GEORGE CONSER DIES AT HEPPNER

Heppner, Or., March 31.—George Conser, cashier of the First National Bank of Heppner, died in this city at 3 o'clock this morning. He had been unconscious for the previous 48 hours, and death was momentarily expected by his relatives. The funeral will take place at Heppner on Thursday, interment being in the Heppner cemetery.

Mr. Conser was born in Marion county, this state, in 1855. His father was one of the pioneers in the flouring mill business, having established a plant at Jefferson when wheat-raising was in its infancy in the Willamette valley. In 1880 Mr. Conser married Miss Lillian Rhea, daughter of C. A. Rhea, one of the early settlers of what is now Morrow county. Mr. Rhea is president of the bank of which his son-in-law was cashier over since its organization. Deceased has two brothers in Portland, W. S. (Shan) and H. P. Conser, and a sister, Mrs. R. O. Thomas, at Turner, Oregon.

EDWARD BAXTON PERRY COMING APRIL 17

The Eugene Music Club is fortunate in securing Edward Baxter Perry for a piano lecture-recital on Friday evening, April 17.

Mr. Perry is the originator and chief representative of the pianoforte lecture-recital, of which he has given more than two thousand in the United States in the past twenty years. His plan is to preface each composition with a brief talk, calling attention to its descriptive or emotional characteristics and the circumstances of its origin, thus rendering it doubly interesting because fully intelligible to all.

Every student of music should hear this talented man as the amount of good derived cannot be estimated. To hear good music is one of the very best ways of studying it. The finished musician should hear Mr. Perry as he gives one of the best concerts to be heard, rendering only the best music, and plays as only artists play.

Those who have never had the opportunity for musical culture are especially the class above all others who should take advantage of this opportunity, for they will hear some of the great classics made plain as no other pianist has succeeded in doing. Mr. Perry is a very intellectual man, a writer of exceptional ability, would have been distinguished as a lecturer alone, and adds to this is one of the most accomplished artists of Europe and America today.

The club has placed the price of admission at 50 cents. The concert will be given in the M. E. church.

WILLAMETTE VALLEY CO. REDUCES GAS RATES

THE CHICAGO SYMPHONY

One of the best known musical organizations of the country, the Chicago Symphony Orchestra, under the direction of Antonio Rossini, for over nine years this musical organization has been the object of the admiration and admiration of its members and admirers.

... only is the Chicago Symphony Orchestra up in this case to musical literature, but their library and repertoire is one of the largest of any traveling organizations of this character in the world. For years they have invaded Canada and played with the most critical of the leading organizations of that section of the country. Many of the leading musical cities and festival centers have been visited, and last season an extensive tour was made of the Pacific coast, where the orchestra played in every important city in the West. The San Francisco press spoke highly of the orchestra, declaring nothing better had been heard in that city since the '80s, when Theodore Thomas gave the well-remembered series in old Mechanics' pavilion.

This year the orchestra is augmented by a number of excellent instrumental soloists, which will add much to the artistic work of the festival season locally. Nothing better in orchestral concerts are now being given in America, than those of the Chicago Symphony Orchestra, and when they visit this city on April 14 and 15, augmented by a quartette of vocalists and our local chorus of 175 voices, a splendid musical treat is promised.

Season tickets now selling at Burden & Graham's.

REPUBLICAN STATE COMMITTEE APRIL 10

At last G. A. Westgate, United States surveyor-general for Oregon, has in his capacity of chairman of the Republican state committee, decided to call the body together to set a date for the state convention. Westgate has issued the call for Friday, April 10. The state committee will call the state convention and apportion delegates.

The time of holding the state convention is left to the committee and it will probably be held some time in May. There was some fear that the convention would be held prior to the primaries, but owing to the procrastination of Westgate, this fear is now set at rest. Had the state convention been called before the primaries the senatorial fight and other issues would have been dragged in. Westgate has studiously avoided jeopardizing the interests of any of his candidates by an early convention although there had been a demand for it from certain quarters.—Portland Telegram.

It was then that my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one foot in the grave, but Electric Bitters put it back on the turf again, and I've been well ever since." Sold on our guarantee at W. A. Kuykendall's drug store, 50c.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so insidious. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to wet up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its curatorial cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
