

THE VALUE OF PERSONAL KNOWLEDGE

Personal knowledge is the winning factor in the culminating contests of this competitive age and when of ample character it places its fortunate possessor in the front ranks of

The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.

DRAIN RAILROAD WILL GO AHEAD

A railroad man from San Francisco representing Chief Engineer Hood, of the Southern Pacific, was here this week and bought every ton of hay for sale between Drain and Scottsburg. He also renewed the leases for all of the old camping grounds along the route of the new road to Coos Bay. This looks like they are getting ready to go some.—Nonpart.

STAHLBERG MOURNS LOSS OF CLOTHES

John Stahlberg is mourning the loss of almost his entire wardrobe. He came down from Wendling the first of the week and as he was going on to Eugene left his grip containing his clothes in the depot waiting room. When he returned several days later the grip had disappeared and so far he has failed to get any trace of it. Now he is in a terrible predicament and has about decided that this is a very dishonest world.—Springfield News.

NEWS NOTES OF COTTAGE GROVE AND VICINITY

J. I. Jones and several prominent citizens of the town are figuring on forming a stock company with \$50,000 capital to establish a new saw-mill on the Jones pond and mill site in East Cottage Grove with a capacity of 65,000 feet per day. It looks like a go.

In the basketball game between Cottage Grove and the Drain Athletic team last Friday evening the home team won by the score of 12 to 11. This was considered a brilliant victory for the home team from the fact that they were greatly outweighed by the visiting team, but not outclassed.

J. W. Doak, of Lorane, had an interesting chase after a wildcat one night recently. His dogs started near his pig pen and treed it in a crab apple tree. It being dark, Mr. Doak, fearing it might be his favorite house cat, returned home to make sure. Finding Tabby at home he returned to kill the wildcat, but it was gone. His dogs took the track and treed it a mile distant in a large tree. Not being able to locate it, Mr. Doak again returned home and the next day went out and put the cat in a big tree, in which was a large bunch of mistletoe in which the cat hid. Again he failed and finally gave it up after having it almost within his reach the first time it was treed.

The machinery for the new shingle mill which is being installed on Mosby creek by Sam Lewis, arrived at this place Tuesday, being consigned to the Wynne Hardware Company, through which company the plant was purchased by Mr. Lewis. The plant was hauled out to the mill site this week and will soon be ready for operation. Its capacity will be 30,000 shingles per day.—Leader.

JUNCTION CITY NOTES

Oscar Mays has purchased Seventy acres off the east end of the Hadley place, which includes the buildings. The consideration was \$60 per acre. Mr. Millet gets the crop, although Mr. Mays can take possession any time.
The jewelry store of R. C. Roberts was closed up Wednesday by the sheriff on an attachment issued by a Portland firm on a claim of \$200. The store is still in the hands of the sheriff, but we trust the matter will soon be satisfactorily adjusted.
A. R. Martin has sold the old orchard tract, consisting of seven blocks, and the border strip north of town to Rasmus Sorenson, consideration \$2500. Mr. Sorenson is a late arrival here, and we are glad he has located in this city.—Times.

Electric Bitters is the best spring medicine ever sold over a druggist's counter, as a blood purifier it is unequalled. 50 cents at W. A. Kuykendall's drug store.

MRS. J. P. GEE.

You will feel better, look better, eat and sleep better, do your work more easily and satisfactorily, and be in good condition to resist prevalent diseases and to withstand the hot waves of summer which have such a depressing and prostrating effect on the weak, debilitated and run-down.

The secret of the unequalled success of Hood's Sarsaparilla as a remedy for Spring humors is the fact, proven annually by thousands of grateful people, that it thoroughly cleanses the blood, gives strength and tone to every organ and function and builds up the whole system.

"I speak from experience of 25 years with Hood's Sarsaparilla in giving my recommendation. For spring humors and as a general blood purifier this medicine never fails. It always does all that is claimed for it, and more. I know it to be good for scrofula, salt rheum, and all similar troubles, and as a general spring medicine I can positively say it has no equal. It gives me genuine satisfaction to say these few words in favor of the medicine I have found so reliable in our family." Mrs. J. P. Gee, 50 Gould street, Stoneham, Mass.
