**Lots and Tracts in Blair Street  
Will Be Advanced April 15th**

Only four of the acre tracts and a few of the three-quarter acre tracts remain unsold, and there has been a good sale of lots. Several houses will be built in the addition this spring and summer, and other purchasers will set out shade and fruit trees. The property was priced very reasonable to start with; and rapid sale and improvements made and contemplated justify an **Advance of 10 Per Cent.** on all unsold lots and tracts on April 15th. Blair Street Addition property will double in value in two years. It is at present prices the best investment in Eugene, because it is situated where the town must expand over it.

Just as sure as water runs down hill Eugene must grow down the main valley roads, where the electric roads will come up from Portland, and where the largest part of the city's business will always come from. If you want a home or wish to save money by investing it on easy installments in desirable real estate, you can't miss it in **BLAIR STREET ADDITION.** Small Cash Payment, and your own Terms on Balance.
