

## CLUB ASKS FOR PERMANENT FLEET FOR PACIFIC

### BOARD OF GOVERNORS ADOPTS RESOLUTIONS AT MEETING HELD LAST NIGHT

### ALSO WANTS ATLANTIC FLEET TO STOP OFF YAQUINA BAY FOR A DAY SO OREGON PEOPLE MAY VIEW IT—EXCURSION FROM PORTLAND TO EUGENE ON COMMENCEMENT DAY

The board of governors of the Commercial Club held an important meeting last night, at which time a resolution, at the suggestion of the California promotion committee, was adopted appealing to the secretary of

the navy to keep in the Pacific waters a fleet of 12 first-class battleships and eight armored cruisers for the protection of the coast states in case of war.

At the request of the Lincoln County Commercial Club a resolution was also passed asking the state's delegation in congress to endeavor to have the Atlantic fleet now in California waters stop off Yaquina bay for a day on its way north to enable the people of the Willamette valley to view the entire fleet. They will not have the privilege of doing so without going to San Francisco or to Seattle unless this request is granted. The people of Newport assure the people first-class tug service out over the bar to visit the ships, and special excursions will be run over the C. & E. from all points in the valley.

The board decided to invite H. I. Dasset, the new booster for Albany, to come to Eugene as the guest of the club to address the general meeting on the evening of May 11. The idea is to show Albany in the work she has started and that this city is ever willing and ready to co-operate with her neighbor on the north in advertising the resources of the valley to the world.

A committee of five to arrange for the excursion from Portland to Eugene on commencement day—June 24, was authorized. President Whitson, of the board of governors, will make the appointments later.

## WORKINGMEN ASKED TO VOTE FOR OWN INTERESTS

New York, April 28.—Samuel Gompers, president of the American Federation of Labor, has notified organized labor throughout the country to adopt resolutions demanding that their representatives in congress vote for labor bills before that body. They are also urged to support only such candidates as will safeguard and protect the common interests of the workers.

## SEATTLE SECURES ASSISTANT TREASURER

Washington, April 28.—The senate today passed a bill providing for the appointment of an additional as-

sistant treasurer of the United States at Seattle, Wash.

Only Two Battleships. Washington, April 27.—By an overwhelming vote President Roosevelt's four-battleship program failed in the senate today, just as it did in the house. The amendment for four battleships was introduced by Senator Piles, and the fight for its adoption was led by Beveridge. Twenty-three votes were cast for the increased program, the number being largely made up of recently elected senators. Fifty voted to support the house and the recommendation of the senate naval committee in the recommendation to build only two battleships.

## WOMAN AND CHILDREN BURNED IN HOME

Laporte, Ind., April 28.—Mrs. Belle Gunnerson and her three children are believed to have perished in an incendiary fire which destroyed their home last night.

## "Booster" Zurcher calls the attention of the Roseburg Review to the fact that under the rulings of the postal department Roseburg has been entitled to a free delivery of mail throughout the city for several months past, and steps will now be taken to secure it without further delay.

## CATHOLICS CELEBRATE CENTENARY WITH VERY IMPRESSIVE EXERCISES

CARDINAL GIBBONS.

New York, April 28.—The thanksgiving service at St. Patrick's cathedral in honor of the completion of one hundred years of Catholic progress in New York was celebrated today. Before the services began fully six thousand persons had gathered in the beautiful edifice and as many more were on the outside, and the procession from the cathedral college on Madison avenue to the cathedral on Fifth avenue was an impressive sight, participated in by Archbishops

Ireland, Glennon, Keane, Moeller O'Connell, Ryan, Quigley and Farley, and by Cardinal Gibbons and Cardinal Logue, primate of Ireland, who was the chief personage in the celebration, since he was the celebrant of the mass.

A message from the pope congratulating Archbishop Farley and the Catholics of New York was read. Scores of communications from laymen, including one from President Roosevelt, and from ministers of all denominations, were received. His Eminence Cardinal Gibbons delivered an address of great interest, being a brief history of the work of the church in New York.

Cardinal's Sermon. Isaiah lx: "Arise, be enlightened, O Jerusalem, for thy light is come, and the glory of the Lord is risen upon thee. The Gentiles shall walk in thy light, and kings in the brightness of thy rising. Lift up thine eyes round about and see: all these are gathered together, they are come to thee; thy sons shall come from afar, and thy daughters shall rise up at thy side. Then shall thou see and abound and thy heart shall wonder and be enlarged when the multitude of the sea shall be converted to thee; the strength of the Gentiles shall come to thee."

Your Eminence, Most Rev. Right Rev. and Rev. Fathers of the Clergy, Dearly Beloved Brethren of the Laity:— We are honored today by the presence of His Eminence, Cardinal Logue, Archbishop of Armagh, Primate of all Ireland, and successor to St. Patrick. It is eminently becoming that this distinguished prelate should take part in these festivities, as the cathedral and archdiocese of New York are consecrated to St. Patrick, the apostle of Ireland, and who

## COUNCIL MEETS AND TRANSACTS USUAL BUSINESS

### WILLAMETTE VALLEY COMPANY WANTS TIME TO EXAMINE INTO LEGALITY OF BONDS.

### IF ELECTION WAS LEGAL, THEY OFFER TO TAKE OVER ENTIRE BOND ISSUE IN PAYMENT FOR WATER PLANT—ROUTINE BUSINESS TRANSACTED.

An adjourned meeting of the city council was held last night with Councilman J. M. Williams, as president of the council, in the chair, and all members present.

Various matters of interest came up for discussion, including that of the sale of the water plant to the city. A letter from the Willamette Valley Co. in regard to the matter in which the latter stated that he had received a telegram from his company stating that they were not willing to turn over the plant at the present time, or until the legal status of the bonds were determined as to the methods of voting, etc. The company asked for a week's time to investigate and if the bonds are held to have been voted legally the company will turn over the plant to the city for \$140,000. The company stated that it would take the entire issue of the bonds at 5 per cent in payment for the plant.

Routine Matters. The matter of providing fenders for the street cars was brought up and Chairman Harbaugh, of the judiciary committee reported that they had been shipped and were expected here in ten days.

The chief of police was instructed to order the property owners along the east side of Alder street to put in sidewalks at once. Prof. Straub asked that the Cyclone base house on East Eleventh street be moved back from the street several yards and the citizens in that vicinity would be benefited by the lot. The matter was referred.

The city recorder was authorized to issue licenses to plumbers upon their filing a bond of \$3000.

A petition for an arc light at the corner of West Eleventh and Washington streets was referred.

A remonstrance against grading and graveling West Sixth street west of Blair was referred.

The plat of Walnut Park was taken up and passed.

The matter of conferring with the Willamette Valley Company as to putting in a 4-inch pipe on the east end of Eleventh street and Alder street before the paving is laid was given over to the street committee.

A proposed contract between the city and Frank C. Kelbay, engineer for the proposed gravity system, was read, as follows: For full services complete engineering the sum of 4 per cent of the cost of the system, payable as provided. As consulting or hydraulic engineer he asks two per cent of the cost of the same, payable as the work is carried on.

The contracts were taken under advisement for a week. Carl McClain presented a proposition from himself and J. A. McArthur to the council to do the engineering work. G. W. Waggoner also made an application for the engineering work of the system for himself and C. W. Collier.

It was decided to go over the route to Ritchie Creek next Friday, and

## BRITAINS LOSES ANOTHER BOAT IN COLLISION

Harwich, April 28.—The torpedo boat destroyer Gala was cut in two and sunk early today off Kentish Knock, in the North Sea, by the scout boat Attentive. The torpedo destroyer Ribble was also involved in the collision and returned to Sheerness with two compartments full of water. The accident occurred while the flotilla was engaged in night maneuvers. Engineer Lieutenant Frank A. Fletcher, of the Gala, was the only person who lost his life.

Portsmouth, April 28.—According to a wireless message received here, a boiler explosion occurred on the battleship Britannia, in which several men were injured. The Britannia is expected to arrive here this evening.

also his hotel all evening and died about 10 o'clock. Feeling a pain in his chest he fell over the bed and expired almost immediately.

## CITY WILL BEAR PART OF EXPENSE OF ILLUMINATION

The committee from the Commercial Club on the illumination of Willamette street on gala occasions visited the city council meeting last night and asked the council to bear half of the expense of installing the lights. After some discussion their petition was granted. The club will bear the other half and will pay for the burning of the lights. The lights will be put up before the state grange meeting here on the 12th of next month, on which occasion they will be turned on for the first time. Two strings of them will be placed across Willamette street in each block from the depot to Eleventh street. They will be red, white and green. Blue instead of green was desired, but blue does not show up well.

## INCREASE FOR INDIAN WAR VETERANS

Washington, April 27.—A favorable report was today ordered on Senator Ankeny's bill increasing the pensions of Indian war veterans and their widows from \$8 to \$12 per month. The committee declined to report a bill which would place these veterans on the same footing as service pensioners of the civil war, whose maximum pension is \$29 a month.

Senator Bourne made a favorable report on Senator Ankeny's bill authorizing the establishment of a fish culture station on the Tauxanion river, Washington.
