

BOMB THROWN IN NEW YORK CROWD THIS AFTERNOON

York, March 28.—Two men killed and a number of persons injured this afternoon when what was a fairly peaceable meeting developed into an anti-demonstration and a bomb was thrown into the crowd, killing two and wounding many. The crowd numbered probably ten thousand and gathered in Union square to take part in the meeting. Several speakers of local prominence were in the gathering and had announced to make a speech. A force of 150 policemen, most of them mounted, were in the big crowd assembled it was estimated that there were numerous red hats and that a number of persons wore red hats. At some signs of disorder the police started to disperse those who were responsible. Little or no resistance was offered and the square was almost cleared of the throng when one man engaged in the demonstration rushed swiftly into the square and threw a bomb which landed near Union Square fountain, and in the rear of which a square of steel was stationed. There was a cloud of smoke, a loud report and a number of persons were seen to fall. The police reported two killed and a number injured. The crowd included many sightseers, who were panic-stricken.

dead man is Erwin Hassky. There were many arrests. Silverstein was alive when taken to the hospital, but he is literally torn to pieces. It is improbable that he will survive. He declared he did it "because a cop beat him up."

CRUISER TACOMA'S MAIL POUCHES ARE OPENED

VENEZUELAN SAY IT WAS ONLY ACCIDENTAL, BUT INVESTIGATION WILL BE ASKED

PRESIDENT CASTRO'S ORGAN SAYS ROOSEVELT IS FOLLOWING PREMEDITATED PLAN TO CAUSE CONFLICT BETWEEN UNITED STATES AND VENEZUELAN REPUBLIC

Caracas, March 28, via Willemstad, Curacao, March 28.—Minister Russel has advised Dr. Jose De Jesus Paul, foreign minister, that three pouches of official mail brought into LaGuayra for the cruiser Tacoma, had been opened at La Guayra. Russel said it was a very serious matter and asked for an investigation. Paul replied that the opening of the pouches was accidental, and that only a prejudiced mind could call the occurrence "very serious," as the contents of the pouches were not disturbed.

The incident of the mail bags, coupled with the return of the Tacoma to La Guayra today, caused the greatest excitement in Caracas. President Castro's organ, El Constitucional, publishes an editorial entitled, "What Does Roosevelt Want?" in which it declares that Secretary Root under the influence of President Roosevelt and inspired by American holding claims against Venezuela, is following a premeditated plan of creating a conflict with this republic. The paper states that the United States purposes to raise the flag of conquest in South America and that the American government does not intend to recognize the finality of the decision of the Venezuelan courts and the mixed communications.

ROSALIA BAUSCH DIED EARLY THIS MORNING

WELL-KNOWN RESIDENT OF EUGENE SINCE 1876 DIES OF PARALYSIS AFTER USEFUL LIFE

Mrs. Rosalia Bausch, a well-known resident of this city since 1876, died this morning shortly after 4 o'clock of paralysis at her home on West Seventh street. She was 68 years of age and had many friends in the community who mourn her death. Mrs. Bausch was a native of Germany, being born at Wiesenburg, Bavaria, on the banks of the great Danube river, July 14, 1840. In 1854 her father Joseph Ausman, with eight children, came to this country, finally settling at Manitowish, Wisconsin. In 1856 she was united in marriage to Peter Zimmer, a native of Luxemburg. They had three children, John and Frank Zimmer, of Eugene, and Mrs. Mary (Zimmer) Kadink, of South Dakota.

On the death of her husband she removed to St. Paul, going to San Francisco in 1872. In 1876 she was married to Peter Bausch, in Albany, and soon afterward they came to Eugene, where she had resided since. Her husband died September 17, 1894. In 1893 Mrs. Bausch established a green house, where for many years she supplied the larger part of the Eugene trade with flowers. She was a natural lover of flowers, and from her early girlhood till her death studied plants, particularly orchids. The funeral cortege will leave the house Sunday at 2:15 p. m., and proceed to the Catholic church, of which she was a loyal member, where the services will begin at 2:30 p. m. The friends of the family are cordially invited. The remains will be interred in the I. O. O. F. cemetery. Friends who wish to view the remains please do so before time for leaving the house.

FOREIGN OFFICE SILENT REGARDING MESSAGE

Berlin, March 28.—The foreign office is practically silent today regarding Emperor William's message to President Roosevelt in regard to the appointment of Hill to succeed Tower as American ambassador. It has, however, given indication to the Berlin newspapers that Tower is not to be attacked and explains that the announcements of the past few days were only intended to make it clear that no officials are aware to Hill, and that they had gone through the usual official channels through Washington.

The same point is involved as in the Southern Oregon land for which \$2.50 an acre is tendered. The Hermiton land is worth \$100 at the present time.

AN ATTEMPT TO ASSASSINATE GEN. BULKLEY WELLS

Telluride, Colo., March 28.—Former Adjutant-General Bulkley Wells narrowly escaped death or serious injury at his home at an early hour this morning by the explosion of a dynamite bomb placed near his bed on the outer porch on which he was sleeping, as is his custom. Wells was hurled with the debris many feet from the wrecked house, the sides of which were torn out completely. Hardly a stick of the bed remained, but Wells is said to have escaped without injury. The house had been guarded against such an attempt by patrols and electric lights.

General Wells is manager of the Smuggler-Union mine, and his home, where the explosion occurred, is located on that property at Pandora, several miles from town. Wells appeared in town this morning with his head bandaged, but otherwise apparently none the worse for his experience. One suspect has been arrested and is held pending an investigation. The entire city and county police force is working on the case. More arrests are expected today.

Wells himself telephoned the news of the explosion to the authorities, and soon the neighborhood was being scoured. There is no trace of the dynamite.

The bomb or dynamite had evidently been placed under the bed some time yesterday and set off by clock work or time fuse, but no trace of the machinery has been found. General Wells' predecessor as manager of the Smuggler-Union, Arthur L. Collins, an Englishman, was shot to death several years ago. Steve Adams, the alleged accomplice of Harry Orchard, murderer of ex-Governor Steunenberg, of Idaho, is now in jail at Telluride awaiting trial for that crime. Wells was alone in the house last night. He sleeps on the porch most of the year.

MURDERED AND THROWN INTO CEMETERY PIT

Arlington, Mass., March 28.—Two boys found the body of a woman in a pit in St. Paul's cemetery today. Her throat was cut and there were other evidences of murder. She had been dead but a few hours. The head was nearly severed. It is believed that the woman was a resident of Cambridge or Somerville. There is no trace of the weapon, but there are evidences of a struggle on the ground. The woman was about 25 years of age and of slight build. No cries were heard.

ALMOST A RIOT ON BROAD STREET CURB

New York, March 28.—Scenes almost approaching a riot occurred today on the Broad street curb when a widely advertised mining stock was offered for sale for the first time. Over five hundred brokers and messengers who had booked orders for the stock were so eager to execute their commissions that they fought wildly to reach the man who had the stock for sale. Men and boys were knocked down and trampled under foot, and the sound of the conflict brought hundreds of spectators to the scene. It was noon before quiet was restored.
