RED LETTER DAY FOR PRESBYTERIANS

Yesterday was a red-letter day with the Central Presbyterian church. Partially as a result of the evangelistic meetings held by Dr. Brougher, forty-two members were welcomed into the fellowship of the church, ten of these being by letter from other churches. There are yet a number of others to be received. The session of the church will meet with the pastor next Saturday evening to confer with others desiring to unite with the church. Prayer meeting will be held next Thursday evening at the pastor's home, at which time a course of study will be taken up of vital interest to new members, the subject of the first study being "About the Bible."

Good for Everybody.

Mr. Norman Coulter, a prominent architect in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner, and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50 cents at W. A. Kuykendall's drug store.

WANTS TO KNOW NUMBER OF ANIMALS

GOVERNMENT ASKS FOR FIGURES ON COUGARS, BEAR, ETC. —WHO WANTS TO TAKE THE CENSUS

Most people have the idea that about all the man who holds a government position has to do is to walk around, look wise and draw his salary. That may be the case with some, but Forest Ranger Young, of Mapleton, recently came up against a proposition that leads him to think that it is not true of all of them, says the Florence West.

A few days ago Mr. Young received a communication from his superior officers asking for information about the number of wolves, bear, panther, wildcats and other savake animals in the territory between Yaquina and Coos Bay and west of the Coast range of mountains.

As Mr. Young has been kept busy with his other duties he has not had time to round up the animals to count them, and he was at a loss to know how else to obtain anything like an accurate estimate of their number.

Anybody who has accurate information as to the number of these animals in the territory mentioned or any considerable portion of it will confer a favor on Mr. Young if they will report the same to him.

SEEKS RELEASE OF RUEF ON BONDS

(Continued from Page 1.)

"battle of affidavits" between the prosecution and Abe Ruef on the ending motion before Judge Lawlor for the vacaton of Ruef's arraignment on the United Railroads trolley franchise indictments, was resumed today. William J. Burns, special agent for the prosecution, filed a 20,000-word document, and Ruef followed with a 25,000-word affidavit supporting the motion of Henry Ach to "strike out and suppress" portions of the 65,000 word affidavit of Prosecutor Heney. Ruef's affidavit contains 334 specific objections to Heney's document.

The motion and affidavit were filed after Judge Lawlor had denied the blanket motion of Attorney Ach to strike out the entire affidavit of Heney.

Dunne Scores Rabbis

On Saturday afternoon, answering the reference made by Murphy to what Rabbi Jacob Nieto and Rabbi Bernard Kaplan had said about the midnight meeting at which Ruef's immunity was discussed, Judge Dunne declared that any persons making these statements were uttering deliberate untruths to assist the greatest criminal that had ever appeared before the bar of his court. Judge Dunne followed up this indirect attack on the veracity of the two rabbis by saying that if it were in his power he would recommend the grand jury to investigate the persons who had made the statements. He ended by declaring that Ruef would have been sentenced to Folsom for the maximum term provided by law if the supreme court had not come to his assistance.

Thousands Have Kidney Trouble and Never Suspect it.

Prevalency of Kidney Disease.

Most people do not realize the alarming increase and remarkable prevalency of kidney disease. While kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, *who content themselves with doctoring the effects*, while the *original disease* undermines the system.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
