TRUE STORY THAT READS LIKE FICTION

White Bluffs, March 24.—To have saved the life of a fellow emigrant in a wreck off the coast of Newfoundland in 1873, to have wandered into the vastness of the arid American desert and 35 years later to have read in a newspaper plastered upon the walls of a homesteader's shack an advertisement which led to his becoming the recipient of a fortune of $375,000, is the strange fortune of Peter Anderson, a Danish farm hand, who lives near here. The circumstances were made public this morning when Anderson received a check for $5000 in order to enable him to proceed to New York to carry out the final legal formalities necessary in the transference of the big sum.

Anderson left his Danish home in the fall of 1873 for the United States on the ship W. J. Gottry. Off the coast of Newfoundland the vessel was wrecked, and the passengers had to swim for their lives.

REACH'S 1908 GUIDE

Reach's Official American League Guide for 1908, published by the A. J. Reach Company, of Philadelphia, and edited by Francis G. Richter, of "Sporting Life," is out, and is, as usual, first in the field, thus making it the harbinger of the baseball season. It can be said without qualification that, excellent as all of the editions of the Reach Guide have been in recent years, the 1908 Reach Guide is the best hand book of the kind ever issued by this or any other publisher. The special distinction of the 1908 Guide is, next to the text, the superior quality of paper used and the number and beauty of the engravings furnished, the world's championship series being specially well dowered with splendid action pictures. The American League Guide for 1908 is in all respects a first-class handbook of the national game, and a decided credit to the American league and to the publishers, the Reach Company. This is the seventh annual issue of the Reach Guide as the official handbook of the American League, and the twenty-sixth consecutive year of its publication as a book of record and reference for the entire baseball world.

It coaxes back that well feeling, healthy look, puts the sap of life in your system, protects you from disease. Hollister's Rocky Mountain Tea has no equal as a spring tonic for the whole family. 35c, tea or tablets. Linn Drug Company.

HAS VERY MANY VICTIMS HERE NOW

Valuable Prescription to Make Home Remedy, Said to be Very Fine and Easily Prepared.

Many people succumb each year to some form of kidney trouble than any other cause. The slightest form of kidney derangement often develops into Bright's kidney disease, diabetes or dropsy. When either of these diseases are suspected the sufferer should at once seek the best medical attention possible. Consult only a good, first class physician, and leave patent medicines alone.

There are any of the lesser symptoms of kidney trouble which can be treated at home is stated by a well-known authority. For some of these, such as bachache, pain in the region of the kidneys, weak bladder, frequency (especially at night), painful scalding and other urinary troubles, try the following simple home remedy: Fluid Extract Dandelion, one-half ounce; compound kargon, one ounce; compound syrup sarsaparilla, three ounces. These simple ingredients are harmless and can be obtained at any good prescription pharmacy, and any one can mix them by shaking well in a bottle. The dose for adults is a teaspoonful after each meal and again at bedtime.

There is no better general remedy known to relieve all forms of rheumatism, either, because it acts directly upon the kidneys and blood. It cleans the clogged-up pores in the kidneys so they can filter and strain from the blood the poisonous uric acid and waste matter, which if not eliminated remain in the blood decompose and settle about the joints and muscular tissues, causing the untold suffering and deformity of rheumatism.

Bachache is nature's signal notifying the sufferer that the kidneys are not acting properly. "Take care of your kidneys" is now the physic-
