PROTEST AGAINST CHANGE OF STREET CAR CROSSING

Editor Guard:—We, the undersigned, living in the immediate vicinity of the crossing at Thirteenth and Alder streets, at which the little girl was recently killed, desire to protest against the proposed change of the tracks from Alder to A street for the following reasons:

1. The death did not occur during play, but as some of the Fairmount children were going home. The well-enforced rules of the school absolutely prevent the children from getting on the tracks during play hours.

2. These children would have to cross at Thirteenth and A streets if the proposed change were made. They would be out of sight of the teachers and the large house at Thirteenth and A streets would prevent their seeing the cars running south on A street, thus adding a new danger. It is the opinion of all well-informed that the proposed change would increase, not diminish the danger.

3. The necessity of the children crossing the track at all can be done away with by simply building a sidewalk on the south side of Thirteenth street from Alder to University avenue, and making it a rule of the school that the children go to and from school on that side of the street.

4. No reason can be urged for changing the tracks from Alder to A street that does not apply with tenfold force to the corner of Willamette and Eleventh streets, where there are three schools and many times more school children as at Alder and Thirteenth streets.

HAYES SEES DARK WAR CLOUDS GATHER

Washington, April 17.—"Somebody has got to whip Japan and I am very much afraid that the important duty will fall upon us." This sensational statement was made today by Representative Hayes, of California, after a visit to the White House. Continuing, Hayes said:

"What do you suppose is in Japan's mind while all this preparation is going on in her shipyards? What nation is she preparing to go to war with that she is spending $100,000,000 annually? It is the United States and there is no use trying to fool ourselves into believing anything else."

The representative refused to say what actuated the utterance at this time.

HOW IS YOUR STOMACH?

Easy Way to Strengthen It and Get Well.

A good digestive system, one that acts so that you do not know that you have a stomach, is God's birthright to every man—every woman.

If digestion is weak, if food turns into gas, if you suffer after eating, if you are sleepless, nervous and out of sorts—then the stomach is diseased and prompt action should be taken.

W. A. Ennis, a well known builder in Syracuse, tells an easy way to strengthen the stomach and get well; he writes: "Mi-o-na Stomach Tablets have done more for me in one week than all doctors the two years I was under their care. Thanks to Mi-o-na, I can work once more, the first time in over a year."

It is an easy thing to strengthen the stomach and cure indigestion by using Mi-o-na. Get a 50c box from Hall's Drug Store; they guarantee to refund the money unless the remedy does all that is claimed for it.

DECORATION DAY, MAY 30

If you intend to have a monument or tablet erected by Decoration Day you should make your selection at once, while there is a nice stock to select from. Nothing but the best of work furnished at reasonable prices.

RANCHER ACCUSED OF SERIOUS CRIME

Prineville, Or., April 17.—Larkin K. Elliott has been arrested at his ranch on the Ococho river on the charge of burning and otherwise destroying property belonging to ex-Congressman J. M. Williamson.

On March 28 the shearing plant and corrals, together with a house and other buildings, belonging to J. N. Williamson, were burned to the ground, his barn alone being saved. A fire was started in the manger of the barn, but for some reason it went out, though not without leaving some very valuable evidence for the use of the detectives who were put to work as soon as the authorities were notified of the burning. Because of the location of this property in a rather remote part of the Horse Heaven country, it was some time before the fact was reported.

A few days prior to this a sheep camp belonging to Mr. Williamson was destroyed on a tributary of the Ococho, about fifteen miles east of Prineville. Evidence is in the hands of the sheriff that indicates that a party or parties were the same in both the incendiary acts. The value of the property destroyed by the fire was about $3000, only $500 of which was secured by insurance.

JULIA MARLOWE WILL FILE SUIT

Boston, April 17.—The elimination of the names of Julia Marlowe and Mrs. Maude Backus from the divorce petition filed by Clara von Hermann against her husband, Karl von Hermann, the newspaper and magazine writer, is expected to be followed shortly by suits for criminal libel. Miss Marlowe is averse to going into court, but her managers are said to be determined that Mrs. von Hermann should be punished.
