WATER BONDS AND WATER WORKS ELECTION ON

Another election is on today, this time a municipal election to determine whether or not the city shall purchase the water works property of the Willamette Valley Company and to determine whether or not the further burial of bodies within the corporate limits of the city shall be prohibited. This is the 'steenth time that the water works bonds have been voted upon, but each time before the election has been illegal or something of the sort, and it was thought best to submit the proposition again in the proper form and in accordance with the law. The vote is not very heavy, although there is considerable interest taken in the election.

It is freely predicted that the vote will be in favor of the purchase of the water plant. It is almost certain that the $300,000 bonds will be voted and from present appearances the amendment to the charter restricting burials will carry.

The propositions as stated on the ballot are as follws.

For amending Sections 108 and 112 of the city charter of the city of Eugene by striking out authority to issue $100,000 of electric light bonds, and $75,000 of gas light bonds, and increasing the issuable water bonds from $100,000 to $300,000; fixing the character and manner of isue of said bonds, and the disposition of water revenues; authorizing condemnation proceedings in building water plant; and providing for water board and fixing its duties.

Vote yes or no.

For amending the city charter by adding a section forbidding the establishing of cemeteries or additions thereto within the city; or the burial of human bodies within the city limits except that the members of families may be interred in family lots where burials have already taken place.

Vote yes or no.

Proposition to purchase for the sum of $140,000 the water plant and property of the Willamette Valley Company according to offer of company filed on the office of the city recorder March 21, 1908.

Vote yes or no.
