CLASS OF 100 INITIATED BY THE T. F. B.

ONE OF THE LARGEST INITIATIONS EVER HELD IN THE STATE TOOK PLACE IN EUGENE ARMORY LAST NIGHT— LODGE PEOPLE ENJOY BANQUET AFTER CEREMONIES

A class of 100 candidates was initiated into the Eugene lodge of the Fraternal Brotherhood at the O. N. G. armory last night, this being one of the largest classes ever initiated by a lodge of any order at one time in Oregon. This order is becoming quite popular in this state, and the organization in Eugene is growing very rapidly, it now having a membership of over 150.

The initiation ceremonies began at 8:30 o'clock last night. The drill team seated the officers of the lodge with a beautiful march, then the state manager began the ceremonies, which came to an end at 9:30. After the adjournment of the meeting the lodge members repaired to the theatre cafe where an excellent banquet was served by C. O. Hudson and F. L. Gibbs. A hundred and fifty people were seated at two long tables. R. S. Huston, president of the lodge, acted as toastmaster in his usual graceful manner, and toasts were responded to by the following: Dr. F. J. Titus, Attorney J. G. Wells, Dr. Jayne, of Springfield, Miss Myrtle Haskett, D. F. Skene, Geo. F. Willoughby, Mrs. F. E. Taylor, Mrs. Thompson, of Portland, Mr. Finley, of Ashland, Dr. B. F. Scalfie, T. B. Titus, of Springfield, Mrs. Brauner, W. E. Barker and State Manager Taylor.

There were a number of visitors from out of town, including Mrs. Thompson, leader of the drill team of Portland lodge, No. 209, which initiated a class of 500 last summer, Mr. Finley, a member of Mistletow lodge, No. 149, of Ashland, the second largest lodge in the state, and a number of members of the Springfield lodge.

It was intended to hold this initiation some time next month, at which time it was expected that a class of 250 would be ready, but a week or two ago it was decided to close the campaign yesterday because the state manager is compelled to leave for other parts of the state at once to inaugurate other campaigns.

It has been almost completed to the top of the first story. Chief of Police Farrington this forenoon bought a ticket to Albany for an old man who is crippled and who says he has a family there. Mayor J. D. Matlock has torn up the board walk in front of his old building on West Eighth street preparatory to laying a cement walk. The Warren Construction Company cleaned the mud off the court house block this afternoon preparatory to plowing up the top coat of gravel. The Crawford County State Bank of Iowa today began suit in the circuit court against I. V. Jackson and E. T. Cochran to recover \$266, alleged to be due on a promissory note.

L. M. Travis is attorney for the plaintiff. M. C. Goodenow is building a small frame building at West Eighth and Blair streets for a meat market to be conducted by John Newman, the well-known fish dealer. The first carload of pressed brick for the new passenger depot arrived from Portland this morning. Several carloads of the common brick have already arrived. Carson Mathews this morning began grading one of the streets in the Gross addition. It is a street extending north and south and will be graded from Eighteenth to Twenty-third street. John E. McKibben today filed his nominating petition for justice of the peace of Mohawk precinct on the Republican ticket and Lee W. Clark for justice of the peace of Junction precinct on the same ticket. The owners of the vacant lot at the corner of Pearl and East Eleventh streets are putting in a sewer to save disturbing the pavement in the future. Some of the old fruit trees are being chopped down. A cement sidewalk has been put in front of the property on East Eleventh street formerly belonging to Professor Straub. The Y. M. C. A. of the University is also building a cement walk on their lot on A street. L. M. Travis, Leon R. Edmunson, M. S. Wallis and J. D. Matlock today filed their petitions for the Democratic nomination of precinct committeemen from North Eugene No. 2, South Eugene No. 1, North Eugene No. 1 and South Eugene No. 2, respectively. Two of the happiest comical characters are those of "Shiny" and "Hank Gubbin" in the new college play for girls, "Cupid at Vassar," in which Florence Gear is starring this season. The music is by A. Baldwin Sloane, who wrote "Lady Teazle" and "The Gingerbread Man." This play will appear at the Eugene theatre on April 15. Captain Lee Matlock, of the Goshen baseball team, was in town today buying bats and balls for a game Sunday afternoon with Pleasant Hill at the latter place. Last Sunday Goshen won from their old opponents, and Matlock expects to repeat the feat again. R. C. Roney will pitch for Goshen and W. L. Halbeck, who was also in town today, will umpire. C. P. Houston is the local representative of the company. A. W. Gilbert, of Eugene, today began suit in the circuit court against A. H. Hinkson to recover \$100 and costs of suit, alleged to be due for services in procuring a locator for the southwest quarter of section 14, township 26, south of range 6 west, which, before the locator filed upon it, was vacant government land. A. M. Gilbert was the locator which the plaintiff alleges he secured and it is alleged that the defendant received \$100 for locating him. Williams & Bean are the attorneys for the plaintiff. An intense counterplot to the charming love story which runs through the new college play for girls, "Cupid at Vassar," is furnished by the machinations of Amos North, in love with the heroine, Kate Newton, but too much of a scoundrel to even love without a blight. The stealing of the family papers on Christmas Eve and the capture of the thief are effects that are worth the price of admission if nothing else were given by the management. Florence Gear plays the part of Kate. "Cupid at Vassar" will be in Eugene April 15.
