### TRACKLAYING ON CARVER RAILROAD

Building operations on the C. & A. railroad, which have continued without intermission throughout the winter, are being pushed with increased vigor, says the Corvallis Times. Track-laying is now progressing at the rate of about a quarter of a mile a day. The end of the track has reached a point five miles south of town. The surveying crew has again taken to the field for locating the line beyond the end of the present grade at Bruce Lane, 13 miles to the southwest. It is the purpose to push the end of the track southwest into the timber districts as fast as possible and to that end grading will be commenced in time to have it finished as far as possible before the ground becomes baked and hard, which condition makes the work more expensive. There is no blowing about what is being done, but the work is proceeding steadily, and almost before they know it Corvallis will have an important line to the south and southwest in regular operation. It will be of immense benefit, not only to Eugene, but to all the region being tapped in southern Benton.

### EUGENE PROPERTY WILL GROW VALUABLE

Blair street addition property is sure to double in value within the next two years. Two electric railroads are coming up the valley from Portland and both of them must enter the city from the west. And the line that will tap the Siuslaw country can not go out in any other direction. As sure as water runs down hill, Eugene must build down the valley—because the business is there.

### CITY ELECTION

I am directed by the common council to give notice that the annual city election of the city of Eugene will be held April 6th, 1908, at which time one councilman will be elected from each ward of the city. Candidates for that office should file their nominating petitions with the city recorder on or before the 21st day of March, 1908.

### SMITHSON STILL WINNING TROPHIES

Washington, March 7.—Princeton University won the trophy cup with a total of 26 points at the tenth annual Georgetown indoor games here tonight.

The feature was the breaking of the indoor record in the 50-yard hurdles by Forrest Smithson, of the New York Athletic Club. He ran the distance in 6 1/5 seconds.

Smithson is a Portland boy, a member of the Multnomah Club, who spent his career while a student at the Oregon Agricultural College at Corvallis.

# RUMMAGE SALE

After invoicing we find some articles that are shop worn or slightly damaged and in order to dispose of them at once we are quoting prices that in some cases are less than cost. Lack of space prevents listing everything, but the sale includes the following lines: Builders' Hardware, Silverware, Graniteware, Furniture, Matting and Linoleum Remnants, Cocoa Foot Mats, Bamboo Goods, Reed Chairs, Carpet Sweepers, Wool and Fur Rugs all sizes, Paints and Varnishes. A great many of the goods on our bargain counters are brand new and the prices reduced to attract attention to the other goods.
