PETITION COUNCIL FOR SPRINKLING STREET PAVEMENT

This morning, after the street sweeper had begun work on the pavement, a petition was circulated among the merchants asking the city council to prohibit the sweeping of Willamette street while it is dry without first sprinkling it. The petition states that the dust is destroying the stocks of goods and covering the store fronts with dust. The petition will be presented to the council at its next meeting. As the paper is almost unanimously signed by the business men, the council will probably take some action on the matter, although its attention has been called to it before and without action. This morning when the sweeper was in operation great clouds of dust poured into the stores and the doors had to be closed until the work was done. Such has been the case all winter whenever the rain has ceased for a day or two so that the pavement could become dry.

Before the sweeper had been at work an hour this morning the authorities stopped and the work will be done tonight.

AMUSEMENTS

Charles B. Hanford, supported by Alice Wilson as leading lady, and a capable company of players, presented "Antony and Cleopatra" at the Eugene theatre last night before a large audience. The production was very elaborately staged and proved one of the best attractions that has visited Eugene this season. Mr. Hanford was at his best as Marc Antony, and fully earned the reputation as a delineator of heavy roles.

Mr. Smith, the energetic manager of the Eugene theatre, has secured Clarence Bennett's beautiful Mexican evening, February 24. The author has evolved a story, startling in its tenacity; calling into play the strongest emotions human nature possesses. The loyal, undying devotion of Aguilera to his young mistress, the passionate hate of the Countess Inez de Ora, the sweet, confiding love of the gentle Isadora—relieved by the bright, breezy comedy of the American newspaper correspondent and the equally sprightly Annetta with the specialties they introduce—all contribute their share in making "A Royal Slave" one of the most enjoyable of this season's offerings.

EUGENE PROPERTY WILL GROW VALUABLE

Blair street addition property is sure to double in value within the next two years. Two electric railways are coming up the valley from Portland and both of them must enter the city from the west, and the line that will tap the Siuslaw country can not go out in any other direction. As sure as water runs down hill, Eugene must build down the valley—because the business is there.

There are both acreage tracts and large lots in this addition, only a mile from the business center and three blocks from the Geary public school.

Prices are very reasonable and you may make your own terms, a small payment down and monthly installments if you desire.

The Jumping Off Place

"Consumption had me in its grasp, and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery. I want to say right now it saved my life. Improvement began with the first bottle and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimsland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs, and for preventing pneumonia New Discovery is supreme. 50c and \$1 at W. A. Kuykendall's drug store. Trial bottle free.

Tar and Anacardina

For the complete cure of coughs, colds, asthma and bronchitis and all lung complaints tending to consumption, liverwort, tar and wild cherry have for ages maintained an established reputation as a standard cough remedy. MR. DORRIS OFFERS LOCATION FOR FAIR GROUNDS

To the Editor:—

I see by the Sunday Morning Register "That the County Fair is Assured," that the committee has decided on Huddleston tract; that it will secure 105 acres at the contract price of \$30,000, \$10,000 to be paid in cash and the balance at 6 per cent interest.

Assuming that this proposed purchase is for the county and not a private investment, and that it is of interest to all the taxpayers of the county.

I hereby offer the committee 105 acres at the price of \$20,000; \$7,500 to be paid in cash on the delivery of the deed and the balance to be paid in a reasonable time, with interest at 6 per cent per annum, payable annually.

NEW CHURCH DEDICATED AT COTTAGE GROVE

SEVENTH DAY ADVENTISTS OPEN NEW HOUSE OF WORSHIP—OTHER ITEMS

The neat and modest little chapel recently constructed on Wall street by the Seventh Day Adventists denomination at a cost of \$904.73 was dedicated last Sunday, February 16, and the service was well attended. The report of the church treasurer, Miss Minnie Comar, showed that this little denomination had expended the past year in improvements, church work, benevolences, etc., a total of \$2045.57. Twelve accessions to the church have been recorded since the beginning of the new church and the little denomination is prospering under the leadership of its pastor, Elder B. C. Tabor, who has purchased a very stately tract and built a comfortable home in East Cottage Grove. It was further shown by the treasurer's report that only an indebtedness of \$116.07 remained on the church at the time of its dedication, which on this occasion was all paid or subscribed.

G. W. Hubbard, a mechanic who works in the O. & S. E. car shops, got a fall on Tuesday and broke three or four ribs. Mr. Hubbard was turning a heavy timber when his lever slipped and he was thrown heavily on his side and back. The bones snapped and the man was racked with pain until Dr. Best reached him and adjusted the fractures.

V. C. London returned on Sunday evening from an extended trip to Spokane, where he has been visiting with his mother, who has reached the age of 73 years. Her health has not been perfect the last few months, but Mr. London left her somewhat improved.

Hamilton Veatch, who has been quite ill at his farm for some weeks, afflicted with rheumatism and an attack of stomach trouble, has so far recovered as to be able to be down town last Monday. His many friends hope for his speedy and permanent recovery.—Leader and Western Oregon.
