PORTLAND MARKET REPORT.

Portland, April 30.—"The livestock market is holding its own in a satisfactory way in all lines," said a commission man today. "There is, of course, a weak tone in sheep and lower prices may be announced within a few days, but for the present there is a fair demand for muttons at current quotations and it may after all not be necessary to cut prices for some time to come. Much will, of course, depend upon the size of receipts from this time on."

"I can see nothing to indicate any weakening of the cattle market in the near future. The demand continues strong and stocks in this state are so small that it is necessary all the time to draw on neighboring states, California, Idaho, Montana and other sections, for supplies."

"In the hog market there is no change from the conditions of yesterday. The demand is as strong as ever and prices are well maintained."

Quotations ruling in the livestock market today are:
Hogs—Best, \$6.00 @ 6.25; mediums \$5.75 @ 5.50.
Cattle—Best \$6.00 @ 6.25; medium, \$4.50 @ 4.75; common, \$3.50 @ 4.00; best cows, \$4.00; common, \$3.50 @ 3.75; calves, \$4.00 @ 4.50.
Sheep—Best wethers, \$5.00; ewes, \$5.00 @ 5.50; spring lambs, \$6.00 @ 6.50.

Butter Market
"There were more reports today of shading of prices by some of the city creameries, and the butter market was regarded as weak all along the line, with the belief general that

lower prices would be made within a few days. Very little country creamery is now moving at the top city creamery price, the range generally being 20 to 22 1/2 cents a pound. Butters were reported little or no demand for their products in the north today.

Egg Market Is Steady.
A steady tone is noted in the local egg market at this time. Receipts are only moderate, although some shipments in their direction are fully up to the average of the past few weeks. There is practically no northern demand noted at the moment because of the larger supplies in local territory.

Steady Tone in Poultry.
In the poultry market the tone is quite steady; all lines being included. The receipts at this time are only fair and consist principally of old stocks. Spring chicks are just as hard to obtain as ever and the trade is wondering what has become of the large shipments that usually materialize at this period of the year. Spring ducks should be in market by this time, but none are in sight and dealers have no advice of any shipments in this direction. Now that there is a good demand for turkeys shippers are not willing to send supplies.

Potato Buying is Heavy.
There is very heavy buying of potatoes in this territory. Orders from the south and the southwest are still showing an increase and the number of shipments is making like progress. There is practically no disposition among the producers to hold back their stocks because all seem to realize that the only way to clean up is to sell potatoes at a price the outsiders will take them at.

Brief Notes of the Trade.
Market is somewhat overburdened with cabbage and some dealers are making a concession in the price. General value unchanged, however. Business in the hop market is at a standstill, although one or two small sales have been reported of late at low figures.

Local head lettuce is arriving in good supply with demand liberal around 25 @ 30c dozen.

Cheese market is showing a good demand at this time with local supplies quite well cleaned up. More expected tomorrow, however.

Portland Quotations.

PREPARATIONS COMPLETED FOR TRACK MEET

Preparations for the track meet tomorrow for the Eugene high school, the University of Oregon freshmen, and the Portland high school athletes. The Eugene high school has been improving wonderfully during the last two weeks, and their adherents will be out in hundreds to see their favorites perform.

The college students are also backing the freshman team strongly. Among the first team men who will run tomorrow are Downs, the half miler and miler, Stevers, another miler, who won the cross country run last fall, Sam May, the well-known Multnomah athlete. Moon is probably the best sprinter for the varsity youngsters. He made the team to Columbia, where he did well.

During the last two or three days the freshmen have made some good records, putting the shot 39 feet and broad jumping nearly 20 feet. The records, however, are not so good that the scholastic teams cannot do as well.

The meet will be called at 3 o'clock sharp so that the students can attend. Admission is 25 cents.

EXCURSION TO MARCOLA SUNDAY

The excursion train to Marcola for the purpose of dedicating the Christian church, can only be obtained by a guarantee of \$60. If we obtain 100 who will go, the rate will be 60 cents. We must know by 10 o'clock Friday morning. Those who will go will please leave their names at Hull's drug store, or phone Red 1601.

PLAT OF BLAIR STREET ADDITION TO EUGENE, OREGON.

Only two of the acre tracts and two of the three-quarter acre tracts remain unsold, and there has been a good sale of lots. Several houses will be built in the addition this spring and summer, and other purchasers will set out shade and fruit trees. The property was priced very reasonable to start with; and rapid sale and improvements made and contemplated justify a **Steady Advance in Price** on all unsold lots and tracts. Blair Street Addition property will double in value in ten years. It is at present prices the best investment in Eugene, because it is situated where the town must expand over it.

Just as sure as water runs down hill Eugene must grow down the main valley roads, where the electric roads will come up from Portland, and where the largest part of the city's business will always come from. If you want a home or wish to save money by investing it on easy installments in desirable real estate, you can't miss it in **BLAIR STREET ADDITION**. Small Cash Payment, and your own Terms on Balance.

Second street will be graded through the addition this spring--the time to buy one or more of the large lots, 68 1/2 x 143 feet, is NOW--before the price is advanced.

Any of the following well-known and reliable real estate dealers will be glad to show you this property at any time.
