

Put This Stove in Your Kitchen

It is wonderfully convenient to do kitchen work on a stove that's ready at the instant wanted, and out of the way the moment you're done. Such a stove is the New Perfection Wick Blue Flame Oil Cook-Stove. By using it you avoid the continuous overpowering heat of a coal fire and cook with comfort, even in dog-days. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is so constructed that it cannot add perceptibly to the heat of a room: the flame being directed up a chimney to the stove top where it is needed for cooking. You can see that a stove sending out heat in but one direction would be preferable on a hot day to a stove radiating heat in all directions. The "New Perfection" keeps a kitchen uniformly comfortable. Three sizes, fully warranted. If not with your dealer, write our nearest agency.

The **Rayo Lamp** is the ideal lamp for family use—safe, convenient, economical and a great light giver. If not with your dealer, write our nearest agency.

PLEASANT HILL CEMETERY IMPROVEMENTS

The school trustees of Pleasant Hill have decided to erect a seven wire fence around the Pleasant Hill cemetery in the near future. They have circulated a petition and people donated freely. Not seeing all that are interested in the cemetery, they are requested to leave what they wish for fixing the yard with barbed wire at the First National Bank, and those that have subscribed do the same.

Blood Humors

Persistent Eczema—Druggist Advised Proper Medicine—Another Complete Cure.

It makes no difference how severe or long-seated a case of bad blood, humors, eczema or scrofula may be, Hood's Sarsaparilla cures just the same.

It has the greatest record of any medicine ever made. It has received the largest number of testimonials—40,000 in two years.

It is the one above all others for you to take if you need a thoroughly good medicine for your blood.

"Send the following from Mr. C. C. Bailey, a well-known pump manufacturer, of Champaign, Ill.

"When I asked my doctor what the eruption was which came under my right ear, and which had refused to yield to home treatment, he said it was a bad case of eczema and that it would take a long time to cure it. Another doctor said it was about the worst case he ever saw. I followed their advice for three months, and still the eruption would not heal. "One day I asked the druggist if he had anything he thought would do me good, he said if anything would cure me it was Hood's Sarsaparilla, and advised that I buy three bottles, watch the results, and be governed accordingly. There was such decided improvement at the end of that time that another bottle affected a complete cure." C. C. Bailey, 40 E. University Avenue, Champaign, Ill.
