FARMERS COMPLAIN OF POOR PHONE SERVICE

PLEASANT HILL PEOPLE MAY STAMPEDE TO SOME OTHER SYSTEM IF RATES ARE RAISED —SHINGLE MILL IN PROSPECT

(Special Correspondence.)

Pleasant Hill, Feb. 25.—Farmers are rushing seeding, and a large acreage is being sown, larger than usual. Several farms that last year lay idle are being worked.

All the telephone lines in this section are complaining of poor service, due not to employes, but to poor equipment of P. S. lines and switches. If the proposed raise in price of phones and lines materializes, there may be a revolt of farmers' lines and a general stampede to some other system.

Mr. Jos. Jackson, a retired farmer of southern Kansas, is here visiting the Carpenter family, who are old-time neighbors.

Fred Cook made a business trip to Cottage Grove this week.

Mrs. Fitzpatrick, of Eastern Oregon, who has been visiting her sister Mrs. A. E. Chenowith, left for home yesterday.

Miss May Smith, of Natron, is teaching the spring term of school in the Edenvale district.

C. C. Mulkey and Ben Eby were down from Mabel to visit friends over Sunday.

It is reported that Bert Mathews will in the near future establish a shingle mill on the Mathews timber tract in this neighborhood. This no doubt would be a paying enterprise and a great advantage to the people of this section, as timber suitable for hand-made shingles is becoming very scarce.

W. W. Martin, of Salem, last week placed an all-polished sarcophagus monument of Scotch and Swedish granite over the graves of Thomas Williams, his wife and son Robert, all pioneers of '53. At each grave is also a Scotch granite roll with inscription and all enclosed with heavy curbing of California granite. This work cost $700, and would do credit to any place. He also placed two mounments for the McFarland family, besides some smaller ones.

OUR NATIONAL DANGER

Time to Cry a Halt Before Complete Wreck Results.

There are thousands, both men and women, who do not take time to eat properly. They rush through life, and as a result we have an age of indigestion, nervousness, irritability, sleepless nights, and morose dispositions. Our national danger is stomach weakness, due to the strenuous life.

With the discovery of Mi-o-na tablets, which strengthen the walls of the stomach and stimulate the secretion of the digestive juices, there is no longer any excuse for indigestion.

Sick headaches, palpitation, yellow skin, and coated tongue are a few of the many distressing results of indigestion that Mi-o-na never fails to cure.

Hull's drug store sells Mi-o-na in 50-cent boxes, and guarantees to refund the money if it does not give complete satisfaction.

HUNDENSCHIELD CONVERTED HUNDREDS IN PENDLETON

Pendleton, Feb. 25.—Sunday was the greatest day in the history of the Methodist Episcopal church in Pendleton. Sixty-three people presented themselves for baptism by sprinkling and there will be an immersion service as soon as the weather is a little warmer, for another large number. This is a result of the recent revival meetings conducted by Evangelist Haudenschield, when hundreds of people were converted. The Presbyterian and Methodist churches united in this meeting and made it one of the grandest ever held in Oregon.

FRANKLIN ITEMS

(Special Correspondence.)

Franklin, Feb. 25.—Fine weather at present, although nothing unusual for leap year.

Jess Kirk and family, who have been visiting his daughter, Mrs. Chas. Lemley, left for their home at Heppner Saturday.

Mrs. J. Bamford has been on the sick list for a few days.

Mrs. W. H. Ray, who has been ill with rheumatism for the past few weeks, had the doctor call on her Sunday. We hope she will be around in a few days.

There were services at the Methodist church Sunday.

Fred Ray has his house about completed.

Look out, girls, the justice of the peace has a new gold ring.

Every one has a bad cold.

Coyote hunting seems to be a thing of the past among these parts.

The dance at Charles Lemley's Friday night was a good one, although there were not so many present as usual, as there are so many farming. This neighborhood is progressing nicely and we hope it will continue.
