IN LANE JAIL NOT THE MURDERER

...IN PETERSON RELEASED ...S MORNING AND HE LEFT ... ALBANY, WHERE RELA... ...IN RESIDE

...man who was arrested by Dep... C. C. Hammond and Geo. ...last Sunday 32 miles east of ..., thought to be Olle Hamilton, who is accused of murdering Julius Wallende at Silver Lake last December, has been proven to be the wrong man, and it is altogether probable that he was telling the truth when he said his name was Martin Peterson, and that he was on the way to Albany or near there, where he has relatives living. A photograph of Hamilton and a further description of him were received by Sheriff Fisk this morning, and it was readily seen that the man in jail here was not the one wanted. Accordingly he was released and he left on the 11:45 train for Albany.

MR. ARTHUR MIDDLETON

Distinguished Bass Soloist Who Appears at the Eugene Musical Festival April 14-15

Of all the concert bassos that have visited the Pacific coast in late years probably none has a more enviable reputation that Arthur Middleton, the bass soloist who comes with the Chicago Symphony Orchestra to participate in the Eugene musical festival.

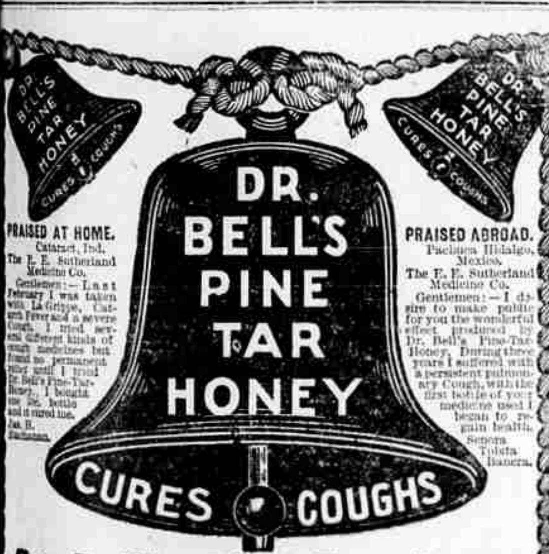
Wherever Mr. Middleton has appeared at the great Eastern festivals

of music, he has won unstinted praise both for his vocal equipment and unusual power of truthful interpretation of the solo work intrusted to him.

His voice is exceptionally full, deep and resonant. His personality and style assist materially in making definite the impression that he seeks to convey through the interpretation of the music.

The opportunity afforded to this famous basso to bring out his most striking excellencies are greater than usual at this festival. "The Holy City" presents splendid possibilities in the way of noble, lofty, even reverent solo work, while a direct contrast is given in the demands made upon him in the "Golden Legend," in which work he is called upon to interpret the insinuating, malevolent Lucifer, the prince of darkness, eternally at war with truth. The dramatic possibilities for the bass soloist in this work are exceptional.

Mr. Middleton is only one of the famous soloists to be heard at the festival, and if Eugene could only for a moment realize what an imposing array of splendid talent the oratorio society is offering at this festival, there would not be a vacant seat at any performance. An event of this kind is such as in former years could not be heard in Oregon except by going to Portland. Now we are on the musical map with Portland. Remember the dates and the place—April 14 and 15, Villard Hall.



Death Was on His Heels.

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and that death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung diseases in the world." Sold under guarantee at W. A. Kuykendall's drug store. 50c and $1. Trial bottles free.
