to one average dose of Peruna.

Mr. George W. Amory, 337 West 19th St., New York City, New York, writes:

"Somehow I have always had a prejudice against advertised medicine, but I want to make one decided exception in favor of Peruna.

"I caught a cold last winter and it settled in throat and head, developing a most persistent catarrh, which seemed to defy all medicines until I tried Peruna. Before I had used two bottles I considered myself cured."

PERUNA A REAL MEDICINE

Those Who Slander Peruna Know Nothing About It.

THE PEOPLE WHO USE IT ARE THE ONLY RELIABLE WITNESSES.

Read The Enthusiastic Testimonials on This Page.

These Testimonials Were Given Out of Pure Gratitude For The Benefit Received From Pe-ru-na.

Catarrh of Bronchial Tubes.

Wickliffe R. Smith, editor of The ... Herald, formerly principal of ... at Cameron, Idaho, writes:

"For some time I suffered with catarrh of the throat and bronchial tubes. I tried many remedies, but could find nothing that would give me relief. Finally I tried Peruna. Three bottles cured me and I am sound and well. I believe it will do as much for others as it did for me."

Gained Thirty Pounds.

Mrs. Alice J. Bordner, 1311 Maple Ave., Harrisburg, Pa., writes:

"I have found a cure in Peruna. I cannot recommend Peruna enough, and I also thank you for your kind attention to me. I am as well as could be ever since I began taking Peruna, and will recommend it to others. I only weighed 95 pounds before taking Peruna; now I weigh 125."

Throat and Head.

Mrs. I. D. Hayes, 1237 Druid Hill, Baltimore, Md., writes:

"Peruna is one of the best remedies for grippe, cold in the head, sore throat, nervous headaches, and coughs that has ever been discovered. After the use of one bottle in my family I don't feel safe without Peruna in my house."

In a later letter Mrs. Hayes says: "I am never without a bottle of Peruna in the house. I find it good for most every complaint. I give the children Peruna if they have a cold and it always relieves them. I don't think I could find a better remedy to give my children."

It is so easy to criticize things about which the critic knows nothing.

Take, for instance, Peruna. There are plenty of people who are willing to say Peruna is this and that, who never have tasted Peruna, and have never known anything about its effects upon the human system.

There are people who say, and probably believe, that Peruna is used as a beverage by some people. It would be the easiest thing in the world to show the falsity of such a belief.

Let any one who reads this go to the drug store and purchase a bottle of Peruna. If, after attempting to use it as a beverage or to take it in doses sufficient to produce anything like intoxication, if after putting it to this test such a person is still of the opinion that Peruna is a disguised alcoholic drink, he will be warranted in making such a statement. Practically, Peruna cannot be so used. Any one who knows anything about Peruna by personal use knows that Peruna is a medicine. The very label on the bottle, giving the principal active ingredients, furnishes indisputable proof that Peruna is a medical compound. We will be willing to guarantee that no normal person can or will use Peruna as a beverage. If any one thinks this remedy can be so used one trial will be sufficient to disabuse his mind.

Peruna is a great and useful family medicine. It is used in multitudes of homes. It has become a standard remedy for various petty ailments in the home. It is especially useful for climatic diseases. It is an excellent remedy for colds. It is a well-tried remedy for catarrh in all forms.

We have a multitude of testimonials recommending it for colds, for bronchitis, for various affections of the respiratory and alimentary organs.

This is well known to all who know Peruna by actual experience.

"Cures All Catarrhal Diseases."

Mr. I. W. Kightlinger, Cambridge, Neb., writes: "I don't have any more trouble in my throat, and have not had a headache for four weeks.

"Peruna is the very medicine for catarrh. There is no medicine like it in the United States, for I have tried a good many before using Peruna.

"I will keep it in my house to guard against catarrh, as it cures all catarrhal diseases."

J. O. STOREY MAKES INVESTMENT IN EUGENE PROPERTY

PRESIDENT OF PORTLAND, EUGENE & EASTERN RAILWAY COMPANY BUYS 380-ACRE SUBURBAN TRACT AND WILL ERECT HANDSOME RESIDENCE—STREET CAR LINE MAY BUILD INTO TRACT

Yesterday J. O. Storey, president of the Portland, Eugene & Eastern Railway Company, bought through E. J. Frasier the Jonathan Johnson farm, known as the old Whitney place, adjoining Eugene on the south, and containing 381 acres, for $22,869. This is one of the most beautiful suburban tracts anywhere in the vicinity of Eugene, and it is Mr. Storey's intention to construct a magnificent home there in the immediate future.

This tract would afford many beautiful sites for elegant homes, and it is understood to be Mr. Storey's intention to sub-divide the same with an especial view of establishing beautiful and picturesque building sites. This is the only tract immediately adjoining Eugene that is supplied with magnificent natural springs, which will be piped to the various building locations, thus affording a perfect water supply.

Mr. Storey's investment means a great deal for Eugene, and not only adds another fine family to our population, but centralizes his interests in the development of Eugene.

It is not improbable that the street car line will be extended into this tract in the near future, which would be a great impetus to the growth of College Hill and all the southern part of the city.
