Williams Is Mad.
Washington, April 20.—With the exception of Cooper and Nelson, of Wisconsin, Republicans, the house today, by a strict party vote, declared that the action of Speaker Cannon last Saturday in summarily adjourning the house, was not a breach of the privilege of the house affecting

its safety, dignity and the integrity of its proceedings. The dictum was made when a resolution by Williams, holding such a breach to have been committed, was tabled, 146 to 119. The vote was preceded by statements by Williams and the speaker. After disclaiming that as a result of the incident there would be a personal breach between him and the speaker, Williams maintained that the action was an unprecedented parliamentary act. On the other hand the speaker called attention to the dilatory tactics of the minority leader for the past two weeks and said it was the speaker's duty and privilege to sweep aside a dilatory demand and declare the house adjourned.

NEW HAMPSHIRE TABLES EFFORT TO ENDORSE TAFT

Concord, N. H., April 20.—The Republican state convention for the selection of delegates at large to the Republican national convention was held here today. The platform renews allegiance to the principles of the Republican party, and while recognizing that existing tariff schedules should be readjusted to current conditions, emphatic opposition is declared to tariff tinkering by piecemeal. It urges the restoration of the American flag to the ocean carrying trade, and generous pension legislation for army and navy veterans. On the question of instructions the platform asserts that the real interests of the presidential candidate to be nominated will be best served without specific or implied instruction in the form of resolutions or preference in this convention. A resolution endorsing Taft for president was tabled by a rising vote, only 25 delegates out of 763 voting for the resolution.

ABE ATTEL BESTS KELLY OF BUFFALO

Seattle, Wash., April 20.—Abe Attell, of California, retained his title of featherweight champion of the world at Sound Beach yesterday afternoon by defeating Eddie Kelly, of Buffalo, in the eighth round. Kelly is game to the core, but he is not fast enough to hit the shifty Californian, and at no stage of the contest was Attell in danger.

ASSOCIATED PRESS MEMBERS DEMAND THAT CONGRESS ACT

New York, April 21.—At the annual meeting of the Associated Press today, at which 174 daily papers were represented, an address was adopted asking the president and congress to grant immediate relief from the exactions of combinations of papermakers, declaring that "immediately upon the assembling of congress twenty or more bills aimed to correct these conditions, and put paper and pulp on the free list, had been introduced and referred to the ways and means committee. That persistent efforts to obtain a hearing had been refused, and dilatory tactics employed to prolong present conditions and to carry over to another session of congress

GUARD'S PARTY RETURNS FROM LOS ANGELES

MRS. GIBBS, MISS WITHROW AND MISS CRUZAN HOME FROM THEIR SOUTHERN TRIP—MISS COOK REMAINS—THEY TOOK IN ALL THE SIGHTS AND HAD GOOD TIME

Mrs. H. L. Gibbs, Miss Effie Withrow and Miss Zelma Cruzan, members of the party which The Guard sent on a trip to Los Angeles as a reward for their work in the subscription contest conducted by this paper during the winter, returned to Eugene last night after having been gone just two weeks. Miss Hattie Cook, the fourth member of the party, remained in Southern California, where she will visit friends for some time.

The ladies who returned last night were well pleased with their trip and enjoyed themselves very much while gone. Besides all the places of interest in Los Angeles, they visited the Catalina Islands, San Diego, Coronado Beach, San Pedro and many other places, saw the battleship fleet, and in fact took in everything that was worth seeing. They say the King Edward hotel, where they stopped during their sojourn in Los Angeles, is "simply swell," the accommodations being the best in the city. They intended staying in San Francisco on their way home, but the city was so dirty, they say, that they remained only a day and came on home.
