ANNUAL MEETING OF CLUB NEXT MONDAY NIGHT

BY-LAWS COMPLETED AND ARE NOW UP FOR INSPECTION—SCHOOL PUPILS' LETTERS ARE ALREADY BRINGING RETURNS—OTHER CLUB NOTES.

The annual meeting of the Commercial club will be held next Monday evening at 8 o'clock at which election of officers will take place. The proposed new by-laws have been completed by the committee and are now on the wall of the lounge room for the inspection of the members of the club. They will come up for adoption at the meeting Monday night.

There are thirteen new applications for membership in the club, about a third of which were secured by President Whitson. They will be acted upon at the next meeting.

The board of governors will hold a meeting at 7 o'clock on the evening of the annual meeting of the club. Various matters of interest are to come up for consideration.

Eleventh Street Club.
 The committee appointed at the meeting of the Eleventh Street Improvement club the other evening for the purpose of securing as members all the property owners along the street reports to Manager Hartog that it has met with good success, most of them agreeing to become members without dues or initiation. The club will meet at the Commercial Club at 7:30 o'clock Wednesday evening of next week.

Letters Bringing Returns.
 Manager Hartog reports that the letters recently sent to Eastern peo-

ple by the public school children of Eugene are already bringing returns in the shape of requests for literature and more information about Eugene and Lane county, which the school children described in such glowing terms. This is an excellent method of advertising and has met with splendid success in other cities.

Fourth Stenographer Added.
 The correspondence work of the promotion department of the club has increased to such proportion, lately that it has been necessary to add another stenographer, making four in all. The new stenographer is Miss May Gibson. Manager Hartog says he is over 200 letters behind and it may be necessary to employ still more office help in the near future.

Junction City Trip.
 The Junction City trip is being arranged for Friday evening. A large number of the club members will go down on the flyer that evening and return on the 12:30 train. The band is expected to go along to furnish music.

Arthur Belknap, of Blue River, Lester Weyant, also of the upper McKenzie valley, and a companion whose name is not learned are on their way down the Willamette in a small boat on a trip to Portland. They started Tuesday from the state salmon hatchery on the McKenzie river and reached a point opposite Eugene that evening. They came over to Eugene, where they spent the night, and left again on their journey Wednesday morning. They expect to reach Portland by tonight, although those who have made the trip before do not think they can make the distance in so short a time. The boys will spend a few days in the metropolis, ship their boat back by freight and come home on the "rat".
