After suffering for seven years, this woman was restored to health by Lydia E. Pinkham's Vegetable Compound. Read her letter.

Mrs. Sallie French, of Painesville, Ind. Ter., writes to Mrs. Pinkham: "I had female troubles for seven years—was all run-down, and so nervous I could not do anything. The Kidneys Are Weakened by Over-Work.

Weak kidneys make impure blood. It is to be considered that only kidney and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

Death Was on His Heels.

Jesse P. Morris, of Skippers, Va., had a close call in the spring of 1906. He says: "An attack of pneumonia left me so weak and with such a fearful cough that my friends declared consumption had me, and that death was on my heels. Then I was persuaded to try Dr. King's New Discovery. It helped me immediately, and after taking two and a half bottles I was a well man again. I found out that New Discovery is the best remedy for coughs and lung diseases in the world." Sold under guarantee at W. A. Kuykendall's drug store, 50c and \$1. Trial bottles free.
