

# SCROFULA AN INHERITANCE OF DISEASE AND SUFFERING

It is more forcibly manifested in physical life than the old saying "begets like," for just as the offspring of healthy ancestry are blessed with pure, rich blood, insuring health and strength, so the children of blood disease inherit a polluted circulation to burden their existence with disease and suffering. Swollen glands about the neck, brittle bones, pale, waxy complexions, running sores and ulcers and general debility, are the usual ways in which Scrofula is manifested. In some cases the blood is so filled with the scrofulous germs and tubercular matter that the system has begun to weaken and lose its natural vitality. Especially after a spell of sickness, the ravages of the disease will be especially apparent in a great many cases terminate in Consumption. S. S. S. is the best treatment for Scrofula. It renovates the entire circulation and drives out the scrofulous and tubercular deposits. S. S. S. is the greatest of all blood purifiers, and it not only goes to the very bottom of the trouble and removes the cause and cures the disease, but it supplies the weak, anemic blood with the healthful properties it is in need of. S. S. S. is made entirely of healing, cleansing roots, herbs and is an absolutely safe remedy for young or old. Book on Scrofula and any medical advice about Scrofula given free of charge.

## DEMOCRATS MAY SPRING SURPRISE AT JUNE ELECTION

In reference to the news item in yesterday's Guard concerning the plans of the Democrats of Lane county to surprise the sheriff this year, Chairman Travis, of the county central committee, today stated that the Democrats will not only work for the sheriff, but for the entire ticket, and he believes there will be several surprises upon election day. The Democrats are well organized and have a strong ticket in the field. Each candidate nominated by them at the primaries is thoroughly fitted for the office for which he is named, and as there are no factions in the party in this county, the Democrats are very hopeful of doing better than they have at several recent elections.

## COTTAGE GROVE NEWS OF SPECIAL INTEREST

F. H. Rosenburg is this week expecting the books of the city. Owing to the poor system adopted by the city, it is somewhat of a tedious job, requiring about three days. Last year in his report, Mr. Rosenburg recommended to the city that it invest in a set of books specially adapted for such work, making it much more easy for the officials to keep the work in a business-like manner, and making them accessible to examination at any time. Mr. Rosenburg states that a set of modern books, expressly made for such business, would not cost the city to exceed \$15, and with ordinary care on the part of the treasurer and recorder the expense of having an accountant for the work at the close of each year would be done away with. The advice seems to have been not taken, to the city's loss and to Mr. Rosenburg's gain.

Last Monday afternoon the citizens of Cottage Grove and many of the near-by farmers met at the Commercial club rooms and discussed the fruit dryer question. George Comer called the meeting to order and Mr. C. M. Densmore gave a talk on the fruit and dryer business, and urged all who were interested in furthering the general development of this section to take hold of the proposition. It now seems that a dryer will be built, \$2000 was subscribed at the close of the meeting. The plan is to organize with a capital stock of \$5000, with at least \$3,000 subscribed, to be paid in on installments. Mr. Densmore will return here Saturday when another meeting will be held in the afternoon at 2 o'clock at the club rooms to which all are invited. He hopes to be able to commence construction of building by May 1.

This week Ben Lureh, administrator for the estate of E. W. Hebard, deceased, sold the Tomgers stock to George C. Stanley, of Eugene. Mr. Stanley has opened the stock for sale at cost, the sale continuing until Sunday, May 2. The stock remaining on hand at that date will be shipped to Eugene. Mr. Stanley has sold the four years' lease on the room to W. A. Hemenway, who will cut through the partition and throw it into his store room, giving him more room for the display of his stock.

The J. H. Chambers saw mill company at Alsea met with a heavy loss last Sunday afternoon. The dam went out, carrying with it the railroad bridge on the spur running to the yards, a portion of the big lumber dock and a considerable amount of lumber. The loss is estimated at about \$3,000. Mr. Chambers states that he will not reconstruct the dam, thereby putting the pond out of commission, preferring to go it "dry."

C. A. Harlow, Joseph Stocks, Albert Stocks, T. Hankins, and T. B. Hankins, who each owned a one-seventh interest in the Star Lumber company, this week sold their interest to Joseph Wicks. The mill property is located on the Oregon & Southwestern some fifteen miles from this city and has a capacity of 20,000 feet.

W. T. Shortridge, up Coast Fork, is making a run of 15,000 ties down the river to Latham, this week. Mr. Shortridge states that the river is at a fine running stage. These ties will probably be sold to the Gould interests.

Al P. Churchill came in Saturday from Bohemia with the election returns. He is at present working his four month lease, and reports property for the good.—Western Oregon.

## DIED

## DIES WITH SWORD CLASPED TO BREAST

New York, April 22.—With the sword he carried during a member of Morgan's Raiders during the Civil War clasped to his breast, Colonel William S. Warwick was found dead in his bed on the top floor of a house in the Bronx yesterday. When his old colored servant, who answers only to the name of "Mammy," carried his breakfast to his room she found Colonel Warwick dead. The coroner decided that death was due to infirmities of old age.

Colonel Warwick came of a famous old Southern family and was born in Virginia 85 years ago. He was bred in wealth and luxury and at the opening of the war joined Morgan's cavalry, and throughout the war fought under the flag of the Confederacy. Twenty years ago he came to New York and began to practice law. He had a large income and his chief employment was in the entertaining the lavish style of Southerners who came to New York. Two years ago he became involved in a disastrous financial transaction and lost his entire fortune. Since then he had lived in humble lodgings in the Bronx, attended only by the old colored servant he brought from the South with him in the days of his prosperity. Colonel Warwick is said to have been related to many well-known people in the South, including Senator Daniel of Virginia.

## BABY GIRL CRIED AND SCRATCHED

All the Time—Torturing Eczema Covered Her Body—Could Not Sleep—Doctor Said Sores Would Last for Years—Skin Now Clear.

## CURED IN THREE MONTHS BY CUTICURA REMEDIES

"I take great pleasure in telling you what a great help it was for me to use Cuticura Soap and Cuticura Ointment for my baby niece. She was suffering from that terrible torture, eczema. It was all over her body but the worst was on her face and hands. Her hands were so bad that she could not hold anything. She cried and scratched all the time and could not sleep night or day from the scratching. I had her under the doctor's care for a year and a half and he seemed to do her no good. I took her to the best doctor in the city and he said that she would have the sores until she was six years old. But if I had depended on the doctor my baby would have lost her mind and died from the want of aid.  
"I used all the remedies that ever-healed told me about and I tortured the child almost to death. Then I saw in the paper how Cuticura was the thing for irritating skin. I bought her with warm water and Cuticura Soap and used the Cuticura Ointment. She was cured in three months. Now her skin is as clear and smooth as it could be. I shall recommend the use of Cuticura wherever I see the skin in bad condition. Alice L. Dowell, 1709 Easton Ave., St. Louis, Mo., May 2 and 20, 1907."
