THE UNIVERSITY'S CAUSE GROWS STRONGER

Settlement in favor of property of the State University...

It would seem that the agitation in favor of a city ordinance...

The University of California receives an annual appropriation from the state amounting to \$558,000...

The University of Oregon receives \$145,000; Montana \$75,000...

Let us make it good and demonstrate Oregon's educational facilities.

The southern part of the state are the newspapers standing by the University...

The last session of the legislature passed a bill appropriating \$125,000 for the support of the University...

Oh, no. Of course hot politics had nothing to do with springing this Venezuela business...

Several days ago The Guard printed the news that the government would open bids for the construction of Eugene's new Postoffice building...

In lightening the penalties for delayed mails, the Postoffice department has shown that it is not in sympathy with the charge made in congress that the railroad was being overpaid for carrying the mails...

A disgruntled miller has let the cat out of the bag by charging that the husband of a local woman is kicking about the prison at Eastern Penitentiary...

According to the cable news, Portugal wants a dictator. We have several who could be spared without serious loss to this country.

When called on to choose between his duty in Washington and political complications at home, the senator hiked for home.

MOTHER'S WITNESSES: Seventh and Oak streets, Eugene, under new management. Good board and rooming the day, week or month. Electric lights, central heating, clean dishes, etc.

Advertisement for a furniture factory: Having purchased the B. H. Henderson furniture factory, I am now prepared to manufacture furniture upon special orders...

Advertisement for a tailor shop removal notice: D. S. McLaughlin, tailor, has moved his shop from the Pratt building to 124 W. Williams street...

Advertisement for A. C. Mathews: General Teaming Co. excavating, building and good excavation earth for sale. Phone Black 2311 or call at 345 1/2 W 4th.

accept or reject the action of the state legislature. Until the last session of the Oregon legislature increased the amount of the University had been struggling along on a paltry appropriation of \$47,500 a year...

South Carolina, we are ashamed to say, was once possessed of the same Oregon spirit of parsimony that allowed its institutions of learning to suffer starvation...

We should like to call the attention of those who have regarded the South as a negligible and unimportant factor in the illumination of the contrast between South Carolina and Oregon. And we wish to Oregon the dawning of a better day...

Editorials like this one from South Carolina's leading newspaper ought to rouse the voters of Oregon to a sense of their duty to the State University, even if nothing else can. Think of South Carolina pointing the finger of scorn at Oregon!

It would seem that the agitation in favor of a city ordinance prohibiting canoeing in the mill race within the city limits is a movement in the right direction. Several lives might have been saved had such restriction been imposed before this time...

The Guard is working for the advancement of Eugene and Lane county in a practical way and that is why it took steps to find out definitely the intentions of the Oregon Electric Company concerning its rumored invasion of the Upper Willamette valley...

For every railroad run solely as a business proposition in the interests of its stockholders, there are several run solely in the interest of the stock-jobbing magnate who control them...

Oh, no. Of course hot politics had nothing to do with springing this Venezuela business just at this time. It has just "happened" to become desirable to give that pinhead, Castro, an enlarged view of the big stick.

When called on to choose between his duty in Washington and political complications at home, the senator hiked for home.

MOTHER'S WITNESSES: Seventh and Oak streets, Eugene, under new management. Good board and rooming the day, week or month.

MISS HELEN TAFT.

In the event of the election of William H. Taft to the presidency Miss Helen Taft will occupy a position of public interest corresponding to that of the present Mrs. Nicholas Longworth...

A SIMPLE QUESTION. Eugene People Are Requested to Honestly Answer This.

Is not the word of a representative citizen of Eugene more convincing than the doubtful utterances of people living everywhere else in the United States?

Charles Beadle of 223 West Eighth St., Eugene, Ore., says: "I am fully as ready to recommend Doan's Kidney Pills today as I was in 1906 just after using the remedy. As I said in my testimony at that time I had suffered from kidney complaint nearly always since the war. I never knew when to expect an attack. A cold would bring it on or an over exertion. On several occasions I had had about six months ago when something like lumbago set in and brought on a heavy bearing down pain as if there was a weight over each kidney. I was bent over and could not straighten up to save me. There was such a weakness in the action of the kidneys that I could not control the secretions, and it caused me much annoyance. Having used several remedies with little if any benefit, I finally began taking Doan's Kidney Pills. The action of the kidneys and bladder was soon corrected and then the pains disappeared. I was about to give up my testimony about the relief I obtained in every respect. Three years have now elapsed since I testified in favor of Doan's Kidney Pills and I have been continually free from kidney complaint. I consider them a wonderful remedy and have recommended Doan's Kidney Pills again and again."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
