PETTY BURGLARIES REPORTED TO OFFICERS

NATE WOODS' HOUSE ENTERED LAST NIGHT—T. G. HENDRICKS' BASEMENT ENTERED—MANY HOBOES IN TOWN

There are a great many hoboes in town right now, and the police officers are kept busy looking out after the petty depredations that they are wont to commit. Some of the travelers are rather tough characters, but the majority of them are working men having been thrown out of employment at the beginning of the recent panic. A burglary was committed at the residence of Nate Woods at the corner of West Twelfth and Charnelton streets, some time last night. While the family was asleep upstairs some one entered the house and took a razor and some coffee. Nothing else was missed. The burglar used a pass key to open the door and left it on a table in the kitchen.

Night before last some wanderer broke into the basement at T. G. Hendricks' residence at West Ninth and Charnelton streets, and slept all night beside the furnace. When he left in the morning he took a pair of shoes and an old overcoat. S. B. Eakins at a rather old overcoat stolen the first of the week. Other people are also missing property that lies around loose.

The Well Informed of the World.
 A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.
 A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of
Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.
 This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to worldwide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.
