

CAKE AND STATEMENT NO. 1 SWEEP STATE BY BIG MAJORITY

PORTLAND MAN DEFEATS FULTON BY OVER SIX THOUSAND

Special to The Guard.
 Portland, April 18.—Returns today strengthen the forecast made last night of the election of Judge Cake over Fulton. Also that Statement No. 1 has carried and Republicans practically concede that Governor Chamberlain has an extremely good chance of going to the senate. That Honey's campaign against Fulton worked his downfall seems to be indisputable, meagre returns from counties where he was supposed to

have been strong showing a falling off in favor of his opponent. Ellis is gaining over Ober and Shepard in the second district, and will probably be renominated. **Cake's Majority 6000.** Advice to the Evening Telegram indicate that Fulton has carried Lane, Morrow, Sherman (very close), Josephine (close), Klamath, Clatsop, Crook (very close), Benton, Tillamook, Coos, Polk and Grant counties. Cake has carried Multnomah (very heavy), Marion, Clackamas, Douglas,

Linn, Jackson, Wasco, Yamhill, Union, Umatilla, Baker, Columbia and perhaps Washington. Cake's majority will probably be over 6000.

Railroad Commissioners Aitchison and Campbell, and Bailey, pure food commissioner, appear to be easily renominated.

BIG CAKE MAJORITY IN MARION COUNTY

Salem, April 18.—(Special.)—Cake has a majority of 500 in Marion county for senator over Fulton. Three Statement No. 1 men, Patton, Hattberg and Libbey are surely nominated, and one, Winslow, is defeated. The others are running neck and neck. W. M. Bushey is nominated for county judge by a large majority.

JUDGE CAKE CARRIES DOUGLAS COUNTY

Roseburg, April 18.—(Special.)—Cake carries Douglas county by 100 majority over Fulton. Albert Abraham, Statement No. 1, wins for state senator and Jones, Statement No. 1, and Applegate for representatives.

LATEST RETURNS THIS AFTERNOON

Portland, 2:40, April 18.—Washington goes into the Cake column and Fulton loses. Linn, Cake's majority will be over 6000 in the state. Bailey is nominated for dairy and food commissioner. For railroad commissioners the fight is close between Aitchison and Hurlburt in the second district.

J. A. Buchanan is nominated for joint representative from Douglas and Jackson without opposition. George M. Brown is renominated for prosecuting attorney over W. W. Caldwell.

Geo. J. Cameron, police judge, has been nominated for prosecuting attorney by the Republicans of Multnomah county.

WHAT'S A CROWN ANYWAY!

POLITICIANS SAY CHAMBERLAIN WILL GO TO SENATE

(By Associated Press.)
 Portland, April 18.—Returns from various sections of the state indicate that yesterday's primary elections resulted in the selection of H. M. Cake over Senator C. W. Fulton for the Republican nomination for United States senator; that W. R. Ellis has defeated former Governor Geer, and George S. Shephard.
 There seems to be no question that Statement No. 1 candidates are in the majority on the legislative ticket, which means in all probability that Governor George E. Chamberlain will be elected senator at the next session of the legislature. However, no news can be obtained from a number of isolated counties, and when the returns from those counties are in the face of the situation, so far as Statement No. 1 is concerned, may be changed, but it seems to be the opinion of party leaders of both sides that Chamberlain will win out.
 In the first congressional district W. C. Hawley had no contest. Robert S. Bean is nominated for justice of the supreme court by both parties.
 In Multnomah county Cake is about 2500 ahead of Fulton and Shepherd is about 1500 ahead of Ellis.
 The returns from outside counties are greatly in Ellis' favor and he is expected to win out by 2000 votes.

CONGRESS MAY GO AFTER PAPER TRUST IN EARNEST

Washington, April 18.—In the event the attorney general does not show that something substantial has been done to prosecute the paper trust, providing its operations are in violation of the law, congress may do some trust fighting on its own account. Speaker Cannon and Chairman Payne, of the ways and means committee, contend that the tariff has nothing to do with the high price of print paper; that if a scarcity of the raw product is not responsible, then the fault lies with the paper trust, which by combination regulates the output and prices.

Greeted by Los Angeles.
 Los Angeles, April 18.—Clear, warm and beautiful dawned the day fixed for the arrival of the Atlantic battleship fleet at San Pedro Bay. Never in its history has Los Angeles risen with such enthusiasm in observance of a celebration without a legal declaration, but by general consent business has been dropped and the entire population seems to be streaming toward the coast. Over fifty thousand people visited the various beaches to witness the arrival of the fleet.

Hobson Not Discouraged.
 "The fight for the big navy will go right on," said Representative Hobson, of Alabama, after an interview with President Roosevelt.

"No battle was ever won or lost on the skirmish lines, and we have only just begun. If John Sharp Williams is not satisfied with the navy question in the house, there would be many more vigorous voting in favor of four battleships. The question of a navy is broader than the party."

A carload of stone arrived here last night for the new Divinity School building. This is from Tenino, Wash. The contractors promise to deliver it faster than they did from the quarry in Douglas county.
