TO JUDGES AND CLERKS OF ELECTION

After every election the mistake of putting the tally sheets in the ballot boxes and sealing them up after count has been completed has been made by the judges and clerks of election in a number of the precincts of Lane county, thus delaying the official count. County Clerk Lee is now sending out supplies for the primaries with instructions to the judges and clerks to place the tally sheets in the envelopes furnished for that purpose and LEAVE THEM OUT OF THE BALLOT BOX. This envelope containing the tally sheet should be delivered to the clerk by the messenger sent in with the returns. NOTHING BUT THE BALLOTS MUST BE PLACED IN THE BALLOT BOX.

ZION ITEMS

(Special Correspondence)
Zion, April 14.—Farmers are busily engaged in finishing spring sowing of grain.
Road Supervisor Templeman is circulating a subscription paper, the money to be used on betterment of roads, and the matter is being liberally endorsed.
With sadness we chronicle the death of little Ethel Edwards, daughter of Robert and Maud Edwards, who died Friday, April 10, at 4 o'clock a. m. She was buried at Pleasant Hill cemetery today.
D. C. Mathews visited Eugene Friday and Saturday.
Louis Mathews came home from his logging job at Rush Island Saturday evening. He will return to work again as soon as he gets some garden planted.
C. L. Williams was moving his donkey engine up the river yesterday so as to get it in reach of some timber he wishes to move with it soon.

ELMIRA ITEMS

(Special Correspondence)
Elmira, April 14.—S. W. Jackson and wife began a meeting April 9 at the Christian church. They expect to be with us a month. Good interest is manifested and we expect a great meeting. Two confessions Sunday. Undoubtedly the people of Elmira are having the opportunity of hearing the best speaking and singing this place ever had. Mrs. Jackson is an excellent chorus director. Since they came here we built a choir stand in one corner of the church and now have a chorus of twenty voices under Mrs. Jackson as chorus leader.
The sole purpose of the meeting is for those out of Christ to bring them to the Savior. We earnestly ask those who can to attend these meetings. It will do you good—you cannot afford to miss them.

DR. ANDREW TAYLOR STILL IMMORTAL

For the ailments peculiar to woman Osteopathy is simply incomparable. It uses no drugs, seldom has recourse to the knife, and so the body is preserved intact and normal; it corrects adjustments, removing every obstruction to proper blood flow, proper drainage to parts and adequate nerve supply. Thus it restores natural conditions which mean health. It has often been declared by prominent women well qualified to speak, that Osteopathy, even had it no other application than to the ills of woman, would have made Dr. A. T. Still immortal. As local treatments is not often necessary the system is much less embarrassing to women than are other methods.
