E. L. FISHER, WHO IS MEMBER OF RAILROAD ORDER, SENDS LETTER TO EVERY MEMBER IN THE STATE

E. L. Fisher, proprietor of the Fisher laundry in this city, who is also a member of the Brotherhood of Locomotive Firemen and Engineers, has caused to be printed a circular letter which he will send out to each member of the order in Oregon, calling their attention to the University of Oregon appropriation bill. He will also send each a copy of the argument for the appropriation which has been prepared by the Alumni Association of the University. The letter being sent out by Mr. Fisher is as follows:

"Eugene, Oregon, February 28.
"Dear Sir:—I take this means of calling your attention to the University of Oregon bill which is to be voted on by the people in June. This is of great importance to me and means much to the state of Oregon. If you can see your way clear to do so, vote 'yes' and encourage your friends to do likewise.

"Yours very truly,
"E. L. FISHER,

EUGENE PROPERTY WILL GROW VALUABLE

Blair street addition property is sure to double in value within the next two years. Two electric railroads are coming up the valley from Portland and both of them must enter the city from the west, and the line that will tap the Siuslaw country can not go out in any other direction. As sure as water runs down hill, Eugene must build down the valley—because the business is there.

There are both acreage tracts and large lots in this addition, only a mile from the business center and three blocks from the Geary public school.

Prices are very reasonable and you may make your own terms, a small payment down and monthly installments if you desire.

CATARRH IS CURABLE.

Successful Experimenting in Abating and Curing This Disease.

Catarrh is an entirely unnecessary disease and should not be tolerated for a single day now that Hyomei is so generally known and has made so many cures in Eugene and other towns.

Modern science has disproved the old theory that catarrh was a blood disease. It is a germ trouble, and the remedy is Hyomei, which medicates the air you breathe, killing all catarrhal germs.

As there is life and health in the air of the pine forests, filled with fragrant and healing balsams, so there is life and health in breathing Hyomei.

So sure is this prescription to cure even the worst cases of catarrh, that Mr. Hull sells it under an absolute guarantee to refund the money if it does not do all that is claimed for it.

OVER 3000 VOTERS HAVE REGISTERED

INDICATIONS POINT TO GREATER TOTAL REGISTRATION THAN TWO YEARS AGO

Over 3000 voters have now registered for the coming primaries and election, and in view of the fact that nearly a month still remains for registration, there is every indication that the total this time will be greater than it was two years ago.

Under the law registration must close fourteen days before the primaries are held, April 17, and so they will be closed on the evening of April 1. Registration will be resumed after the primaries.

Candidates desiring to run for county offices must file their nomination petitions by April 1, while those running for state and district offices are required to have their petitions with the secretary of state 20 days before the primaries are held.

SOME TROUBLE ABOUT WHO PAYS THE TAXES

A great deal of trouble is caused, according to Sheriff Fisk, over the matter of tax payments on property which one person has just purchased from another. In reality transfers it is said that numerous muddles arise over the matter of who should pay the taxes. On property bought within a few months of tax paying time the trouble and misunderstanding of the law becomes more noticeable. At the present time taxes are being collected on last year's assessment and of course in the transfer of property the taxes are included and the new purchaser must pay them or see that they are paid. When this is overlooked trouble surely follows as a rule, and the buyer thinks the former owner should pay the taxes and the former owner is of the opposite opinion. It customarily ends by the new owner paying. By attending to the tax paying part of it before the transfer is made useless trouble might be avoided.

DOWNWARD COURSE.

A little backache at first. Daily increasing until the back is lame and weak.

Urinary disorders quickly follow. Diabetes and finally Bright's disease.

This is the downward course of kidney ills. Don't take this course. Follow the advice of a Eugene citizen.

Edgar Washburn of 442 Lawrence St., Eugene, Ore., says:—"I have used Doan's Kidney Pills with entire satisfaction and believe the remedy unequalled for backache or kidney complaint. I had felt the need of such a remedy early this winter, and from the results I obtained I can conscientiously recommend it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.
