FATAL GUN ACCIDENT AT COMSTOCK

ROY CLARK, AGED 13, DIES IN EUGENE GENERAL HOSPITAL SUNDAY MORNING AS RESULT OF MORTAL WOUND ACCIDENTALLY INFLICTED SATURDAY AFTERNOON.

Roy Clark, the 13-year-old son of Charles Clark, of Comstock, Douglas county, died at the Eugene General hospital Sunday morning about 7 o'clock from the effects of a gun shot wound through the abdomen.

The boy, in company with Roy Watkins, another boy of about his age, were out with their rifles near their home at Comstock Saturday afternoon. Both had been sitting on the ground when the Clark boy pulled his gun, a 33-70 Winchester, toward him, muzzle first. The hammer caught on something and the piece was discharged, the bullet entering the lower part of his abdomen from the front and emerging at the back. The injured boy was placed on the train a few hours afterward and brought to Eugene and placed in the hospital with the hope of saving his life, but he gradually grew weaker and expired Sunday morning.

Undertaker Gordon took charge of the remains and shipped them to Comstock Sunday afternoon for burial.

BANKER PLEADS GUILTY AND IS SENT TO PRISON

San Francisco, April 27.—J. Dabzell Brown, former president and general manager of the California Safe Deposit & Trust Company, today pleaded guilty to the charge of embezzlement and was sentenced to 18 months in the penitentiary at San Quentin.

The charge that Dabzell pleaded guilty to was embezzling sixty-five mortgage bonds of the Sacramento Gas and Electric Company. He was arrested several months ago for the alleged wrecking of the bank and pleaded not guilty when first arraigned before Judge Conlon. It is thought he will now turn state's evidence.

It is said that Brown will go before the grand jury this afternoon and tell all he knows in connection with the bank's failure. The leniency of the sentence is due to the statement of Assistant District Attorney Cooke that Brown never profited through the crooked financial methods of the bank officials.

HAYWOOD IS DEPOSED BECAUSE HE IS SOCIALIST

Denver, April 24.—The formal announcement was made in today's issue of the Miners' Magazine, the official organ of the Western Federation, over the signature of C. E. Mahoney, first vice president and acting president of the association, that the executive board had terminated the services of William D. Haywood as representative of the federation in the field.

Last December, after Haywood's acquittal at Boise on the charge of complicity in the murder of Steuneger, he was appointed as secretary-treasurer of the Federation by Ernest Mills, by order of the executive board. Since that time he has been employed as a lecturer and organizer for the Federation and has made a tour of the East. It is estimated that the executive board disapproved of his activity in the advocacy of socialist theories.
