

PERUNA EDITORIAL NO. 2.

Dr. Hartman has claimed for many years that Peruna is an EXCELLENT TONIC. Some of the doctor's critics have disputed the doctor's claim as to the efficacy of Peruna.

Since the ingredients of Peruna are no longer a secret, what do the medical authorities say concerning the remedies of which Peruna is composed? Take, for instance, the ingredient HYDRASTIS CANADENSIS, OR GOLDEN SEAL. The United States Dispensatory says of this herbal remedy, "It is largely employed in the treatment of depraved mucous membranes, chronic rhinitis (nasal catarrh), atonic dyspepsia (catarrh of the stomach), chronic intestinal catarrh, catarrhal jaundice (catarrh of the liver), and in various mucous membranes of the pelvic organs. It is also recommended for the treatment of various forms of diseases peculiar to women."

Another ingredient of Peruna, CORYDALIS FORMOSA, is classed in the United States Dispensatory as a tonic.

SCUDDER'S KIDNEY is another ingredient of Peruna, an excellent drug that has been very largely overlooked by the medical profession for the past fifty years. THE KIDNEYS ARE TO BE FOUND IN VERY FEW DRUG STORES. The United States Dispensatory says of the action of scudder that it is used as a tonic and in the treatment of dysentery, and in intermittent diseases. It is a SUBSTITUTE FOR QUININE.

ALL OF COPAIBA, another ingredient of Peruna, is classed by the United States Dispensatory as a mild stimulant and diuretic. It acts on the stomach and intestinal tract. It acts as a stimulant on the genito-urinary membranes. Useful in chronic cystitis, chronic dysentery and diarrhea, and some chronic diseases of the liver and kidneys.

Our Peruna Tablet is Peruna With Fluid Removed.

These opinions as to the ingredients of Peruna are held by all writers on the subject, including Bartholow and Scudder.

OF HYDRASTIS, BARTHOLOW SAYS it is applicable to stomatitis of the mucous surfaces of the mouth, follicular pharyngitis (catarrh of the pharynx), chronic coryza (catarrh of the head). This writer classifies it as a stomachic tonic, useful in atonic dyspepsia (chronic gastric catarrh), catarrh of the duodenum, catarrh of the gall duct, catarrh of the bladder, catarrh of the kidneys (chronic Bright's disease), catarrh of the prostate, and catarrh of other pelvic organs.

BARTHOLOW REGARDS COPAIBA as an excellent remedy for chronic catarrh of the bladder, chronic bronchitis (catarrh of the bronchial tubes). BARTHOLOW STATES THAT CUBEB, an ingredient of Peruna, promotes the appetite and digestion, increases the circulation of the blood. Useful in chronic nasal catarrh, follicular pharyngitis (catarrh of the pharynx), increasing the tonicity of the mucous membranes of the throat. It also relieves hemorrhages. Useful in atonic dyspepsia (catarrh of the stomach), and in chronic catarrh of the colon and rectum, catarrh of the bladder, prostaticorrhea, chronic bronchial affections.

HILLSPAUGH, MEDICINAL PLANTS, one of the most authoritative on medicinal herbs in the English language, in commenting upon HYDRASTIS CANADENSIS, says that it acts on the pneumogastric and motor nerves. It increases the secretions of the mucous membranes in the mouth, in the mountains of Virginia, Kentucky, Tennessee and Carolina. Hydrastis canadensis is considered a panacea for many disorders, including cholera, colic, cramp, dropsy and indigestion. DR. SCUDDER regards it as a remedy in chronic diseases of the lungs, heart disease and asthma. These citations ought to be sufficient to show to any candid mind that Peruna is a catarrh remedy. Surely, such herbal remedies, that command the scientific confidence of the highest authorities obtainable, brought together in combination, ought to make a catarrh remedy of the highest efficacy. This is our claim, and we are able to substantiate this claim by ample evidence from the HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

Know a prominent young capitalist of Eugene, has been making frequent visits to Drain, Ore. time, and rumor has it that he regards one of our most expensive young ladies to change her name long—Drain Nonpariel.

Business men are invited to hear Rev. D. H. Trimble tomorrow night at 7:30 p. m. on "The Type of Business Men We Need to Boost Eugene."

All members are earnestly requested to be at Company A's drill Tuesday night, as an important matter is to be brought up. By order of Captain Babb.

Henry Kompf has sold 79 1-2 acres of his farm four miles west of Eugene to a Mr. Hanson, a recent arrival here from the East, for \$5000. The latter will erect a good residence and outbuildings on the place, and reside there with his family.

Investors will double their money in two years if they buy lots or acre tracts in the Blair street addition. The city must build in that direction.

WILL REGULATE ERECTION OF BRICK BLOCKS

The present condition of the new Hullin brick building on East Ninth street has caused the city authorities to sit up and take notice and has resulted in a decision on the part of the members of the council to pass an ordinance regulating the manner in which brick blocks may be erected hereafter. Mayor Matlock was to have met with City Attorney Allen this afternoon to discuss the proper form of ordinance to pass, but the mayor was called to Goshen on business and the meeting will be held perhaps Monday.

The work of building a new foundation under the west wall of the Hullin block has begun. Huge timbers are being placed beneath the building to hold it up while the new foundation is being built.

FRUIT GROWERS MET THIS AFTERNOON

A big meeting of the Lane county fruit growers is being held in Frank's hall this afternoon. Many are in attendance from different parts of the county and several speakers from outside points are on the program for addresses. Dr. H. F. McCornack, president of the Lane County Fruit and Vegetable Growers' Association, County Inspector Beebe, M. O. Lounsdale, of Lafayette, Charles A. Park, horticultural commissioner, and E. H. Shepard, of Hood River, are taking part in the meeting and all the addresses are interesting.

DOWNWARD COURSE.

Fast Being Realized by Eugene People.

A little headache at first. Daily increasing until the back is lame and weak. Urinary disorders quickly follow. Diabetes and finally Bright's disease.

This is the downward course of kidney illness. Don't take this course. Follow the advice of a Eugene citizen.

Edgar Washburn of 442 Lawrence St., Eugene, Ore., says: "I have used Doan's Kidney Pills with entire satisfaction and believe the remedy unequalled for headache or kidney complaint. I had felt the need of such a remedy early this winter, and from the results I obtained I can conscientiously recommend it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

EUGENE PROPERTY WILL GROW VALUABLE

Blair street addition property is sure to double in value within the next two years. Two electric railroads are coming up the valley from Portland and both of them must enter the city from the west, and the line that will tap the Siuslaw country can not go out in any other direction. As sure as water runs down hill, Eugene must build down the valley—because the business is there.

There are both acreage tracts and large lots in this addition, only a mile from the business center and three blocks from the Geary public school.

Prices are very reasonable and you may make your own terms, a small payment down and monthly installments if you desire.

TEA

You can have it good if you want to. Or bad if you don't take care.

YOUNG WOMEN

Young women are often great sufferers for want of proper advice at just the right time.

Mrs. Pinkham, at Lynn, Mass., has always issued to young girls a special invitation to write to her about their sickness. She is a mother, and fully understands.

In nine chances out of ten your case will be just the same as those of the young ladies whose letters follow:

LYDIA E. PINKHAM'S VEGETABLE COMPOUND is what you need to restore health.

Miss Abby F. Barrows, of Nelsonville, Ohio, writes to Mrs. Pinkham:

"When I wrote to you I was very nervous, had dull headaches, backache, and was very irregular. Doctors did me no good. Lydia E. Pinkham's Vegetable Compound and your advice made me regular, well and strong. I am now in better health than ever before."

Miss Elsie L. Hook, of Chelsea, Vt., writes to Mrs. Pinkham:

"I am only sixteen years old, but Lydia E. Pinkham's Vegetable Compound and your advice have cured me of sideache, periodic pains, and a nervous, irritable condition after everything else had failed."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?
